

## RECRUITS SIGN FOR SERVICE IN MILITIA

North Shore Towns Asked to Furnish Four Companies to Assist in Protecting State from Outbreaks.

### ENCAMPMENT IS PLANNED

Equipment to Be Furnished to Men Enrolling for Service.

Colonel James E. Stuart, who has been selected by Governor Lowden to command the new Eleventh Regiment, I. N. G., outlined the necessity of state military protection at a mass meeting held at the Central Avenue school Monday evening. Many men from the north shore towns attended the patriotic meeting and heard the veteran soldier and Rufus C. Dawes of Evanston explain why each man must do their share of the country's fighting.

It is the desire of Colonel Stuart to form four companies of the state militia from the men recruited in the north shore towns. Evanston, Wilmette, Winnetka and Highland Park have been selected as headquarters for the new companies of this military organization.

The officers in charge of the Evanston company report very favorably on their success in recruiting men for the city's company, and the executives expect to fill their roster this week. Wilmette's recruiting officers received applications from thirty men for this service following the mass meeting Monday, and reports from the local headquarters places the local company among the leaders with the number of men enrolled.

#### Winnetka Men Sign.

Winnetka expects to be able to furnish their quota for the new military organization this week, having signed forty-five for this service. The Highland Park company will be ready for its first drill next week, when the officers secure a few men to fill the quota required for a company.

The companies of the north shore will not have to report at the Chicago armory for drills or instructions. These will be given at the Patten gymnasium in Evanston, Central Avenue school in Wilmette and at the Community house in Winnetka and Highland Park. The only time the local companies will have to leave their headquarters will be when battalion drills are ordered.

Capt. Samuel H. Howell, 116 Sixth street, has been placed in charge of the recruiting for the north shore battalion. The local recruiting is in charge of Edward H. Weihe, 144 Hill street; George R. Harbaugh, 1219 Forest avenue, and B. B. Smith, 200 Ninth street.

