

### NEW TRIER CITIZENS' TICKET WINS VICTORY

Makes Clean Sweep of Township Office Tuesday—Wilmette and Glencoe Cast Heavy Votes.

Tuesday witnessed the defeat of the North Shore Party ticket and the triumph of the New Trier Citizens' ticket in the contest for township offices. The entire New Trier ticket was elected, the heaviest vote against the North Shore line-up being cast in Wilmette and Glencoe.

The following were elected: Frank P. Collier, commissioner of highways; Nina F. Howard, school trustee; Frederic B. Crossley, Daniel M. Mickey, Asa Q. Reynolds, Henry F. Tenney and James R. Crocker, justices of the peace; Charles Brautigan, Joseph A. Sheppard, Alfred Johnson, Herbert V. Richardson and Henry A. Happ, constables.

### BOY SCOUT EXPOSITION WILL BE HELD IN MAY

Arrangements are being perfected for the opening of the first exposition to be given under the auspices of the Chicago branch of the Boy Scouts of America. The exposition, in which 2,000 boys will take part, will be held May 4 and 5 at the Second Regiment armory, 2725 West Madison avenue.

The demonstrations will include bridge building, the operation of wireless apparatus, signaling, first aid, woodcraft, and the erection of camps. An immense drum and bugle corps is being drilled daily.

Special interest is being manifested in the exposition by the boys because of their probable service in connection with the army in war. The proceeds of the gate will be used for the equipment and enlargement to 15,000 members.

Of course the food price investigators shouldn't be expected to evolve any brilliant new ideas unless their minds are stimulated by high priced cigars.

The same boarder who clamors for potatoes now is the one who used to growl because the landlady was always serving them.

### MILWAUKEE CHAMPIONS WILL MEET NEW TRIER

Promising Water Contests Booked for Kenilworth Tank April 14—Special Feature Exhibits.

New Trier swimmers are preparing for the big event next Saturday, April 14, when the champions of Wisconsin, the Milwaukee Y. M. C. A. aquatic aggregation, will endeavor to lift the scalps of the Kenilworth water dogs in a meet to be staged in the local natatorium.

The Milwaukee team has been materially strengthened by the addition of several ex-college stars, including Harold Buckland, former University of Pittsburgh and Leland Stanford university premier swimmer. In the 80-yard back stroke Buckland easily forged away from Dennett, New Trier's best swimmer in this class, at the meet held a few weeks ago in the Cream City.

The same evening the New Trier juniors will meet the men from Lane Tech in a contest for water honors. The Jass band has promised to enliven the occasion with new music and several special numbers will be run off as preliminaries. A water basketball game with Evanston High, winners of the Western title, will furnish additional interest.

Those smart fellows who write the articles urging farmers to keep strict sets of books may not be able to locate where they spent more than half of their last week's pay envelope.

From the unmasculine way in which we have stood up for our rights in the recent crisis, perhaps Uncle Sam should be known as Aunt Sam.

Wall street might not feel so averse to war if they could have six hours' advance leak on the information.

Lenten fare is highly disapproved of by a lot of people who are getting ready for a prolonged attack of dyspepsia later on.

It is considered all right in Europe to drown women and children as they ought to be thankful not to be suffocated by asphyxiating gases.

Perhaps Uncle Sam might pass on to congress that cage he was going to put Villa in, as a suitable place in which to incarcerate the stock market leaders after they are caught.

### MACDOWELL MUSICAL CLUB

The club held its regular April meeting Monday at the home of Mrs. Burlingham. The program was from the opera "Carmen." Mrs. Ascheim read a paper and Mr. Ratcliffe, the assisting guest of the afternoon, sang "The Toreador." Miss Green sang "Segurdilla" and "Hananera." An arrangement for four hands was played by Miss Higgins and Mrs. Byron. After the "Carmen," Mr. Ratcliffe sang "Belshazzar," by Schumann; "War," by Rogers, and "A Negro Sermon," by Cook.

### AN EXPRESSION OF LOYALTY

German-American employes at a St. Louis brewery insisted on the discharge of a fellow employee who refused to salute the American flag they had purchased with their own money and hoisted over the establishment. This is precisely what might have been expected from patriotic American employes of German birth or descent.

### SHOULD JOIN THE ARMY

It is said that there are 3,000 civil engineers in this country at the present time who are out of work or only partially employed.

There is a great complaint of the shortage of help, but no one has found any shortage of bosses.

### WINNETKA ELECTION IS QUIET

Northrop Overwhelmingly Defeated Miller — Others Uncontested. Election day in Winnetka was marked by no excitement or unusual activities, so far as the voting for the village ticket was concerned. The candidates presented by the citizens party were naturally elected without difficulty, the only contest being between Messrs. Miller and Northrop for the office of police magistrate. Mr. Northrop defeated his opponent four and one-half to one, receiving 443 votes as against 99 cast for Miller.
