

Social Happenings on the North Shore by Ruth Risley

IT SEEMS every one is talking about the French market, that is going to be brought straight over from Paris, and placed on the lawn at Community House, on the afternoon of May 18. Of course some of us have never had the pleasure of seeing one before, and so, we are going, out of mere curiosity, while more and more of us, are deferring the planting of our gardens, to secure some very choice seeds, and sprouts, but we're all going because we have such wonderful faith in Dr. Alice Brown and her work over in France among the women and children. All the proceeds are to be sent directly to her, and we feel that it is our patriotic duty to provide a good fund.

Winnetka's most prominent women are coming to the fore and consenting to dress as Market women and sell the wares. It all promises to be very interesting, and among those who are to participate are Mesdames Willoughby Walling, Laird Bell, Branz Anderson, Douglas Smith, Roger Sherman, Franklin Rudolph, Horace Tenney, Percy Bradstreet, J. W. F. Davies, Philip B. Sadler and Frederick Copeland.

Miss Grover and a number of the high school students are painting birds, flower pots, and many other ornamental decorations to be sold. They will be garbed in French smocks and one corner of the market will be devoted entirely to their sort of wares. Then Mrs. Samuel Eisendrath and Mrs. Allan I. Wolff, with their assistants are busily engaged making ornamental market and garden baskets, and Miss Augusta Fenger and a bevy of pretty young Breton flower girls will sell French nosegays. Mrs. Lloyd Steere, Mrs. Louise S. Hubbard, will prepare numerous sweets, and pastries, and Mrs. John N. Ott has consented to serve something novel in the way of French refreshments.

A most enjoyable evening has been planned by the MasDowell Musical club, for the evening of May 3, the proceeds of which are to be given to the War Emergency Union of Winnetka. The program will be given by members of the club, assisted by the well-known baritone, Mr. Alexander Gray, and Miss Edna McDonald, violinist. The audience is invited to remain for an hour of informal dancing after the program. The entertainment will be held at the Winnetka Woman's club.

Friends of Mr. George Imes, the well known Checker player of Winnetka, and present village champion, are desirous of arranging a series of match games between Mr. Imes and other players of established reputation residing in New Trier. Mr. Imes' friends are prepared to back their champion to any extent, the proceeds of the match to go to the American Red Cross.

CONDITIONS AT FRONT TOLD BY DR. GULICK

Work of the Y. M. C. A. explained before Large Audience at Community House Meeting

DISPLAYS WAR POSTERS

Praises Work of Red Cross in French Battle Fields

Dr. Luther Halsey Gulick was the speaker at the Patriotic meeting in the gymnasium, Sunday evening, April 21. He has been studying recreational conditions of our boys. After showing a number of wonderful French posters, such as are now seen everywhere in France, he presented a most interesting and vivid picture of the conditions under which our men are fighting, and of the work of the Y. M. C. A. over seas.

The grand opera has been taken by the Y. M. C. A. from Paris to Aix. The best of dramatic entertainments and movies are given. Athletics play a great part in promoting clean thoughts and clean talk. Hence our country is calling for the biggest men in the fields of athletics to go over and organize this work. "It is a moral army that is going to win this war," said Dr. Gulick. General Pershing has made it incumbent upon commanders to maintain a high moral standard of the troops upon penalty of removal from office. "Our army in France is the cleanest force of men there ever was, so far as we have any records," said Dr. Gulick. "When they return they will be accustomed to a leisure taken up with fine things. This is what the Y. M. C. A. is doing 'over there' it is drawing together all the forces of righteousness and offering them to our boys in their free hours."

Dr. Gulick said the Red Cross was a great factor in promoting friendly relations between France and the United States.

After the invocation by Reverend J. W. F. Davies, Mr. Frederick Scott took charge of the meeting.

Delightful music was furnished by the quartet, consisting of Mr. Dean, Mr. Orwig, Mr. Freeman and Mr. Snyder. The meeting closed with the singing of the "Star Spangler Banner".

AT THE GIFT SHOP

The Dr. Alice Barlow-Brown Gift Shop extends a welcome to all in the larger quarters they are now occupying, on the second floor of Community House. The interest and receipts have been daily increasing. The Shop Thermometer, registering from 0 to \$2000, has gone "over the top".

Every article of every description, both ornamental and useful, bric-a-brac, jewelry, furniture, etc., is most gratefully received and sold to help augment this fund.

Over \$100 was realized on the China and Glassware sale. The string of opals, valued at \$200, were sold to Mrs. Edward Yoemans for \$50. The beautiful gold-embossed tortoise set of jewels, donated by Mrs. Robson, was purchased by Mrs. Harrison Mettler. A coral necklace, purchased in Naples, valued at \$100, has just been received, and will be appraised at very much less than original value.

Now is the time for the women of Winnetka to change their form of investment, and transfer their necklaces, jewels, and other assets into money that will send succor and relief to those abroad who are homeless and helpless. How can we hold back anything that will relieve the desperate need of the women and children in France?

These are the days that test our true generosity. We can sell every beautiful thing that is donated, as well as every common, practical article. Every day the Shop telephone rings with requests for articles of furniture that are needed. Recently several very good toilet sets were sent in for sale. We now have requests for: Andirons, library globe, Franklin stove, iron fire basket, small writing desk, fire screen, library scissors, child's bed, rugs, silver candle sticks, chest of drawers, baby go-cart, velocipede, dresden candel sticks, pottery tea pot, oil stove, brass candle sticks, baby carriage, book rack, Venetian sketch, lamp stand, card table covers, ice box, baby clothes, infants pins, roller skates, a music bench, meat grinder, mahogany mirror, single bed, small book case, baby's high chair, lady's

bicycle. A small innovation trunk is very much wanted. The Shop, besides supplying Dr. Brown's needs, seems to answer a double purpose, as an "Exchange" in meeting some of our own necessities.

The next thing to be featured in connection with the Gift Shop will be a French Market, on Community House green, on Saturday, May 18. The committee will be grateful for any contributions from north shore bothouses and gardens, and will be called for upon notifying Mrs. Douglas Smith, Hubbard Woods.

Mr. and Mrs. James L. Cooke entertained at dinner and bridge Saturday evening at their home, 110 Broadway avenue, is spending several weeks visiting in California.
