

SOCIAL EVENTS AND PERSONAL NOTICE

THE North Shore Catholic Woman's league held its regular monthly meeting Thursday afternoon at the Winnetka Woman's club. It is customary for the month of March to be set aside for the nominating of officers for the ensuing year, therefore nominations were in order. Evidently the members discussed the nominations among themselves, for as soon as the name was proposed the nominations were closed; only in two instances were other names proposed.

Mrs. Grant of the Suffrage Amendment Alliance of Chicago gave a ten-minute talk. She said, in part, "The object of the alliance is to secure an amendment to the Illinois constitution granting full suffrage to the women of Illinois and to secure an amendment to the United States constitution granting suffrage to all women of the United States. In 1870 the present constitution of Illinois was adopted; since that time eleven amendments have been submitted, of which seven have been carried in spite of all restrictions. Woman suffrage is popular; men have noted the simple, dignified and logical way in which they vote and the home has not been disrupted because the dinner was not prepared. The most positive method of acquiring complete woman suffrage is to constantly remind the legislators. Illinois men have granted many privileges to Illinois women and are more ready than ever before to crown their efforts by woman's complete enfranchisement."

Mrs. H. A. Morin, with the assistance of the Young Ladies' auxiliary, contributed an excellent program. Miss Mabel Higgins of Hubbard Woods played an instrumental solo. Miss Edna Dolmage, from the Bergey Opera school of Chicago, rendered three vocal selections, and Miss Winnifred Stockwell, from the Anna Morgan School of Expression, gave two readings.

The program was followed by a social hour, with Mrs. J. A. Teske and Mrs. A. E. Tilroe presiding at the tea table.

The matinees which have been given under the auspices of the University circle and Woman's club at the Strand theater on Saturday afternoons have proved so successful that they will be continued through the month of March. These performances are chaperoned by members of the circle and a number of the girls from the university act as ushers. "Let Katy Do It," featuring Jane Grey and Tully Marshall; also a Burton Holmes Travelogue picture and a Bray cartoon will be the program for this Saturday. The first performance starts at 2 and the second at 4 o'clock. The proceeds from these matinees will go to the building fund for the woman's building of the Northwestern university.

The Woman's society of the Congregational church will hold its all-day meeting next Wednesday, March 7, in its rooms at Community house. There will be sewing at 10 o'clock, business at 11, luncheon at 12:30 and a program at 1:15. The program will be in charge of the Philanthropic Department and Miss Allen, social service worker of Lying-in hospital, and Miss Christy, head nurse, will be the speakers. These lectures, given in the gymnasium, will be illustrated with moving pictures. Everyone is welcome and it is earnestly hoped there will be a large attendance.

The third and last subscription dance given under the auspices of the social committee of the Parents' and Teachers' association in honor of the teachers is to be held at the Winnetka Woman's club this evening. These dances have been among the most successful affairs of the social season and the committee is planning for a large number of guests. There will be a number of special features during the evening.

The Glencoe committee of the Infant Welfare society will give its annual bridge party for the benefit of the society on St. Patrick's Day. Members of the committee are Mrs. W. A. Kittermaster, president; Miss Benton, Mrs. George L. Walters, Miss Margaret Thompson, Mrs. Samuel Safford, Miss Katherine Zeising and Mrs. C. G. Darling.

Mrs. W. H. Titus of North avenue, Hubbard Woods, gave a luncheon Thursday at the Blackstone hotel for Miss Maud Miner and Frederick Brugger, the author of "Voltaire," the play which Miss Miner read in the evening at her recital in the assembly room of the Fine Arts building.

The Winnetka Woman's club gave a very successful social evening at the clubhouse Wednesday evening. There were about 85 guests present who enjoyed the dancing and cards.

The sophomores of Girton school entertained the seniors with a progressive dinner and dancing party, Wednesday evening of last week.

