Editor Winnetka Weekly Talk,

Dear Sir: Some overzealous partisans of the Rummmler ticket are indulging in much "mud slinging" directed toward Mr. Simonton, candidate for President on the Winnetka Ticket, in particular and his associates in general.

One of these stories was that Mr. Simonton had been twice called before the Chicago Bar Association and threatened with disbarment.

The utter falsity of this statement is evidenced by the following letter issued by the Chicago Bar Association:

To Whom It May Concern:

This is to certify that Mr. Harry P. Simonton of the Chicago Bar is a member in good standing of the Chicago Bar Association and has been for many years; that at no time during his professional career at the Chicago Bar has there been a question raised as to his integrity and professional conduct. Mr. Simonton is considered a man of high standing both at the Chicago and Illinois Bars.

Respectfully,

HUGH O'NEILL,

Chairman of the Committee on Grievances of the Chicago Bar Association.

JOHN L. FOGLE,

Secretary and Attorney of the Committee on Grievances of the Chicago Bar Association.

Mr. Simonton promptly located the author of this story and brought suit against him in the Circuit Court for slander to the extent of \$10,000.

Another story circulated is that Mr. Simonton was "mixed up" with the "Funke case." The facts are that Mr. Simonton was retained by Daniel Donahoe to conduct his defense in the suit which was one of the greatest criminal trials ever held in Cook County. Mr. Simonton's connection with the case was that of an attorney for the defense solely.

Another misrepresentation too absurd to be dignified by a denial is that Mr. Simonton was at one time a "heavy drinking man." The fact is Mr. Simonton is strictly temperate and always has been.

WINNETKA TICKET CAMPAIGN COMMITTEE.
