

Social Happenings on the North Shore by Ruth Risley

IT WAS a beautiful bridal procession that heralded Miss Catharine Haven ReQua as she approached the altar, Saturday afternoon, at her wedding to Stewart Johnson, and she herself was a lovely bride in a bridal gown of white satin and silver tissue, with a court train of satin falling from the shoulders. Her veil was caught with a coronet of rose lace.

Mrs. Berrien Clark Eaton was matron of honor and wore a gown of orchid tulle, blue sash, and black velvet hat and carried pink roses. The bridesmaids were similarly gowned and also carried bouquets of pink roses. The bridal bouquet was of lilies of the valley and maiden-hair spray.

Miss Florence Lowden, daughter of the governor, was one of the bridesmaids, and the others were Miss Elizabeth Grey, Miss Isabella Holt and Biss Leota Cotter of St. Louis. Little Helen Hardenbergh, niece of the bridegroom, wearing a frock of white tulle and carrying a basket of pink roses, preceded the bridesmaids.

Attending the bridegroom was Major Raymond W. Hardenbergh, his brother-in-law, and the ushers were Haven ReQua and Charles H. ReQua, Jr., brothers of the bride, Roy West, Bowles King, and Harold Osborne of New York. The ceremony was performed in Trinity Episcopal church by Bishop Charles P. Anderson, assisted by the Rev. Henry Batcheller.

There were clusters of ascension lilies and white chrysanthemums in the chancel. The surpliced boy choir preceded the bridal procession to the chancel and sang the "Lohengrin" bridal chorus after the processional. The cross was hung with a cluster of lilies, and following the choir came a huge American flag, borne by one of the choir boys.

The bride is the daughter of Mr. and Mrs. Charles H. ReQua of 3629 Grand boulevard, and the bridegroom is the son of Mrs. Lorenzo M. Johnson of Winnetka. Mr. Johnson is charge d'affaires at the American legation at San Jose, Costa Rica, where the young couple will be at home. There was a large reception following the ceremony at the residence of the bride's parents.

The third and last of the lectures on American Art given by Mrs. Herman Hall at the Art Institute will be on the current exhibit of the American Artists. December 4th is the date. In her last two lectures, Mrs. Hall endeavored to explain the first principles—line, form, composition and color—to the class, which is composed of about thirty Winnetka ladies. It was the idea of the committee, headed by Mrs. Rhodes, to bring the suburban community into more close relations with the great art center which is at their disposal. The pilgrimages may be continued after the holidays.

Winnetka friends of Mrs. Ira Couch Wood will be disappointed to learn that she has taken a furnished apartment near Lincoln park for the winter. Her two daughters, being at school in the east. Miss Louise Wood, a debutante of last season, is continuing her studies at Bryn Mawr, while her sister, Miss Frances Wood, is attending Miss Madra's school in Washington. Mrs. Wood will take up her residence in town upon her return from Grand Rapids, Mich., where she has been visiting Mrs. Clay Hollister.

Mrs. C. McKay has returned to her home in Omaha after a short visit to her daughter, Mrs. C. A. Aldrich of Foxdale avenue. She had previously been in the east with her two sons, who are in a training camp.

Word has been received from Houston, Tex., that the shipment of books and magazines for the cantonment has arrived and are greatly appreciated. Another lot of reading matter is being collected. Contributions can be left at the Winnetka Public Library.

The family of Chester Grover is occupying the Burnham house, 11 Asbury avenue, until spring, when they will move into their own house recently purchased from Mr. Burling, now leased to the Courtney Wests.

The family of Willowby Walling, after two months in the Snell house at 1205 Scott avenue, have returned to their home in Hubbard Woods, which has been remodeled.

Mr. and Mrs. John Boddie entertained Col. and Mrs. Biscoe Hindman of Chicago last week-end at their home on North avenue.

Mrs. Edward Yeomans of 1240 North avenue was hostess at a tea last Friday for Mr. and Mrs. Sebastian Hinton, who have recently moved to Winnetka.

The Morris Townleys have left the Ballinger house on Asbury avenue, Hubbard Woods. They are living in Lakeside Terrace, Glencoe.

A chickenpox epidemic has been reported among the younger children of the public schools.

