

NEW Winnetka war emergency enterprise begun during the past month is the opening of the Dr. Brown Gift Shop at Community House. All the proceeds of the sales are to be added to Winnetka's fund for promoting Dr. Brown's relief work in France.

"Bring a Gift and Buy a Gift" is the slogan of the Gift Shop. Most attractive are the articles, both useful and ornamental, offered for sale, and even when Winnetka indulged in her third blizzard the

shop was open and the purchasers were on hand.

Many have been happy to find in the shop just the gift they desired for a wedding or birthday. The directors ask everyone interested in helping in this wonderful cause to remember the slogan and bring something suitable for sale. It goes without saying, that one will wish to purchase since all articles in the Gift Shop are priced most reasonably.

Mrs. Douglas Smith is the chairman of the Gift Shop board of directors. Those serving with her are Mrs. Merritt Starr, Mrs. John W. Scott, Mrs. Anita Willetts-Burnham, Mrs. William C. This is to be known as the "Brown Tea Shop" and is to be open every afternoon, except on "heatless days," in the room adjoining the Gift Shop. The success of the opening on Saturday the 9th, will be a good omen for the future of the Tea Shop. Patriotic music, including the singing of Mrs. Frederick Dickinson's "The Spirit of 1917" by Mr. Thos. Ratcliffe will be a special feature. Valentines designed by Mrs. Anita Willetts-Burnham and Miss Olive Lothrop Grover will be on sale at this time. It is hoped that everyone will form the habit of for the boys at Great Lakes.
