

THE SIX-ONE-NINE DRY CLEANERS

Are Not Going to Raise Their Prices

We will "Stand Pat" and offer our services at the Same Old Prices.

In reference to the raise in prices by the Chicago Cleaners—Their overhead and operating expenses have advanced more than ours.

In reference to their agents—in this territory, consisting of the tailors and laundries—We cannot be responsible for their being compelled to raise.

We do our own work, own and operate our own plant and therefore are in a position to do business at smaller cost.

We are not "Middle Men". To make it short, we do not relish the plan of being dictated to as to what we should or should not do without having been consulted.

We are Members of the National Cleaners and Dyers Association and as yet have not been advised as to any raise in prices by that organization.

We are making a fair margin of profit and do not care to gouge our customers with a PATRIOTISM PLEA and the FACT THAT PRICES HAVE RAISED IN OTHER LINES.
