

PREPARE PLANS FOR THIRD LOAN DRIVE

Local Organization Making Ready to Boost Sale of Liberty Bonds in the Village, Saturday, April 6.

ANNOUNCE PLANS LATER

Campaign Starts on Anniversary of War Declaration

Plans for the sale of bonds in the campaign for the Third Liberty Loan are being formulated in the Village and a definite outline of organization to take charge of the matter is expected to be announced in the near future.

The campaign for the Third Liberty Loan will be opened on the 6th of April, the anniversary of the declaration of a state of war between the United States and Germany.

Await Congressional Action

The amount, terms, and conditions of the loan are dependent upon further legislation and will be announced as soon as Congress has granted the necessary powers.

Secretary McAdoo chose the 6th of April as the day to open the campaign as the most fitting date to call for a patriotic response to the summons to duty to every American, to ask from the people at home the same fervent patriotism that actuates our gallant sons on the battlefield of France and on the waters of the Atlantic.

TAX RECEIPTS EXCEED THOSE OF PAST YEARS

Hoyt King, Collector of New Trier Township, reports a collection of real estate and personal property taxes amounting to \$287,000.

This is an excess over last year of \$37,000. The Township receives \$2,740 of this amount as its share of the 2 per cent for collection. In addition the township receives the interest on the money, while in the collector's hands. These amounts will defray township expenses.

King states that public spirit, as well as convenience to the taxpayers in New Trier Township led the residents to respond promptly to the appeal of the local bodies for early payment of the taxes in order to meet the local needs.

LITTLE MARY IN SCRUB-GIRL ROLE THIS WEEK

Mary Pickford is a scrub-girl, her mother is a washerwoman, and her brothers are newsboys. She has refused an offer of marriage from a gilded society youth, and is going to marry a bartender.

Not in real life, of course, but in "Amarilly of Clothes Line Alley," an Arcraft picture, which is declared to be the most amusing photoplay she has ever appeared in.

The society youth falls in love with Amarilly and Mary and her folks from the slums meet the four hundred, resulting in extremely funny situations.

"Amarilly of Clothes Line Alley" will be shown at the Star theatre, Evanston, three days, Thursday, Friday and Saturday, March 21, 22 and 23.

FINDS BIG MARKET FOR POPULAR WAR PASTIME

Frank H. Gathercoal, north shore inventor and vice-president of the New Trier Commercial association, has succeeded in having his latest invention, a soldiers' and sailors' checker board game, which has as its object the elimination of the terrible Huns, placed in several State street stores, in Chicago.

The game, invented by Gathercoal some months ago, has proven particularly popular with the men in war camps and naval stations as well as with the people at home.

Perennial Relative.

Billy, six months old, wrote to his aunt the other day, and his mother thought best to read the letter before she mailed it: "Dear Aunt Gertrude: I go to school every day and take my lunch. I am well how are you. School is lots of fun, your undying nephew, Billy."—Kansas City Star.

Absolutely Useless.

While opinion is not unanimous in support of the idea, probably the most useless thing is the inside pocket which every tailor sews into a waistcoat.—Topeka Capital.

RED CROSS SHOWS WORK OF FIRST YEAR OF WAR

Financial Statement Presents Vivid Idea of Diversity of Activity in National Organization

Of local interest is the following report issued at Red Cross headquarters which offers a splendid idea of the war work being done by the national organization.

What the American Red Cross has done with the millions of dollars entrusted to it by the people of the United States is shown in the statement. Appropriations to date amount to \$79,450,727, and cover the period from the time we entered the war last April, until April 30, 1918.

For foreign relief the sum of \$44,657,795 has been appropriated and much of it spent, as follows: France, \$30,519,259; Belgium, \$1,999,521; Russia, \$751,940; Roumania, \$2,617,298; Italy, \$3,146,016; Serbia, \$71,180; Great Britain, \$1,703,642; other foreign countries, \$2,536,300; for American soldiers who may be taken prisoners, \$343,627.

As the government supplies nearly everything our soldiers and sailors, need, the appropriation for the United States is only \$2,612,532. All salaries and administrative expenses are paid out of membership dues so that every penny of the war fund goes to relief.

WAR WORKERS PREPARE FOR RED CROSS CAMPAIGN

Local war workers are making preparations for the nationwide six day campaign, to be carried on, over a period from March 18 to March 23, by the Red Cross and the Commission for Relief in Belgium to secure a minimum quantity of 5,000 tons of clothes for the destitute people of Belgium and occupied portions of northern France.

At the request of Herbert C. Hoover, chairman of the commission for relief in Belgium, H. P. Davison, chairman of the Red Cross war council, has granted the use of the National Red Cross organization for collecting the needed clothing. The donations will be shipped at once to the Atlantic seaboard and sent overseas for distribution.
