THE HARMONY RAG PICKERS JASS BAND

Organized about two months ago, the New Trier Harmony Rag Pickers Jass band has played itself into the hearts of the students and no affair is now considered complete without the presence of this musical combination. The band is the outcome of a suggestion from Coach Hyatt and Manager Watson of the swimming crews, who felt the need of musical inspiration to inject the necessary pep and enthusiasm into their men at critical moments.

Harry Paynter, banjo picker and manager of the band, worked out the suggestion, enlisting the services of Fred Goodspeed at the piano, Burt Smith with a saxophone, Dick Goodspeed on the violin and Claude Haynes as drummer. The Harmony boys first appeared at the big Suburban Championship meet with Evanston, infusing the winning spirit into the New Trier lads with their lively rendition of popular airs. The success of last Friday night is attributed partly to the energy and enthusiasm of the Jass Band and the water dogs are unsparing in their praise of the organization's efforts in their behalf. The members of the band have been practicing faithfully and tirelessly and can now play the very latest in ragtime and dance music. They propose to be on the job whenever inspiration and ginger is needed, not only in the athletic departments but in other divisions of the school activities.

KNIEBEL BREAKS RECORD

Victor in Junior Forty-Yard Event at Chicago Championship Meet Saturday Night; Robins Second.

New Trier boys added additional laurels to the reputation of the high school swimming contingent, last Saturday night, when Knebel won the Junior 40-yard swim at the Division street Y. M. C. A. in Chicago with the record breaking time of :22 3-5, clipping 4-5 of a second off the mark hung up by Blake. Robins of New Trier took second honors. In fancy diving Robins secured second place with 43.8 points. This meet was one of the largest ever held in Chicago, 138 competing.

NEW TRIER BREVITIES

At the last meeting of the Zenobians a practice debate was held as a preliminary to the annual debate with the Senate, to be held shortly.

The members of the Elizabethan society met at the home of Miss Ruth Kasten Thursday afternoon. A reading of current events was given by Miss Dorothy Dennett and a short talk by Miss E. E. Packer. Following a debate on "Should the students go to their lockers during periods," light refreshments were served.

Plans were discussed at last week's meeting of the Girls' Athletic association for a camping trip sometime during the summer vacation. Miss Edna Eisendrath was appointed collector of delinquent dues.

Subjects selected from articles appearing in Literary Digest, The Independent and The Outlook, will be used as material for extempore speaking, next Monday morning at General Assembly.

The track meet between New Trier and Evanston academy, scheduled for last Friday night in connection with the Northwestern-Chicago meet, was called off by the universities. This meet will be held in the near future.

Jacob Griener, Jr., is absent from school because of an attack of measles.

KENILWORTH SWIMMERS WIN CONFERENCE MEETS

New Trier Seniors and Juniors Sweep All Before Them in Suburban High Championship Events Friday.

Last Friday night marked another stride in the forward march of New Trier swimmers, the local boys winning the Senior and Junior championships in the Interscholastic meet of the Chicago Suburban High School Conference, held in the Kenilworth natatorium, by wide margins.

Schaefer, Pope, Stafford and Robins performed with their usual ease and unconcern, sweeping all before them. A new Suburban record for the 160-yard relay of 1:26 2-5 was hung up by the Seniors, bettering the old record held by Evanston high by :02 2-5. The Juniors placed a new record of 1:06 3-5 for the 100-yard swim and one of 30 seconds for the 40-yard back stroke.

World Champions Perform.

In the water exhibitions preliminary to the main events, Helen Stafford, a 14-year-old New Trier freshman, swam 40 yards in 27 4-5 seconds. Paul Corbett, a student at Sears Grammar school, Kenilworth, swam 20 yards in 12 2-5 seconds, equaling the best time made in this section for boys under 12 years of age.

Charles Pavlcek, intercollegiate back stroke champion and holder of the world's record for 150 yards, swam that distance in 1:59. G. H. Taylor, intercollegiate breast stroke record holder, negotiated 100 yards in 1:13 1-5. Leslie Jones of Carter Harrison High school did an exhibition 220-yards in 2:27 flat. One timer only was used.

DEAR MADAM:

The spring cleaning time is at hand and, in view of so many advertised rug cleaners in the city and vicinity and the schemes which they use to secure your patronage, we will frankly give you some facts of this business which the average woman does not know.

- First.** Most of these expert cleaners do the work by machinery, which, although done in less time than by hand and at a smaller expense, is very injurious to the rug, takes the life out of it and, in the course of a very short period, renders it useless.
- Second.** They specify, in order to secure business, that a certain percentage of the profits will be donated to some benevolent society, which has to be borne by the customer.
- Third.** They hire any Tom, Dick and Harry, who are, of course, unfamiliar with this sort of work, and who work with the view of completing orders in scheduled time, regardless of efficiency of work.
We do all of our work entirely by hand, and give our best endeavor to furnish our customers with first-class service and workmanship. We do not employ unskilled labor. All the work is in the care of experienced and efficient workmen, who received their training in various workshops in Europe.
- Fourth.** This business was established in the year 1906 by five brothers, who have, since that time, opened up an extensive trade and have therefore proved the superior quality of their workmanship.
In order to emphasize our statement to prospective customers, we will gladly clean a small size rug free of charge for approval.
Hoping to have the pleasure of your patronage, we are,

Very truly
EVANSTON CARPET CLEANING CO.
L. H. Koshgarian, Mgr.
