Rehm, and Miss Beatrix Thorne, the daughter of Mr. and Mrs. George A. Thorne of Winnetka, will arrive on the same train from the East. They also are attending Miss Spence's school.

The marriage of Miss Ruth Hetzel, a teacher in the Winnetka Public schools, and Lieutenant Myron Turner Harshaw, will take place on Saturday evening of this week at the Congregational church. Rev. J. W. F. Davies will read the service at 8 o'clock, and a reception at the home of Mr. and Mrs. Nicholls, on Pine street, will follow. Among the out-of-town guests who will be in attendance at the ceremony are Miss Lydia Hetzel of Stevens Point, Wis., a sister; Mrs. D. Kellogg Green and Mrs. B. C. Sivyer of Milwaukee, Wis.

At the Winnetka Woman's club meeting next Thursday afternoon, besides the program of French music given by the MacDowell Musical club, Miss Alice Gerstenberg will read one of her plays. Miss Gerstenberg is the author of "Overtones," which was played by Helen Lackaye with pronounced success.

The regular meeting of the Winnetka Woman's club was held on Thursday, December 13, at 3 o'clock. Owing to the storm, the meeting was unusually small, but those who ventured out felt well repaid by a most interesting program.

Mrs. Mordock, vice-president, presided and, after the minutes were read by Mrs. Capron, recording secretary, a number of important notices were given out.

The Winnetka branch of the Red Cross wishes it known that it is a properly accredited group and has a certificate of incorporation as Red Cross Chapter No. 8.

Floor space is to be sold for exhibition and demonstration purposes to help defray expenses. Address Robert Gould, 120 West Adams street, Chicago. Exhibits of food calculated to relieve the present strain on the foods most needed by our allies will be appropriate to the occasion as will those of vegetables and fruits—fresh, canned or dried.

Mrs. Alshuler presented a plan for meeting the many demands made upon the club for contributions of many kinds which the club has always taken care of, and which it now finds difficult, owing to lack of rentals, to meet. It was decided to have a war chest and any money given will be most appreciated and should be sent to Mrs. Otis, Mrs. Dean or Mrs. Stein.

Three meetings in January. The first on the 7th, Mrs. McClain will speak on "Meat Substitutes"; the 14th, Mrs. Lieber on "Wheatless Days," and on the 21st, the subject will be "Fate and Sugar." Recipes are requested.

There has been formed a sub-committee of the War Emergency union, with Mrs. Florence Capron in charge as recorder of war archives of Winnetka.

On Christmas Eve, on the common around the Christmas tree, shall be the usual singing of carols.

Mrs. Alshuler, as chairman of the education committee, then took charge of the program. Miss Katherine M. Porter, representative of the Illinois Equal Suffrage association, was introduced. She spoke in a most convincing manner on the important need for a constitutional convention in Illinois.

The marriage of Miss Eleanor Elmer to Lieutenant Horace Tenny, Jr., will take place Monday afternoon, December 24, at Christ church, at 4 o'clock. Rev. E. Ashley Ger-

hart will officiate. Miss Elmer shall be attended by Miss Jeanette Walker of Winnetka and Miss Patterson of Philadelphia.

A Christmas party for the children of Christ church parish will be given at the parish house on Friday, December 28, at 2 o'clock. The Christmas carol service will be given at Christ church on Sunday, December 23, at 4 o'clock. This is a children's service.

The art and literature committee of the Winnetka Woman's club announce a change of program for its next meeting on Thursday, December 27. Instead of the plays presented by a group of studio players, there will be a program of French music given by the MacDowell Musical club. The members of the club are asked to give this notice as wide publicity as possible. It will be an open meeting, each member having the privilege of inviting one guest.

On Monday the W. C. T. U. met at the home of Mrs. Wm. Hamm, Scott avenue, Hubbard Woods. Mrs. J. O. Morris of Chicago spoke on "Sabbath Observance." THE PROVED CAR

HAYNES

The building of a motor car such as the Haynes is a problem in mechanics as much as the construction of a suspension bridge or a tunnel.

Every piece of metal, wood, leather or fabric that is built into the Haynes has its separate scientific test.

Every mechanical principle embodying friction, torque, compression, tension, deflection, vibration, elasticity, crystallization, has behind it exhaustive calculation.

Every single part in a Haynes Car has had the attention of some expert—first, as a unit, and second, in its relation to all OTHER PARTS.
