Double Sweep A Must This Weekend

For the Hawks Against Laurentian

Both the Hockey and the Basketball Hawks find themselves in the perilous position of needing victories this weekend in order to stay in contention within their respective leagues.

The Hockey Hawks have posted a disappointing 1-2 record in league action to date and could slip farther away from the top with a loss to the Voyageurs Saturday afternoon.

The Laurentian squad, perennial winners in the Ontario Intercollegiate Athletic Association, is riding along in top spot again this season, and the Hawks would like nothing better than to hand the Voyageurs their first defeat of the campaign.

Laurentian defeated WLU earlier this season by the score of 5-3. However, Coach Maki feels that his squad is capable of skating with the fast moving Sudbury crew, and he promises that the Hawks will be up for this game.

The WLU Basketball Hawks, defending Canadian Champions, find themselves in a strange situation this early in the season, Osgoode Hall Law School upset the favoured Waterloo squad 71-70 in their last outing and the Hawks need a win Saturday evening to stay close to the top of the listings.

To date WLU has posted wins over Laurentian and York, but have failed to come up with a win in their last five starts. Coach Lockhart attributes his club's disappointing start to a failure to control the backboards. The Golden Hawks are simply giving up too many rebounds,

If WLU has any intentions of repeating as league champions this season, they cannot afford a loss to the Voyageurs.

Game time Saturday afternoon at the Memorial Auditorium is 2:00. The Basketball game gets under way Saturday evening at 8:00 at the WLU Theatre Auditorium.
