Basketball Hawks To Participate In  
Four Team International Tournament At McMaster

The Waterloo Lutheran University Golden Hawks, defending Canadian Intercollegiate Basketball Champions, appear ready for the four team international tournament to be held at McMaster University, Dec. 6 and 7. Having won their last two starts against Laurentian and York quite convincingly the Hawks will meet McMaster in the second game Friday at 9 p.m.

The two New York State colleges entered in the tournament, Fredonia State and Geneseo State, will play in the first game scheduled for 7 p.m. The scheduling of the games will thus place one American and one Canadian school in each of the consolation and championship rounds.

In last year's tournament the Golden Hawks defeated McMaster 97-79 to advance against Fredonia, who defeated Geneseo 68-67, In the championship round Fredonia defeated the Hawks 87-76 to capture the tournament.

Although the Hawks are basically in a rebuilding year Coach Lockhart has brought the new players along well and he promises that WLU will be well represented.

Saturday's consolation game is set for a 6:30 p.m. start while the championship contest will start at 9 p.m.

This weekend's action is the last for the Hawks before the Christmas break.
