

HELP WOMEN FARM

By Mrs. E. W. Wortley

The Illinois branch of the Woman's Land Army of America is already started. A farm of 200 acres near Libertyville has been procured for a training station. About 80 women have enrolled for this work, and applications are coming in all the time. About forty will be accepted. The course is six months, and longer if students will take it. The woman superior is a graduate of Cornell Agricultural College.

There will be lectures by experts in agricultural work. All the tuition on this farm is given free. The farm is ideal, because it is so general in its scope, embracing many branches of farm work. Besides the crops it offers dairying, poultry-raising, etc., and there is a large fruit orchard. The women are to live on the farm and to have training in all branches of the work so that they will know not only how to do it themselves but will be fitted to give instructions to others in the future.

Plan "Farm Shower"

In order to help furnish and equip the buildings on this farm, the Illinois Branch of the Woman's Land Army is planning to have a "Farm Shower" in each town on the north shore within a few days. Preparatory to this Winnetka housewives are asked to look through their attics now, and prepare to send, to Community House on the appointed day, anything that they have that will help fill the list of things needed, as shown by the following list. Further notice of the exact day when these things are to be sent will be posted on the War Emergency bulletin boards later, and will be announced through the papers and at meetings, so watch for it.

The following is the list of things asked for: 1 chiffonier for linen, 1 chest for linen, 1 filing case, 1 ton truck, women's rubber boots, bed linen, table linen, living-room chairs, living-room davenport, living-room rugs, small tables, straight chairs, preserving jars, mirrors, porch chairs, kitchen chairs, wash-stands, mimeograph, 1 small desk, victrola, kitchen china, kitchen utensils, farm books, magazines, carpenter's tools, garden tools, butter and creamery equipment, knives, forks and spoons, shower-bath equipment, typewriter, 2 small dressers or drawers, clothes hamper, horses, pigs, harness, wagons, hens, chickens, sheep eggs for setting tents. All articles of furniture etc. collected, are to be sent direct by van to the farm. Further notice as to when these things are to be collected will be given very soon.

Parents-Teachers To Meet At High School

A highly important and interesting session of the Parents' and Teachers' association of New Trier high school will be held in the school Mess hall on Wednesday evening, April 17, beginning at 7:30 o'clock.

The activities of the evening will begin with abusiness meetingmarked by a vote on the revision of the by-laws of the organization, the annual election of officers, and the annual reports of chairmen of committees.

At 8 o'clock a patriotic program will be presented with instructive addresses by, Mrs. James F. Porter, President of the Board of Education on, "History of the War Interpreted for our High School Students", Principal Henry E. Brown, who will speak of "The housing and maintenance at New Trier high school of 100 of Uncle Sam's mechanics, for the army", and W. A. Snyder, Director of Agriculture at the school, on "Our Boys on the Farm".

Bell System

ANSWERING a telephone call by saying "Hello" is a custom which is rapidly falling into disuse. It means nothing to the person at the other end of the line and causes needless delay.

By giving your name and the name of your firm, you identify yourself at once to the person calling, and the conversation proceeds without loss of time.
