

Social Happenings on the North Shore by Ruth Risley

THE Dr. Alice Barlow Brown Gift Shop and Tea Shop are indebted to a number of our north shore artists for a charming contribution of posters and valentines. The directors are most grateful to Mrs. Anita Willetts Burnham, Mrs. P. R. Johansen, Miss Edith Fry, Miss Ruth Legare of Glencoe, and Kenneth Fagg of Wilmette, for advertising posters—and to Miss Olive Lathrop Graver and Miss Catherine Murphy for original designs for valentines. These were beautifully colored by the Junior and Senior high school girls in the Art Department at New Trier. Mrs. Frederick Dickinson's song "The Spirit of 1917," is on sale at the Gift Shop, also her patriotic verses entitled "America Materna," illustrated by Mrs. Johansen. Hereafter both shops will be open for business on Monday as well as all other afternoons from three to five o'clock.
