NDP's Vociferous Morton Shulman
Speaks to WLU Boar's Head Dinner

Dr. Morton Shulman, the NDP member for Hyde Park in the Ontario Legislature, speaks at the annual Boar's Head Dinner tonight (Dec. 1) at 7 p.m. in the Theatre-Auditorium of Waterloo Lutheran University.

The dinner, sponsored each year by the campus Circle K Club, is expected to draw a capacity crowd to hear Dr. Shulman, whose charges and revelations in the Ontario Legislature have made him one of Ontario's best known MPPs.

At the dinner, Dr. Shulman and other guests will witness a recreation of an ancient ritual first enacted at Oxford University in England over 600 years ago. The ritual procession will be led by a prancing jester, followed by six chefs bearing the boar's head, a turkey, a cleaver, a flaming pudding and a Christmas cake. The University Choir will sing the Boar's Head Carol.

The dinner, a traditional Christmas meal of roast turkey, will be served by members of the Circle K Club who pride themselves on serving all 1,000 students in the auditorium within 18 minutes.
