WOMAN'S GUILD HOLD INTERESTING MEETING

The Woman's guild held its regular monthly meeting at the parish house last Monday, with luncheon at noon, followed by a program, a symposium on the subject of "The United Offering." Six short papers were read by members of the guild; the first, entitled "Its Origin," was presented by Mrs. Donald Dallas; "The First Fruit," by Mrs. George Keiser; "The Women Waiting for It," by Mrs. Frederick Greeley; "The Women Working for It," by Mrs. Ernest S. Ballard; "Increase," by Mrs. Herman B. Butler, and "The Triennial Presentation," by Mrs. Ira Couch Wood. After the readings the members listened to an address by Mrs. B. A. Crowe, treasurer of "The United Offering" of St. Augustine's church in Wilmette, on the work being done in this department of the church.

CLUB MEMBERS JOIN IN SMOKER

Preparedness and Royal Arcanum Get Together for Good Time Monday.
The Preparedness club and the Royal Arcanum gave a joint smoker at Community house last Monday evening. The first named was host at the spread which was served while the latter society furnished the program. The Scott brothers entertained with music on the accordion and violin, and William Dameski and Louis Koch sang.
At the next meeting, to be held at Community house Monday night, there will be a debate on "Should Secondary Schools Adopt Military Training?" with John Wood and Edward Runfeldt for the affirmative and Arthur Anderson, William Dietz and Pete Lucchesi supporting the negative. The judges will be U. C. Abel, C. J. Anderson and Arthur Randl.

TO GIVE PLAY WEDNESDAY EVE.

Arrangements have been completed for the presentation of "The Golden Jubilee," a playlet of worth and interest, following the second church dinner at Community house next Wednesday evening. The program is in charge of the ladies of the Congregational church which is sufficient recommendation of its excellence.
Mr. and Mrs. John Buckingham, 266 Linden avenue, have returned from a month's stay in Arizona.

REMEMBER! REMEMBER!

Soon, when you are putting away winter clothes and looking over summer ones, be sure and send what you cannot use to the Old Clothes Department of the Winnetka Relief and Aid society, in care of Miss Kate Dwyer, 858 Elm street. Your grocer will deliver without charge.
If you do not otherwise contribute

to this society, will you not become member and help to assume this community responsibility by sending your membership fee of one dollar or more to the treasurer, Mrs. Victor Elting?

CARLTON PROUTY

Is a candidate for JUSTICE OF THE PEACE at the Township election to be held April 3, 1917.

He is not opposing Mr. Northrop or Mr. Nelson, who are candidates for POLICE MAGISTRATES at the Winnetka Village election.

Judge Prouty is a member of the bar of the Illinois State Supreme Court, of the United States Circuit and District Courts, and of the United States Supreme Court, and is serving the last month of a four-year term as Police Magistrate of Winnetka.

During this term he has heard and decided 1559 cases of all kinds. Of the 750 cases instituted by the Winnetka Police, the Village Attorney, the Health Officer and other Village Officials, he has been selected by them to hear 606.

He has imposed, collected and turned into the Village Treasury fines to the amount of \$2053.00. He has convicted Blind Pig Keepers, backed up the Juvenile Protective Association, stood by the Probation Officer, protected unfortunate women, sent Bums to the Bridewell, Wife-Beaters to the rock-pile and Burglars to the Grand Jury.

He has enforced the Village Ordinances without fear or favor, has never dodged or shirked an official duty, however unpleasant; and has, through his Court, enforced law and order in Winnetka as it has not been enforced for ten years.

Therefore his friends, and others who have not heretofore been his friends, hereby appeal to voters who believe in courage, backbone and efficiency in a Public Official, to support Judge Prouty at the polls.

CASH AND CARRY PLAN WINS!

I WANT to thank the patrons of my store for the prompt response to my announcement in this paper of the new plan of selling Groceries, Provisions and Fruit.

I felt sure this plan was what was needed in this community, to assist in reducing the cost of living, and the way the people turned out proves beyond reason that this is the plan that will be adopted by all live merchants.

We have proved that the same high grade goods could be sold as cheap as any other store, and cheaper than most other stores.
