

RUTH ST. DENIS CLOSES RAVINIA ENGAGEMENT

**Dancer Acknowledged to Be the
Most Notable Attraction That
Ravinia Ever Offered.**

By Jessie Willard Bolte.

Next Sunday night closes the engagement of Miss Ruth St. Denis, who is perhaps the most notable attraction that Ravinia Park has ever offered.

Of all the dances the oriental dance is the most difficult for an occidental to master, with its studied poses and intricate steps, but Miss St. Denis is a true daughter of the east when she dons her gorgeous, glittering costumes and strange, bizarre ornaments.

In pose, gesture and sinuous grace, even in facial makeup, Miss St. Denis is absolutely true to type and the incredible fact is that she has never been in the Orient.

In the Egyptian dances, all angles like hieroglyph, in the Cobra dance, all curves like the serpent she represents, weird and uncanny in both, the dances reveal undreamed of possibilities of the human muscles. Bones she seems to have not.

Whether Geisha girl, Nautch dancer or Bayadere, Miss St. Denis is strangely fascinating, and her sublimated cakewalk which she gives as an encore is simply delicious.

Next week begins the opera season with Signor Parelli of the Chicago Grand Opera company in charge of the productions and conducting the Chicago Symphony orchestra.

On Thursday there will be a charming Punch and Judy show given in the Ravinia Theatre at 2:30 P. M., and children songs by Grace Wassail and Jessie Gaynor. Children admitted free. Grown-ups must show coupon books or pay 25 cents.

GARDEN CONCERT TO BE GIVEN NEXT FRIDAY

A garden concert and dance will be given on the beautiful grounds of Mr. and Mrs. George A. Thorne of Winnetka, Friday evening, Aug. 1, for the benefit of Arden Shore camp. This worthy north shore charity is to be assisted by a most attractive program, consisting of dancing on the lawn by Miss Lucy Bates, a young and brilliant dancer from New York, who will give several most interesting dances with orchestra accompaniment. There will also be songs by Mrs. John Sidney Burnet, with Madame Hess-Burr at the piano. After the program the guests will dance to the music of Johnny Hand's orchestra. The house will be cleared for dancing and the tennis court will be given over to the dancers. The invitations are out and a large attendance is expected from the various north shore suburbs.

Mr. J. E. May is staying with Mr. Hale Holden. Mrs. May and Mrs. Holden are in the east.

Mr. and Mrs. N. Landon Hoyt, who are traveling in Europe, are now in Paris, France.

TOWN TALK

Mrs. August Peabody had fifty children from the Children's Memorial hospital for their annual picnic in the gardens of her home Thursday afternoon.

For the benefit of Arden Shore a garden party will be given this evening on the grounds of Jens Jensen. Mrs. Robert Gregory, Miss Louise Derby and Mrs. Carl Bullock are in charge of the arrangements.

Miss Jessie G. McKenzie has resigned as librarian of the Winnetka public library after serving one year and eight months. Prior to coming to Winnetka Miss McKenzie was librarian at the Minnesota normal school.

Mrs. Caroline Porter, wife of John P. Porter, died at the home of her daughter, Mrs. Fred T. Richardson, July 12, after a long illness. She had been for more than twenty years a resident of Winnetka. Mrs. Porter is survived by her husband and three daughters, Mrs. Fred T. Richardson and Mrs. Wm. Dougherty and a son, Harry Porter, of Spruce street.

FINED FOR NOT HEEDING THE HEALTH ORDINANCE

Take heed of the following. It is section 4 of article 3 of the new health ordinance:

Section 4. Manure: No person, firm or corporation shall pile or deposit, or cause to be piled or deposited, manure at any place within a distance of 100 feet of any building or structure used for storing or manufacturing any article of food, or any building or structure in which any article of food is offered for sale, or any building or structure occupied by any person, provided such building or structure is not also used for a barn or stable, unless such manure be deposited and kept in a box or other suitable fly tight receptacle so constructed as to have a tight fitting cover to permit substantially no stench or smell to escape therefrom, and which said box or fly tight receptacle shall remain closed at all times, except when manure is being placed therein or removed therefrom.

On May 18 Herman Trapp of 950 Linden avenue was notified that he would be given thirty days in which to provide a fly tight top for the ma-

nure box in the rear of his barn. At the end of the thirty days the box was still without protection. Court proceedings were started by the village attorney and Wednesday evening the case was called before Justice Mason. Trapp was tried and found guilty and fined \$5 and costs. If you have received any notices from the health department regarding your premises, you had better get busy and do as they say.

Miss Emma Dwyer is in Colorado for several months' visit.
