

THE GIFT SHOP plans this autumn to offer to Winnetka and north shore mothers, dainty wearing apparel for infants and \$-\$-\$-\$-\$-\$-\$ young children. During the month of August, Miss Therese O'Brien is giving her time to the planning and cutting of these \$-\$-\$-\$-\$-\$-\$-\$garments and the Gift Shop committee ask all who have any material on hand suitable for children's clothing to leave the same with Miss O'Brien at her millinery shop, 748 Elm street, as soon as possible.

Have you a lingerie gown or a pretty evening gown or a waist partly worn, which will do for children's dresses, hats, to infants bonnets? Have you any laces or ribbons in your odds and ends box? Have you any short lengths of materials? Have you any bits of velvet or other materials for children's winter hats? If so, please leave them with Miss O'Brien. Can you spare a little time to make a little garment as your contribution to the sale, to occur early in October? Finished articles may also be left with Miss O'Brien, or with any member of the Gift Shop committee, since the shop is closed during August, except Saturday mornings.

NO BAN ON SENDING PAPERS OR MAGAZINES TO SOLDIERS

Many people have an erroneous idea that the Government's ban on sending packages overseas includes newspapers, magazines and the like. The War Department makes a special announcement that not only may printed matter be sent abroad, without a requisition, but that all kinds of papers and periodicals are most welcome at the front.
