THOMAS POPE, SPRINT AND BACK-STROKE CHAMPION

Thomas Pope

Probably the most entertaining feature of the dual meet with Evanston for the suburban championship, to be held at New Trier natatorium Friday evening, will be the exhibition of fancy swimming, diving and other water stunts by "Tom" Pope, New Trier's premier water athlete, who has been kept from active participation in the swimming meets by an injured knee, received on the football field.

Thomas Pope made the New Trier swimming team in his freshman year, confining his first efforts in the water to back-stroke work. It did not take him long to show pronounced superiority over the other back-stroke swimmers of New Trier and after demonstrating with ease his ability to give all contenders a clear view of his heels, he turned his attention to the crawl stroke, soon adapting himself to the change and becoming one of New Trier's very best sprint performers.

Elected captain of the swimming team at the end of his sophomore year, Pope started garnering laurel wreaths for New Trier. His first triumph was the winning of the Illinois Athletic club interscholastic meet, capturing first position in the 100-yard back-stroke and the 40-yard swim and winning the relay event by swimming the last lap in record time. In the 40-yard event and the relay, Pope's opponent was Husgogh of Evanston academy, a man considered unbeatable. Pope, however, outswam him in both events, and did it with apparent ease.

Pope's record of performances is one practically unexcelled. In 1915 he won the 100-yard back-stroke at the Northwestern university interscholastic, the 100-yard back-stroke at the Illinois Athletic club interscholastic and also the 40-yard swim in the same meet. In the meet with Beloit college he captured the 40-yard swim and the 100-yard back-stroke and repeated the performance in the meet with the University of Wisconsin. In the 1916 New Trier interscholastic, Pope took the honors in the 100-yard back-stroke event. Many other successes are tied to his record, including wins in the Amateur Athletic Federation events where he proved one of the best contenders.

In the fall of 1916, Pope, not satisfied with his success in aquatic sports, went in for heavyweight football, though he tipped the scales at only 125 pounds. He showed the same spirit on the football field that he displayed in the water, playing an earnest and fearless game at every appearance on the gridiron. As a result of his strenuousness, Pope sustained an injury that developed into water on the knee, cutting him off from participation in athletic sports of any kind.

Many swimmers of great promise have hindered their progress in the pool by taking part in other sports. McDermott, the world's breast-stroke champion; Vollmer, Columbia university and New York Athletic club champion; and others prominent at one time or another in water sports, have received injuries while playing football that materially slowed them up in the tanks. Pope will come back, though. That is a foregone conclusion. He has the spirit and determination that will bring him back, stronger and steadier than ever.

Pope has shown his loyalty to New Trier and its traditions. He has endured suffering that New Trier might win glory on the football battle ground. He has been the personification of the New Trier spirit, even though compelled to give up his favorite sport, temporarily, as a result.

Despite the loss of Pope's services, the New Trier swimming team has been successful in most of the meets held this year. That does not signify, however, that Pope has not been missed. Pope has been missed, many times over. His steady, speedy stroke would have been a valuable adjunct to the work of the team, not once, but many times.

As a crowning bud in his wreath of achievement, Pope was given first call in the back-stroke event when Coach Robinson picked the Western All-Round High school team. A fitting reward for persistent and consistent endeavor.

NEW TRIER HEAVIES WIN AT BASKETBALL FRIDAY

Snatch Victory from Morton by Score of 19 to 17—Success Celebrated by Dance on Gymnasium Floor.

By the narrow margin of two points New Trier's heavyweight basketball team snatched the laurel wreath of victory from the Morton heavies Friday night. 19 to 17 was marked on the score board when the final whistle blew. When the game, played on New Trier's floor, had been brought to a close, a piano was moved into the gym and the local boys' success properly celebrated with an impromptu dance. J. Walter Nelson at the piano, Walter Baxter picking the banjo and David Roberts manipulating a saxophone, furnished spirited music for the dancers.

OAK PARK AND NEW TRIER TIED

The Lightweight Basketball Suburban Championship Still to Be Decided. Full of pep and ginger, the members of New Trier's lightweight basketball team journeyed to Oak Park, Friday night last, confident of capturing the Suburban Lightweight Championship by defeating the Oak Park boys. "There's many a slip 'twixt the cup and lip," however, and the Kenilworth boys failed to bring home the bacon, dropping the game to the Parkites 15 to 11, creating a tied condition for first honors. The deciding game will be shortly played on the Evanston floor, and it is expected to be a hummer.

