

WAR EMERGENCY NOTES

(Continued from page five.)

promptly, as a proper obligation of the community.

During the preparatory months of 1917, the Winnetka Union disbursed \$2,617.66. During the year of 1918, we need a much larger sum to keep up this work in such measure that it may be a source of pride and advantage to us all.

This is not the work merely of officers and committees. Not a home nor a resident of Winnetka, but should have some share in this—our own most immediate enterprise.

Everyone is urged to become a member of the Union at once. There are three kinds of membership, differing only in the amounts which circumstances enable you to contribute:

1. Annual Membership . . . \$1.00
2. Contributing Memberships \$5.00.
3. Sustaining Memberships \$10.00 or more.

Winnetka has responded generously to outside appeals. This is our own home work as citizens and neighbors, fighting our own war, helping our own sons at the front. Let everyone in your family stand with the Winnetka Union during this decisive year.

Winnetka War Emergency Union,
HORACE KENT TENNY,
General Chairman.

We Manufacture Over 75 Different Styles

We Have What YOU WANT

We have one of those refrigerators. Have you?

Over 200 of Our Refrigerators in Use in Winnetka—Why?

The Users Were Convinced on the Following Points:

1. Our system of circulation is best. Maintains lower temperature and drier atmosphere.
2. All of our refrigerators have seamless linings, assuring a most sanitary refrigerator.
3. Our insulation is of sufficient quantity and of a quality which makes ice economy a certainty.
4. Our temperature is exceptionally low, due to our system of circulation and method of insulation.
5. Food compartments of our refrigerators are perfectly dry, eliminating all possibilities of mold.
6. Our "celan out" pipe and drainage system located in front. The one practical place to make cleaning easy. We have an auxiliary drain to connect to floor trap without additional cost.
7. The external finish and construction of our refrigerators will please the most fastidious.
8. Our refrigerators cost less—quality considered.

Outside Icing Doors can be applied to any of our refrigerators