#### Service Required.

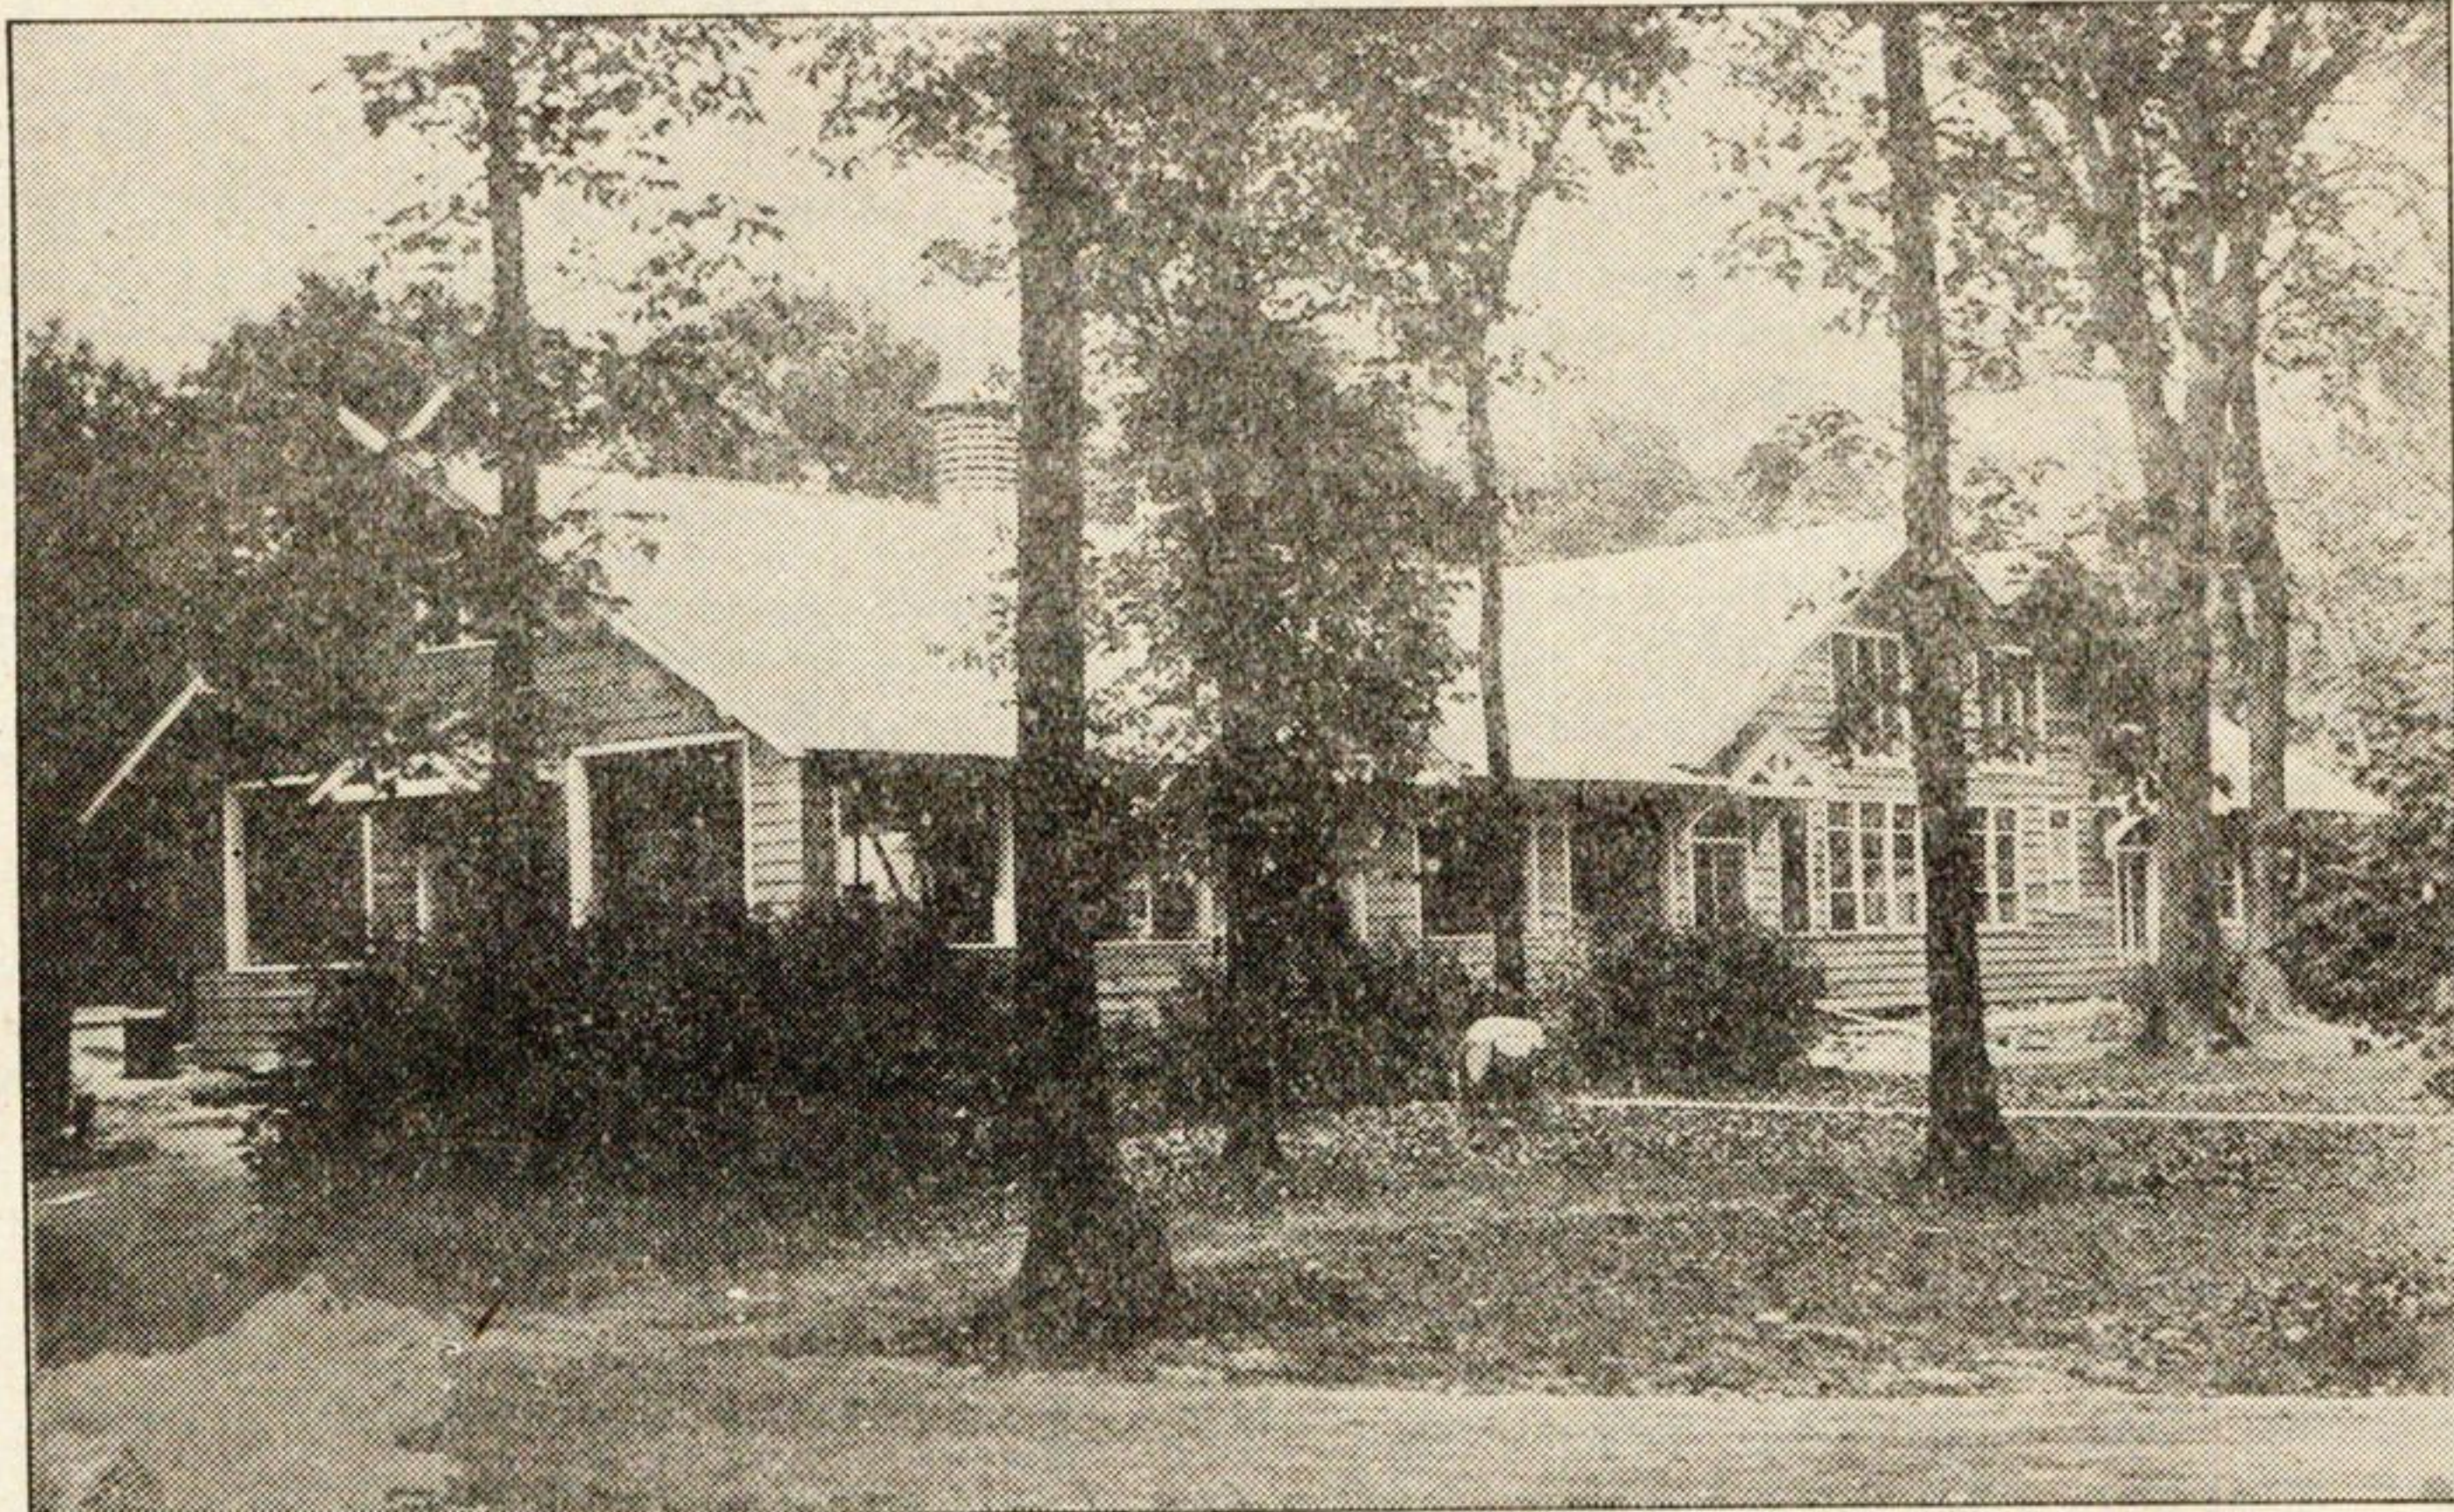

The service to which the Eleventh Regiment is liable is only within the state of Illinois. The drills will ordinarily be conducted at the local headquarters in the evenings, so that the usual business of the members of the company will be interfered with as little as possible. The term of enlistment is for three years, but men will be honorably discharged upon entering the federal service, change of residence or other similar adequate causes. Uniforms and other equipment are supplied by the state, and men are paid during the term of the encampment and when on active service. Enlistment in the local companies offers an excellent opportunity for men who are at present unable to enter the federal army to obtain military experience and to perform the services vitally needed at the present time.

#### Camp for Regiment.

The Eleventh Regiment, when organized, will be sent to camp, either at Camp Logan or Springfield, probably for about two weeks of training in the early part of September. After the return of the local company from camp it will drill at the village headquarters as a unit distinct from the local military training corps.

Recruits are being received daily for the local company. One of the first questions every new recruit asks is, "Will not this regiment be pressed into the state service and perhaps be ordered abroad?" This question has been answered from time to time, whenever the new regiment has been discussed, but there still seems to be a great number of possible recruits to whom it is yet necessary to explain that this particular regiment cannot be mustered into federal service under the law providing for its recruiting.

## Board of Managers of Arden Shore Association Will Open New Buildings for Inspection Next Week

New Dining Hall and Administration Building at Arden Shore Camp.

Many Winnetka women, members of the board of managers of the Arden Shore Camp, are planning an attractive program for the visitors at the north shore camp on August 29th.

The new buildings, erected to replace the buildings destroyed by fire last winter, will make it possible for

the association to continue with added effectiveness its work of providing outings for 2,000 women and children during the summer, and of caring for convalescent men in the winter.