WILL PLAY OFF TIE

Lightweight basketball teams of New Trier and Oak Park will play off the tie for the suburban championship in Patten gymnasium, 7:45, Saturday evening. Everybody come.

SUBURBAN TRACK MEET AT EVANSTON SATURDAY

High School Athletes Will Compete for Honors in Patten Gym—Local Boys Now Hold Second Place.

Suburban track meet championship contests will hold the stage at Patten gymnasium, Evanston, two o'clock, Saturday afternoon, when athletes from Oak Park, LaGrange, University High, Evanston High and New Trier High will compete for honors. The athletes composing the different teams are about evenly matched, insuring a lively meeting and close decisions.

La Grange now holds the senior championship with New Trier second and holder of the Junior championship. New Trier's relay team won the banner last year and Captain Don Pattison was awarded the individual cup. The New Trier entries are as follows:

Senior Events.

- 50-yard dash—Canning, Stone, Prescott.

SENIOR CLASSES PROVIDE FUNDS FOR LITERARY ROOM

The statement made in New Trier Bulletin last week that the board of education had given \$1,000 to be expended in redecorating and furnishing the literary room, was an error due to wrong information furnished the reporter. The money has been forthcoming but most of the amount has been contributed by the senior classes who have, for a number of years past, been collecting and adding to a fund established for this purpose. The board added a small sum to complete the necessary work and carry out the Gothic style that predominates in the decorative scheme.

BOYS WILL ISSUE "ECHOES"

The next number of "Echoes" will be edited by the boys, and they intend to outshine the excellent number that the girls have just edited. To obtain money to pay for cuts and other extra expenses connected with the issue, the boys will give a subscription dance March 23 in the girls' gymnasium.

SWIM AT MILWAUKEE

New Trier's aggregation of water artists, accompanied by Coach Hyatt, Manager Watson and Staff Manager Harry Kirtland, will depart Saturday morning en route to Milwaukee to try conclusions with the Y. M. C. A. swimmers of that balivick.

DEBATING PRACTICE ON

In preparation for its annual debate with the Zenobians, the Senate is holding a series of interesting practice debates. Enthusiasm and "pep" predominate in the ranks of the Senators who are confident of winning a glorious victory over their long-time rivals.

SPECIAL CONCERT PLEASING

The orchestra and Girls' Glee club gave a high class musical program last Friday morning at a special General Assembly. Mrs. Homer E. Cotton and Mr. Walton added to the excellence of the entertainment with their violin numbers.

NEW NEWS FOR NEW TRIER

Miss Grace Eager, 1312 Elmwood avenue, Wilmette, will be hostess to the Victorians Wednesday, March 14. Regular business of the society will be taken up at this time. The meeting will be called to order promptly at 3:20 p. m.

The school desires to extend its sincere sympathy to Mrs. F. L. Arnold, bereaved in the recent death of her mother-in-law, Madame Arnold.

Professor Osborn McConathy called upon H. E. Cotton, Monday, relative to representative from New Trier at the annual May festival in Evanston.

Miss Louise Bird is detained at home by a quarantine, created because of her sister's illness from scarlet fever.

Francis Mason, who has been confined to his home with a broken leg, is reported getting along nicely.

Professor G. A. Harper, assistant principal, is confined to his home because of chickenpox.

Miss Kohlsaat, assistant to Osborn McConathy last year, was a guest of the school last Friday.

Roberta Skinner is confined to her home with an attack of measles.

A FLAG ESCUTCHEON FOR EVERY SCHOOL IN STATE

In these critical days there has come a distinct revival of sentiment towards the flag. It is, therefore, a most appropriate thing that Mr. and Mrs. George D. Roper, of Rockford, should have printed a beautiful escutcheon containing the stars and stripes with a brief statement of the history of its development and other facts of interest concerning it. It is, also, most appropriate and gratifying to have this escutcheon offered free to every school in the State. It is the plan to furnish the county superintendent of the county with a sufficient number to supply all of his schools. When the escutcheon is received it should be hung in a conspicuous place in the schoolroom.
