

LOYALIST CANDIDATES

(Continued from Page One)

are other Loyalist candidates who are generally considered as particularly well fitted to hold the offices they seek and, it is expected, will command the support of loyal voters at the Primaries next Wednesday.

It is the duty of every loyal Republican voter on the north shore to appear at the polls on September 11 and to see to it that all of his

acquaintances, who are true-blue Americans are also on hand to cast their ballots as proof of loyalty and whole-hearted support of the prosecution of the war to a speedy and victorious conclusion. This can only be accomplished by unified support of those candidates who stand on record as being Americans of unquestioned loyalty and integrity.

With the support of many of the leading attorneys of the Chicago Bar association, Frederic R. DeYoung, Republican, is putting the finishing touches on his campaign for the nomination for Probate Court judge. The big work is always confronted in the last week of campaigning, and a committee of lawyers, headed by Benson Landon, has undertaken to help.

Mr. DeYoung was born in Chicago on September 12, 1875. He attended the public schools until eleven years old and was employed as an office boy and clerk until eighteen years of age. Mr. DeYoung graduated from the Northern Indiana Normal school, at Valparaiso, in 1895, from Northwestern Law school in 1897 and pursued certain studies at the University of Chicago. He was admitted to the bar in June 18 7, since which time he has actively practiced law in Chicago and especially in the Probate Court of this county.

He is a member of the Chicago Bar association; the Chicago Law institute, the Illinois State Bar association, the Lawyers' Association of Illinois and of the Hamilton club of Chicago. He is chairman of the committee on Uniform State laws of the Illinois State Bar association.

Mr. DeYoung was a member of the Thornton Township High school board for six years, and of the Harvey Public library board for two terms. He has served as attorney for various municipalities and has been city attorney of the City of Harvey since May 1907, and representative in the Forty-ninth and Fiftieth General Assemblies of Illinois.

SKIP-STOP SYSTEM CALLED A SUCCESS

The skip-stop system as adopted in Wilmette by the Chicago, North Shore and Milwaukee Electric by order of the United State Fuel Administration and with the sanction of the Village Board of Trustees, became effective September 1, and, according to reports, is not causing inconvenience to residents of the Village who patronize the railway.

The order was introduced in the interest of the conservation of fuel and is in operation throughout the country and particularly in the larger cities where it affects the street railway companies.

Stops in Wilmette as designated by the order, are at Fourth, Sixth, Eighth and Tenth streets, Wilmette and Forest avenues.

AUTOISTS REFUSE TO HELP INJURED MAN

Because they were unwilling to get blood on their "fine" cars, several automobilists refused to pick up Louis Schultz, street sweeper, who was struck and perhaps fatally injured on Sheridan road at Willow avenue, Winnetka.

Schultz's head was a mass of blood from deep scalp and face wounds. His right ear was almost torn off.

After several drivers who were chiefly chauffeurs for private families, had refused assistance an Evanston woman, with the aid of two soldiers, placed the unconscious man in her automobile and rushed him to the Evanston hospital.

Schultz was struck by a car driven by a chauffeur for the Thorne family of Lake Forest. According to the chauffeur, a rear tire exploded, throwing the automobile out of control. It overturned, and as it slid along the road it struck the street sweeper. The chauffeur crawled uninjured from under his car.

Schultz, who is 78 years old, lives at 835 Ash street, Winnetka.

MERRICK AMES WHIPPLE

Candidate for the Republican Nomination for Congress for the Tenth Congressional District

has lived in the District for over fifteen years. He was born in La Salle County, Illinois, where he received his early education in the public schools.

He is a descendant of sturdy New England stock—of a family that contributed loyally and valiantly in the birth of our great Republic, and who since have served it devotedly; that he is 100 per cent American goes without question.

His private life has been above reproach and he commands the respect and confidence of all who know him.

He is a graduate of the Northwestern University Law School, a member of the Chicago Bar Association, the Illinois Bar Association and other organizations. He has an extensive private practice in both the State and Federal courts and is reputed to be one of the ablest Lawyers at the Bar.

His integrity, ability and experience eminently qualify him for the office of Representative in Congress.

The Tenth Congressional District needs a Representative of the highest type to adequately represent the interests of the District in this critical period of our country's history.

Merrick Ames Whipple has submitted his candidacy for the office of Representative in Congress upon the following declaration of principles:

To bring the present war to an early and a victorious conclusion for the United States, and to establish an honorable, a just and an American peace is the paramount business and duty of the Nation.

I will vote for appropriations of every character in the interest of and for the support of our American army and navy.

I am in favor of the government making generous appropriations to care for our invalid soldiers and sailors and the dependents of those who bear the burden of war.

I am in favor of adequate appropriations for the purpose of carrying on the war; but I insist that, as the people must bear the burden of these appropriations, care should be taken to guard against waste and extravagance. I will oppose the diversion of any portion of these funds to greedy profiteers.

My sympathies are with those who future as in the past the adoption of toil in the diversified fields of industry, agriculture and commerce. I measures to better the condition of the working people.
