

NEW TRIER BULLETIN
By Harry B. Kirtland

Monday, February 19, 3:05 p. m.—Girls' Glee club practice.
Tuesday, February 20, 3 p. m.—Orchestra practice; 3:10 p. m., Faculty meeting; 3:10 p. m., Girls' Athletic association meeting.

Wednesday, February 21—Special program in assembly with Girls' Glee club and orchestra participating; 3:05 p. m., Tech meeting.

Thursday, February 22—Washington's Birthday, no school. Grand Rapids Y. M. C. A. swimming team and New Trier Swimming team in contest, 8 p. m. Senate meeting at 3:10 p. m.

Swimming Splurges.
Thursday evening, February 22, at 8 p. m., the Grand Rapids Y. M. C. A. and New Trier swimming teams will contest for honors in the New Trier natatorium. Grand Rapids holds the championship of Michigan and New Trier has corralled the championship of Illinois, so this meet will be well worth attending. Tuesday afternoon at 2:30 the visitors will give an exhibition swim and Miss Asysas Smith will perform a number of fancy diving stunts. Several other special features will also be on the program.

Tom Pope, ex-captain and star swimmer of New Trier, has been ordered by his physician not to enter into a swimming contest for several months. The entire school, as well as the swimming team, feel the loss of Pope's support and unbeatable efforts.

Will Swim at Grand Rapids.
Friday noon the New Trier crew of swimmers leave for Grand Rapids where they will meet the Y. M. C. A. teams and contest for the middle west championship. The team will stop at Kalamazoo Friday night and give an exhibition swim, continuing their journey to Grand Rapids, Saturday morning.

The following will make the trip: Coach Hyatt, Manager Artemus Watson, George Schaefer, Frank Cardo, Kenneth Dennett, Gilbert Stoffer, Norman King and Spear Knebel. The team will be handicapped by the absence of Pope and Walters, due to injuries received when playing football, and the inability of Captain Baxter and Searle to engage in the match because of scholastic difficulties.

New Trier Record Breaker.
George Schaefer, New Trier's star swimmer, broke the National interscholastic record in the plunge for distance, last Monday evening in the Evanston Y. M. C. A. tank. He made the 60 feet in 21 1-5 seconds, clipping one second off his previous record.

George is 16 years old and weighs 208 pounds. He is a sophomore and knew nothing of plunging when he first came to New Trier. By steady and persistent endeavor, however, he has placed himself at the head of the plunger class in the interscholastic records.
A year ago last December Schaefer broke the plunging record and held the title until Olmstead of Evanston captured it by two seconds a few months later. Last December Schaefer busted Olmstead's record by two-fifths of a second and again Monday by two seconds.

Basketball Saturday.
Saturday evening, February 17, Evanston and New Trier will try conclusions on the latter's courts for the light and heavyweight basketball championships. A few weeks ago, on Evanston's courts, New Trier won the lightweight game and lost the heavyweight.

Stereopticon Lecture Given.
Professor R. A. Vaughan of the School of Agriculture of the University of Wisconsin delivered a lecture to the students, Wednesday morning, upon plants and their diseases, illustrating his talk with stereopticon views.

At the Elizabethan meeting Wednesday afternoon the following program will be given: (1) Abraham Lincoln's Life; Helen Cresap. (2) A Perfect Tribute, part I; Joy Scheidenhelm. (3) Solo Dance; Louisiana Davis. (4) A Perfect Tribute, part II; Margaret Peterson.

"Movies" Friday Night.
The story of the telephone, told in moving pictures, with accompaniment by the Chicago Telephone orchestra, will be presented at New Trier High school Friday night, February 16, at 8 o'clock. Admittance is free and everyone will be welcomed.

Thirty Minute Periods Allowed.
Upon returning to school Tuesday from a three-day vacation, the students were pleased at the announcement of Principal Brown that 30-minute periods would prevail and that school would close at 1 o'clock p. m. because of lack of facilities for preparing luncheons, due to the lack of gas. This ruling held good over Wednesday, but cook stoves were provided Thursday and the old order of things resumed.

No Gas Cuts Candy Sale.
The lack of gas at Winnetka the past few days was responsible for

the small returns received from the girls' candy sale, last Tuesday afternoon. Only one-half of the candy promised was received, and the receipts from the sale were cut down accordingly. \$10.05 was realized toward helping the young ladies defray the expense of cuts and other expenses connected with their issue of "Echoes." Another method of raising funds will be tried out some time next week.

The high school was favored Wednesday morning of last week by Miss Shipley of Cincinnati, who sang two groups of songs as follows:

1. a Gray Days Johnson
 - b. The Star Rogers
 - c From the Land of the Sky-blue Water Cadman
 2. a "One Fine Day" from Madame Butterfly Puccini
 - b I Hear a Thrush at Eve. Cadman
 - c The Birth of Morn. Leoni
- For encores Miss Shipley sang two songs from Wells, "The Owl" and "Why."

LINCOLN DAY AT NEW TRIER
Appropriate exercises commemorative of Lincoln's Birthday were held at a special general assembly Friday morning of last week. The program as given follows. Musical Director H. E. Cotton led the singing and Miss Ethel Flentye accompanied on the piano.

1. My Country 'tis of Thee.... School
2. Lincoln's Second Inaugural Speech Dane Fuller
3. Battle Hymn of the Republic School
4. The Life of Lincoln. Miss L. Ulrich
5. Star Spangled Banner. School
6. Announcement. H. E. Brown
7. My Country 'tis of Thee.... School

FIRE FIEND DESTROYS ARDEN SHORE BUILDINGS

Philanthropic Camp on Lake Bluff Practically Wiped Out By Flames Was Haven for Unfortunate.

Friends of Arden Shore will regret to learn that a fire at the camp Saturday night completely destroyed the big summer dining room, kitchen, store room, pump house and administration building.

The latter building was the gift a few years ago of Mrs. J. McGregor Adams of Highland Park and besides being used as an administration building in summer, served in winter for the work done by this association for convalescent men.

This winter camp at Arden Shore is the only place besides the Jewish Home where men patients discharged from the County hospital and the wards of other hospitals may be sent to stay until they are strong enough to return back to work.

At the time of the fire there were fifteen men in camp besides a cook and housekeeper and the caretaker, who lives there the year around. There is no cause known for this fire. The thermometer was eight below zero and a high wind blowing but despite their disabled and half sick bodies, these convalescent men worked heroically with the caretaker and housekeeper to save the Baby-fold (a building used in summer for an Infant Welfare station). The loss of these buildings forces the board of managers to discontinue this work for convalescent men during the remaining winter months.

The recognized value of the work done at Arden Shore camp, not alone in giving summer outings to more than 1,900 mothers and children each year, but also in doing the convalescent work for the men in winter, makes the board of managers confident that those who have so generously supported the camp in the past will at this time of real emergency contribute, not only toward maintenance for the coming summer but also toward helping to replace both the buildings and the equipment lost by fire.
