

BUSINESS CLEANED UP IN COUNCIL

Seven Ordinances Read With Minor Matters Kept Trustees to Late Hour.

GATHER TUESDAY NIGHT.

A final meeting of the Village Board of Trustees was held Wednesday evening to pick up the last fluttering ends of business and read seven ordinances. The meeting had been set for Tuesday evening but the political rally at the Woman's Club on that evening caused a postponement until Wednesday.

A bill was presented from John Morton and Kathleen Murphy asking that the village defray a third of the expense incurred by the laying of a sewer on Fig street from Railroad avenue to 179 feet south on Walden Road. Trustee Wolf moved the amount be paid and Trustee Davis seconded the motion. The bill was accepted.

A communication was then read from Mr. Bradstreet asking the renewal of a \$1,000 bond held by Mrs. Preston which expired on March 13th. Trustee Wolf made a motion that the business manager see to the renewal of the bond and Trustee Heller seconded the motion, which was approved.

Trustee Davis moved that the triangle belonging to the Sears estate, situated in Kenilworth, that has been north of the Winnetka line, should be passed to the jurisdiction of Kenilworth, in return for which Winnetka avenue is to be paved. Trustee Wolf seconded the motion, which passed.

These ordinances were read and approved: Ordinance for the changing of the Winnetka-Kenilworth boundary line; ordinance for the publication of the village code; ordinance covering the laying of a sanitary sewer in Woodland avenue and Essex road; ordinance for laying a sewer system in Willow, Cherry and Ash streets at the extreme west limits of the village; ordinance for placing a water pipe in Woodland avenue and Essex road; ordinance for a sanitary sewer at the extreme west end of town around North, Vernon and Greenwood avenues; ordinance for a storm sewer in the southeast part of village.

On Tuesday evening the Board of Trustees will greet the new members who have come through the election with colors flying.