Mrs. Philip Post is president of the board of managers, and the other members are Mrs. J. McGregory

Adams, Mrs. Robert B. Gregory, Mrs. Charles H. Thorne, Mrs. Edward W. Bodman, Mrs. Kent Clow, Mrs. William G. Hibbard, Jr., Mrs. Grant Ridgeway, Mrs. T. E. Donnelley, Mrs. James Simpson, Mrs. John W. Scott, Mrs. Cornelius Lynde, Miss Mabel Dick and Miss Edith Boynton.

## War Activities

By Mrs. Thomas Taylor, Jr.

THE work of the American fund for the French wounded is made particularly poignant for Winnetka people by the departure on August 25 of Dr. Alice Barlow Brown for one of the devastated districts of France.

Dr. Brown, with Miss Van Aken, graduate nurse, and Mrs. Henri Delebecque, official interpreter, with other nurses furnished by some generous contributor, will establish a dispensary near the front for women and children of the locality, many of whom have been living in cellars for the last two years. The condition of the non-combatant inhabitants of these regions is most pitiful.

Babies are born blind for lack of the most rudimentary care, and disease and vermin in most loathsome form are rife amongst the women and children.

All equipment, surgical instruments, bandages, dressings and even alcohol lamps for furnishing heat for disinfecting, must be shipped at once for the use of Dr. Brown. Mr. Sharp, of Sharp & Smith, has most generously contributed a part of his equipment. Anyone wishing to give for this purpose may mail his check to A. F. French Wounded, 60 E. Washington street, or to Dr. Alice Barlow Brown, Lincoln avenue, Winnetka, Ill.

The Chicago Chapter has received an appeal from Major Grayson Murphy, Red Cross Commissioner to Europe, for 1,500,000 knitted sets comprising sweaters, mufflers, wristlets and socks. "Desperate need will exist for these articles among the soldiers and civilian population of France and our other allies before we can get them made," says Major Murphy.

Wool will be given out for knitting these articles at the Parish house, Tuesday and Friday mornings, to those who are expert knitters. Free of charge to women who cannot afford to pay for the wool, and at sixty cents a hank for those who have the cash.

Directions for knitting sleeveless jackets here follow:

Materials: Khaki colored knitting yarn, 2 hanks; or gray for aviators. Needle size "0."

Cast on 80 stitches. (Use double casting.) Knit 28 stitches, bind off loosely 24 stitches for neck. Knit 28 stitches. Knit back and forth on the last 28 stitches for 6 ribs. (Be sure to stop on inside edge.) Break off thread and knit 6 ribs on other shoulder. Cast on 24 stitches on same needle and fasten the thread to thread of first shoulder and then continue plain knitting 20 inches for back of sweater. Then purl 2, knit 2 for 4

inches. Finish off with double binding. Sew up sides, leaving 8 inches for arm holes.

After sweater is finished, a substantial edge for the neck is made as follows: Take up 28 stitches on front of neck (the 24 bound off and 2 on each side). Knit 2, purl 2 for 1/2 inch, connecting at each end with shoulder piece. Bind off very loosely. Repeat for back of neck. Also button hole for two or three inches of arm hole at end of seam.

mother of the late Mrs. Kerry C. Meagher.

#### New Trier to Open.

New Trier High school will be opened for the coming year on Monday morning, September 10. H. E. Brown, principal, will be in his office at the school from September 4 to the 8th.

## Obituary

Funeral services were held yesterday morning for Mrs. Clara J. Anglemire at the Kerry G. Meagher residence in Kenilworth. Interment was at Joliet, Ill.

Mrs. Anglemire died on August 20 in Kenilworth, death following a long period of illness. Mrs. Anglemire is survived by a daughter, Mrs. George C. Gardner. She was the widow of the late Henry Anglemire and the
