The Soldier

*Former guard at Winnetka railroad crossing
sends poem to tell of camp life.*

The following poem was received by a Winnetka woman from Eugene Greco, who before entering the service of the government was a guard at the Chicago & North Western railway crossing at Elm street in Winnetka, the writer is now stationed at Camp Logan, Houston, Tex., the poem reads as follows:

I'm writing these few lines you know,
To tell you folks some stuff,
About myself and show you all
I haven't things so "tuff."

My home's a tent, on Texas ground,
And has been for some time,
It's sixteen feet on every side,
Rent costs me not a dime.

My light is free and burns till ten,
I never get a bill
For wood I burn, to keep me warm,
And I know I never will.

I eat three good "squares" every day,
At seven, twelve and five
And know they'll keep on feeding
me,
For I must be kept alive.

I have no doctor's bills to pay,
They do not want me ill,
For as soon as I start feeling bad
I'm fed a "C. C." pill.

I wear warm clothes in winter time,
And khaki when it's hot,
The shoes I wear are good and strong
They have to stand a lot.

My pay comes to me once a month,
Which is quite fair I think,
Of course I can't buy wine or booze,
They've ruled I must not drink.

I'm not so "Darned" unlucky,
In a short time from today
I'm due to take a boat ride,
When I'll have no fare to pay.

And now as I am closing
Can you guess just who I am?
Better tell you, I'm a soldier,
Fighting for my "Uncle Sam."

**OLD SHOES ARE REPAIRED
FOR WINNETKA COMMITTEE**

"Shoe the old horse, Shoe the old man,
But don't let the little Child go bare!"

An article in the Winnetka Weekly Talk recently told of the work the school children are doing in repairing old shoes. The profits from their work being turned into the war relief fund. Besides working for the individuals, they also are repairing shoes for the Winnetka Relief and Aid Association. These shoes are sent to the old clothes committee, whose headquarters are at the Miss Kate Dwyer shop, 858 West Elm street.

Miss Dwyer's supply of shoes at present is very low, and the calls for shoes are numerous. Remember to send any shoes you have no use for, men's, women's and children's, to her. They are repaired by the school children, returned to Miss Dwyer and placed on the feet that need them most.

Sometimes the person receiving the shoes prefers to pay a small sum for them, in that case the money goes into the general fund of the Relief and Aid Association.

MRS. LAWRENCE M. STEIN,
Chairman of Old Clothes Committee.

**"WIN-THE-WAR-DAY"
PLANNED FOR APRIL 6**

Suggestion is made this week by William Mathew Lewis of the National Committee of Patriotic Societies that April 6, the anniversary of the United States entry in the war, be fittingly observed as "National Win-the-War-Day." Efforts will be made, not to have a holiday, but to have church bells ring throughout the country at noon, every band play "The Star Spangled Banner," factory whistles blow and flags unfurled everywhere.

Soldiers of the Switchboard

"WE HAVE HELPED, and helped mightily, during the past year.
"Day and night we have been at our posts speeding on the Telephonic Messages of the Millions.
"With our fighting equipment of cords and plugs and flashing signal lights, we have cleared and directed the channels of the Nation's Speech.
"Our orders have come from the highest of authorities—from average Americans using the Ten Million Telephones in the homes and offices in Our Country.
"Faster and faster they have come, passing swiftly through our switchboards where the insistent, twinkling, flashing, firefly lights summon us to action.
"Throughout Our Country thirty million times a day we have been called; we have answered, and we have obeyed.
"Government, Army, Navy, Liberty Loan, Red Cross, Citizen—we have helped them all—and it is well.
"For we are the Soldiers of the Switchboard, welcoming the responsibilities and opportunities to contribute our share to American VICTORY."
