The members of the troop will enjoy army life without the camp cooked food. Meals will be served to the boys at a summer resort one-half mile from their camp.

## ARDEN SHORE WOMEN TO PLAN BIG AUGUST FETE

Local Women to Assist in Making Second Picnic a Success.

Arden Shore camp is soliciting subscriptions to carry on the summer camp for the mothers and children and for taking care of the convalescent men in the winter months. The amount required for this work is \$20,000. During the campaign for funds the camp is being conducted under great difficulty on account of the limited amount of money for this work.

The camp officials expressed their appreciation to the picnickers for the many donations of vegetables and garden supplies.

Arden Shore has always been distinctively a north shore philanthropy, having as officers and managers, as well as a great number of contributors, residents of Wilmette, Winnetka and Glencoe.

In spite of the undesirable weather on Monday a very successful picnic was held at the Arden Shore camp, with many women from the north shore towns present.

Preceding the picnic lunch a board meeting was held, at which Philip S. Post made the announcement that the two gifts donated by Mrs. Montgomery Ward and Miss Marjorie Ward, with the insurance received from the fire of last winter, would enable the Arden Shore society to pay for the new buildings being erected. Mrs. Post also stated that \$2,000 is required to replace the equipment which was destroyed in the fire.

## CAMPBELL CITED AGAIN FOR BRAVERY AT FRONT

Kenilworth Pilot Downs German After Thrilling Air Duel.

Sergt. A. Courtney Campbell of Kenilworth, who has been cited for bravery in the official reports from France, won another air duel which lasted for fifty minutes in full view of his comrades with a German battleplane.

Campbell finally killed the observer and then the German pilot dashed away in retreat. Campbell pursued, the pilot corkscrewing and fell great distances in the sky, but the Kenilworth aviator trailed him one hundred feet above the German lines amidst a hail of bullets and shells, striking down the German behind the German lines.

Finally a shell tore off a wing of Campbell's machine, but he established a precedent by landing safely.

## BEWARE

THE village board of Wilmette, on July 17, passed an ordinance turning over Sheridan road in Wilmette to the Lincoln park board for policing and maintenance. J. H. Hardin, vice-president of the Lincoln park board and chairman of the executive committee of the Sheridan Road Improvement Association, was the father of the bill enabling the Lincoln park board to take over roads forming a continuation of park drives. The bill authorizes the board to act as a maintenance contractor for any village which agrees to furnish funds for the purpose. Wilmette has now authorized the use of money already raised by special tax levy to pay bills incurred by the park board.

Beginning next Saturday, squads of park policemen will patrol the road and speeders who violate the regulations applying to park drives will be promptly taken in hand.

The new law is applicable only where permanent pavement has been laid, and this is now true through Wilmette, New Trier township and Kenilworth. In effect, this makes a park boulevard through Wilmette, and probably within a short time it will be true through New Trier and Kenilworth, which has complied with the law in building concrete or brick pavements and are now in position to give maintenance to the park officials.

## NAVY LEAGUE BENEFIT IS PLANNED FOR JULY 28

The officers elected were Leo M. Dean, president; C. C. Schultz, vice-president, and A. L. Adams, secretary. The members of the board of directors of the organization were re-elected.

The association will hold its annual picnic at the Skokie playfield in Winnetka on August 16. The president was authorized to appoint a committee to arrange for the entertainments for the gala day. The monthly credit rating department has been very successful. Each merchant furnishes the secretary of the association, on the 15th of each month, a rating list of all customers in arrears more than thirty days. The exchange of the credit lists checks the business men's loss on bad accounts.

The aim of the association is to lessen the merchant's loss with bad accounts and not to deprive the people of their credit.

## WINNETKA MAN FINED BY JUSTICE DUNSHEE

R. E. Ellis, 1039 Hubbard lane, was fined five dollars by Police Magistrate E. P. Dunshee for speeding in Wilmette. Albert Ottone, motorcycle policeman, stopped Ellis while he was going north Monday evening and, after a heated argument, they proceeded to the village hall to have Mr. Dunshee settle the dispute.

After paying the fine imposed by the Wilmette justice, Ellis jumped into his machine and started for Winnetka. In turning his car around he backed into the motorcycle of Ottone which was standing behind Ellis' machine.

Ottone, hearing the crash, ran to his machine and gave chase to Ellis. The Wilmette auto chaser caught up with Ellis' car near Hubbard hill and, after demanding that he stop, Ottone fired a bullet, puncturing one of the tires on Ellis' machine.

When notified of the damage done to Ottone's motorcycle, Ellis telephoned Justice Dunshee and he was told to appear in court at Wilmette on Tuesday afternoon.

Following the hearing in Wilmette, Ellis was asked to pay for the damage done to Ottone's machine. Accepting the court's order and readjusting the policeman's garage bill of \$35.75, Ellis was dismissed.

## JUNIOR CITY COURT TO HEAR CASES ON MONDAY

Athletic and sewing contests for the members of the junior city of the Wilmette playgrounds have been arranged as part of the program for next week. The assembly meetings will be held on Monday afternoons at 4 o'clock and two cases are on the court's docket for trial at the next meeting.

John Huck won the blue ribbon in the boat contest held last Friday, with his miniature battleship. The second prize was awarded to James Gathercoal, and Ralph Rowland won third prize with his reproduction of a river tug.

The story hours, conducted by the Misses Blake and Rennecker, will be continued, and they will be held on Wednesdays and Fridays at 2:30 o'clock.

Applications were received from the North Shore Protective patrol to serve in Wilmette. This communication and the application of Charles Brantigan, Jr., for policeman, were referred to a committee for action.

The council voted to give the Washington Improvement association \$100 to assist in paying for the improvements on Washington avenue. This money will be taken out of the fund created through the license fees paid to the village by automobile owners.

## WILMETTE WOMEN SHIP ARTICLES FOR LEAGUE
