

LOCAL BOARDS WILL CHECK ON SLACKERS

Army Authorities Issue Strict Measures to Physicians in Examining Men Selected By Draft.

WEIGHT STANDARDS SET

Men Will Be Released From Service Only for Actual Disability.

The government is taking every possible precaution to prevent slackers from escaping military service by simulating illness and false claims of physical deficiency. Only serious physical deficiencies will be deemed to unfit a registrant from military service.

Rules Adopted.

The rules prescribe that all men presenting themselves for exemption must be stripped. A standard height, weight and chest measurement is first set forth for guidance of the physicians. These figures range from a height of 5 feet and 1 inch to 6 feet and 6 inches. The standard weight for a man 5 feet 1 inch tall is given as 118 pounds, his chest deflated at 31 inches, and inflated at 33 inches.

HOOVER URGES HOTEL MEN TO CHANGE MENU

Cafe Men Are Asked to Enlist in the Nation's Food Campaign.

Hotel and restaurant men of the country are now being enlisted in the food conservation army by Herbert Hoover, commanding general temporarily, for lack of an official title which congress continues to wrangle about. In a preliminary conference with eastern hotel men reports were submitted recommending first that the hotel men of the country print on all their menu cards the following:

Urge General Economy.

A general economy program outlined by the hotel and restaurant men was submitted to the food administration as follows:

- One wheatless day each week or one wheatless meal each day is recommended, with adequate substitutes.
Baby lamb and suckling pig to be taken off the menu entirely; veal, lamb, sweetbreads and calves' liver eliminated three days each week.

Take Candy Off Menu.

Candy to be taken off menu entirely and no sugar to be used in the manufacture of table decorations. Reduce so far as possible the use of cake.

The restauranters recommend that untrimmed sandwiches be not served, and this means 8 per cent waste. Many recommendations are made for the proper serving of fish and fowl and of fruits and vegetables.

The program for saving is purely suggestive, but represents the sentiment of the organizations as expressed through their committees. They suggest that the proposed plans for saving be recommended to all restaurants and hotels throughout the country for their guidance and co-operation.

ATLANTA ISSUES CODE TO REGULATE TRAFFIC

Pedestrians Must Obey Policeman's Signal, Same as Drivers.

Pedestrians in congested districts of Atlanta, as well as the procedure of motor car drivers in discharging passengers and parking cars, are affected materially by the new city ordinance now in effect. Pedestrians must not attempt to cross a street when the traffic officer signals that vehicles must stop.

No motor car may back into a curb, except to discharge or pick up passengers, and then can remain in this position only long enough to discharge or pick up same. All cars must park parallel to the curb, and there are very few downtown streets on which a car may park.

of disabling type, irreducible or false joints, severe sprains, trophy, paralysis, permanent contraction of the muscles, etc.

Hands, webbed fingers, extension or loss of motion of one or more fingers; loss or serious mutilation of either thumb; total loss of index finger of right hand; total loss of any two fingers of the same hand; loss of second and third phalanges of all fingers of either hand.

Kenilworth

THE board of registration for Cook county has published an official list of the men registered for military service from the township of New Trier. The executives request that all registrants, citizens and officials should assist in having all men eligible for service registered under the army draft provision passed by Congress.

The names of the men appear under the precincts in which they registered.

Seventh Precinct.

VILLAGE OF WINNETKA

SPECIAL ASSESSMENT NOTICE

Winnetka Special Assessment Number 267.

Notice is hereby given to all persons interested that the Village of Winnetka, Cook County, Illinois, having ordered the improvement of both sides of Washington Street from the present walk along the south side of Willow Street to a line seven (7) feet four (4) inches south of the north line extended of Windes Street; also for the improvement of both sides of said Washington Street from a line seven (7) feet four (4) inches north of the south line extended of said Windes Street south to a line seven (7) feet four (4) inches south of the north line extended of Mt. Pleasant Street; also for the improvement of both sides of Windes Street from the proposed walk along the west side of Washington Street west to the west line extended of Renaud's Subdivision; also for the improvement of both sides of said Windes Street from the proposed walk along the east side of said Washington Street east to the east line extended of said Renaud's Subdivision; also for the improvement of the north side of Mt. Pleasant Street from the proposed walk along the east side of said Washington Street east to the east line extended of said Renaud's Subdivision; by the construction in said streets of a Portland cement gravel or crushed stone concrete sidewalk five (5) feet four (4) inches in width, laid on six (6) inches of cinders, including all grading, preparation of subgrade and the removal of surplus excavated materials, all in the Village of Winnetka, County of Cook and State of Illinois, the ordinance for the same being on file in the office of the Village Clerk of said Village, and the

said Village having applied to the County Court of Cook County, Illinois, for an assessment of the cost of said improvement according to the benefits, and an assessment and a revised assessment therefor having been made and returned to said Court, Docket No. 267, the final hearing thereon will be held on the twenty-third day of July, A. D. 1917, or as soon thereafter as the business of the Court will permit. All persons desiring may file objections in said Court before said day, and may appear on the hearing and make their defense. Said ordinance provides for the collection of said assessment in five (5) annual installments with interest thereon at the rate of five per centum (5%) per annum.

Dated, Winnetka, Illinois, July 6, A. D. 1917.

HARRY I. ORWIG, Person appointed by the President of the Board of Local Improvements of the Village of Winnetka, Cook County, Illinois, (and such appointment approved and confirmed by the County Court of Cook County, Illinois) to make said assessment. FREDERICK DICKINSON, Village Attorney.

VILLAGE OF WINNETKA

SPECIAL ASSESSMENT NOTICE

Winnetka Special Assessment Number 268.

Notice is hereby given to all persons interested that the Village of Winnetka, Cook County, Illinois, having ordered the construction of an Air Compressor Plant in Sheridan Road approximately eighteen hundred (1800) feet northwesterly as measured along the center line of Sheridan Road from the north line extended of North avenue, said proposed air compressor plant to operate the present sewer ejectors now located in said Sheridan Road approximately eighteen hundred (1800) feet northwesterly as measured along the center line of Sheridan Road from the north line extended of North avenue in the Hubbard Estate Subdivision, all in the Village of Winnetka, County of Cook and State of Illinois, the ordinance for the same being on file in the office of the Village Clerk of said Village, and the said Village having applied to the County Court of Cook County, Illinois, for an assessment of the cost of said improvement according to the benefits, and an assessment therefor having been made and returned to said Court, Docket Number 268, the final hearing thereon will be held on the twenty-third day of July, A. D. 1917, or as soon thereafter as the business of the said Court will permit. All persons desiring may file objections in said Court before said

day, and may appear on the hearing and make their defense. Said ordinance provides for the collection of said assessment in five (5) annual installments with interest thereon at the rate of five per centum (5%) per annum. Dated, Winnetka, Illinois, July 6, A. D. 1917.

HARRY I. ORWIG, Person appointed by the President of the Board of Local Improvements of the Village of Winnetka, Cook County, Illinois, (and such appointment approved and confirmed by the County Court of Cook County, Illinois) to make said assessment. FREDERICK DICKINSON, Village Attorney.