The W. C. T. U. held a meeting at the home of Mrs. J. A. Smurr of Wilmette, Tuesday afternoon. Miss Elizabeth Gordon gave an interesting talk on her association with Frances Willard, telling many incidents of her life. Twenty-two dime cards which read, "Everyone who fills a card, paves with silver a fifth of a yard," were signed by the members of the local union. It is the object of the Illinois W. C. T. U. to get a mile of dimes toward the fund for the dry campaign. The next meeting will be held with Mrs. Susan Salvesson, 561 Fir street.

During the Lenten season the Woman's guild of Christ church are holding their regular weekly meetings on Monday at 1 o'clock, preceded by a luncheon at 12:15. These meetings are devoted to sewing for the Lying-in hospital, the Infants' Welfare society and St. Mary's home. The next regular monthly meeting will be held Monday, March 12, with a business meeting preceding luncheon and a program in the afternoon on "The United Offering. Six short papers will be read by members of the guild.

The Foreign Missionary society met at the home of Mrs. L. C. Norton, on Walnut street, Wednesday afternoon. Reverend Don O. Wood gave an interesting account of his work in India, after which he and Miss Wray of Evanston sang duets, with Miss Ewart as accompanist. Mrs. Walter Dean Peck was the assisting hostess for the afternoon.

Haarth announced at the meeting of the North Shore Catholic Woman's league on Thursday afternoon that he would give a series of instructions on preliminary law, beginning next Thursday at 2 o'clock at the Parish hall in Hubbard Woods. PERSONAL MENTION.

Word has been received that Mrs. Douglas Smith of Hubbard Woods, who is in Brookline, Mass., and has been quite ill, is much improved in health.

Mrs. Joseph Stixrud of Willow street, who is at the Sherman hotel, has recovered from her recent attack of the grippe. Mr. Stixrud, who has also been ill, is slowly recovering.

Dr. and Mrs. Casey Wood of 642 Maple avenue will leave the first of May on an extended trip through Canada. They expect to spend the summer near Montreal. Mr. Harold Keith, who is at present in California, has taken the Wood residence during their absence.

BUSINESS MEN ATTEND BANQUET

(Continued from page one)
Quartette Attractive Feature.

The banquet, provided and served under the direction of the Misses Salvesson, was all that one could desire. Not a man who partook of the good things supplied but what expressed the opinion that it was one of the most bountiful and satisfying meals he had ever enjoyed.

As an added attraction the Metropolitan Male Quartette, a Chicago organization of absolute merit and worth, enlivened the evening with a number of selections that elicited instantaneous applause and calls for repeated encores. F. C. Hollister, leader and manager of this organization, donated its services for the evening.

Further Meetings Planned.
Taking it all in all, the banquet was a huge success. It brought into closer touch the business men from the different parts of the township and helped to promote a better feeling of fellowship and good will. It will be an excellent plan to hold similar meetings at least once a month for the discussion of business plans and methods and the furtherance of the work of the organization along the lines already laid down.

Mrs. Harry Barnum of 735 Walden road gave a dinner party preceding the dance at the Winnetka Woman's club on Wednesday evening.

HAYNES

WHY has the demand for Haynes "Light-Six" grown and grown every day for thirty-two solid months? Why has that demand constantly kept ahead of Haynes production?

The answer is in the Haynes itself—the car that more than satisfies the demand for a big, roomy, handsome automobile, with top-notch power, speed and stamina—all this with an unusually low up-keep cost.

You want good looks in a car—and the Haynes will delight you in that respect. But you also want to know that you are getting a motor and mechanical construction which will stand up to its work and out perform higher-priced cars years in and years out.

Rare have been the instances where a Haynes was available for immediate delivery, so popular has it been. Avoid disappointment—place an order now for the prompt delivery of your Haynes upon the date you select.

The Haynes "Light Six" has given thirty-two months of proof—and that is why the excess of demand over production continues today.

The small-bore, high-speed Haynes motor develops more power than any other of equal bore and stroke. With ordinary road conditions and with regular gear ratio the Haynes gives you at least 60 miles per hour, yet throttles down to one mile per hour on high.

Investigate the Haynes. Higher-priced cars won't give you more—lower-priced cars won't cost you less. Owners' records, by thousands, prove that Haynes upkeep and operating economy outbalance lower cost.

Immediate delivery if desired.