Miss Charlotte Black, daughter of Mr. and Mrs. Irving C. Black of 576 Oak street, is in New York, taking a course in secretarial work in preparation for a government position. Miss Black is living at the Three Arts club.

Mrs. Marsan Brown returned to Winnetka last Wednesday, after a visit of three weeks with her daughter, Mrs. Basil Thompson, in New Orleans.

Communication

(Continued from page 11)

Skokie school takes care of the first four grades only. The fifth and sixth grade children come to Horace Mann school, the 7th and 8th grade children go to Greeley school, so that it would seem in the latter case the Greeley neighborhood is better served than any other part of the village.

The school board is deeply sympathetic with the parents of Everett Shoemaker, and feel greatly concerned about the conditions on Wilson avenue. The management of the electric road is making an investigation of dangerous conditions for children at the Sunset Road station. Pending a settlement of this question the school board has asked the village council to delegate a policeman to this station. The council has very willingly co-operated in this and a policeman is now on duty when the children come and go from school.

Very truly yours,

BOARD OF EDUCATION,
By Edwin S. Fehheimer,
President.

FOOD DISTRIBUTION is expensive at best. Plenty of food at minimum cost is nation's ideal. To "do our bit" we must help to attain this ideal. Consumer can assist merchants greatly by intelligent co-operation. Systematic planning in ordering of necessities, consideration allowing ample time to economize on expense in putting up and delivering order will help.

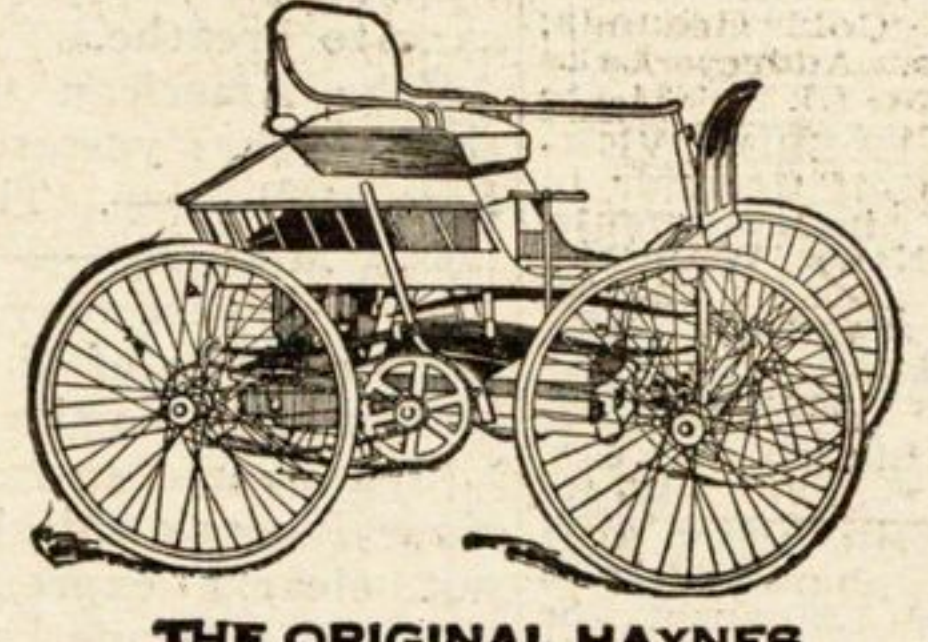

Our duty is our pleasure in distributing High Grade Groceries, Meats, Fruits and Vegetables.

MEN

Do You Know What a Monday Over the Wash Tub Really Means to Your Wife?

It means Drudgery of the hardest type!
It means wearing your shirts out by the destructive method of rubbing the dirt out!
It means wet feet and perhaps doctor bills!
It means that every piece of washable clothing costs you four to five times as much as it should, because they are worn out four or five times as quick as they would be in an EDEN!

Stop This Waste of ENERGY
Stop This Waste of MONEY
Stop This Waste of TIME

Show your wife that you are 50-50 with her by having an EDEN in your laundry on your next wash day; or, come in and let us show you WHY it is an absolute necessity for the sake of your pocketbook.

EASY PAYMENTS IF DESIRED
We will be glad to demonstrate the EDEN and prove our statement that it will earn you 100% each year.
