

Social Happenings on the North Shore by Ruth Risley

THE VEGETABLE MARKET, which seemed the inevitable outcome of the French Market held early last spring at Community House Green, will close its doors to the public on Saturday morning of this week, after a most successful season. At the French Market, it will be remembered, seed, bulbs and plants for our successful war gardens were sold in great quantities. Later it became necessary to solve the problem of taking care of the surplus garden stuffs, in order not to waste—hence the Vegetable market. Mrs. Samuel H. Greeley, assisted by the gardeners of the Village, planned for the market and its opening. Vegetables of all sorts were sold at sub-war prices, and many Winnetkans approached Community House on Saturday mornings, basket on either arm, prepared to carry home the choice articles. The proceeds from the market, a tidy sum of \$1,250. will be forwarded to Dr. Alice Barlow-Brown, for her work among the Wounded and Suffering of France.

Mrs. John Nash Ott, of Indian Hill, will be in charge of the market on this, the final Saturday sale of the year.

DURING THE MONTHS of August and September the Gift Shop has specialized on the Saturday Morning Vegetable market. The success of the "Market", which netted a very substantial sum to the Dr. Brown fund, is largely due to the enthusiasm and originality of Mrs. Samuel Hallett Greeley. Miss Beatrice Starr assisted by the Misses Alice and Carol de Windt, transferred some of the attractive trinkets of the Gift Shop to the Red Umbrella stands on the Community House parkway, and many a sale was made to help the needy French children.

Interest is still lively in the Gift Shop. New donations are coming in every day. Mrs. Jaspersmith has given an Evinrude detachable motor for row-boat or canoe; it is worth \$100; we will sell it for \$25. We have a four burner "Reliable" gas range, in good condition, that we will sell for \$12. An antique chair that belonged to a General of the Civil war and many other interesting bargains. The Gift Shop will re-open, Saturday afternoon, October 5, from 3 to 5 o'clock.

Mr. and Mrs. Stuart F. Marchant of 546 Elm street, announce the engagement of their niece, Eva Frances Frye, to Mr. Henry Reginald Weber of New York. Mr. Weber is a member of the Emergency Fleet Corps. of the United States government.

Mr. and Mrs. Leon E. Stanhope of 610 Ash street, announce the engagement of their daughter, Dorothy Quayle, to Lieutenant John Tuttle Balkan, U. S. A., of Boston, Mass.

The school children are responding wonderfully to the call for pits and stones, to be used in the manufacture of carbon. A number of children have been gathering choke cherries and carefully drying the small pits. A housekeeper, we all know, feeling chagrined at throwing away her peachstones, went out in her back yard and unearthed all of them and after a thorough washing and drying, turned them in for Uncle Sam.

Wednesday, October 2, there will be an all-day meeting of the Woman's society of the Congregational church. Business meeting at 11 o'clock, luncheon at 12 o'clock, program at 1:30 o'clock. The speaker of the afternoon will be Reverend James Austin Richards. There will be special music. All of the ladies are urged to be present.

Announcement is made of the marriage of Miss Signa Knittinen of Winnetka to Edwin Runnfeldt, on Saturday, September 14. The ceremony was performed very quietly in Chicago. Mr Runnfeldt is stationed at the Naval Rifle range at Zion City, Illinois.

Miss Louisa May Greeley, 655 Maple avenue, is taking a post-graduate course at Wellesley college this year. Joseph M. Greeley, a brother, has entered Phillips Exeter academy, Exeter, Mass.

Mrs. Norman K. Anderson, presided at the East Willow street circle on Tuesday of last week, when piano solos were given by Miss Gladys Madsen, and vocal solos by Miss Mary Meyer. Letters were read from Mrs. J. W. F. Davies, Mrs. Snell and Miss Lillian Norton.

Miss Jean Hopkins, daughter of Mr. and Mrs. Louis Hopkins of Winnetka, is a guest this week at the home of Miss Sylvia Shaw in Lake Forest. Miss Hopkins' wedding to Robert P. Lamont, Jr., will take place in November.

Captain Gordon MacCracken, who practiced medicine for a number of years in Winnetka, is now stationed at the Letterman General hospital at the Presidio, San Francisco, Cal. Mrs. MacCracken is living at Ashland, Oregon.

Miss Eleanor Scully, and Mr. Stanley Scully, 1010 Spruce street, are convalescing at their home from the "so-called" Spanish Influenza.

Owing to the death of James Hayes the entertainment which was to have been presented on Wednesday by the Junior Navy league of Winnetka, is postponed indefinitely.

Mrs. Arthur M. Kloepfer, 325 Linden avenue, accompanied by her mother, Mrs. Cole, will return the latter part of next week from Sacred Heart sanitarium, Milwaukee, Wis.

Madame Helen Delebecque expects to return to Winnetka about November 1. She has been in France assisting Dr. Alice Brown for the past year, and undoubtedly will have many interesting things to tell.

The Misses Marjorie, Winifred and Katherine Bartholf, 535 Longwood avenue, Miss Ruth Storms of 847 Grove street and Miss Marion Kimball of 770 Bluff street, left Thursday of this week to attend the University of Wisconsin at Madison.

Mrs. August Ziesing and Miss Katherine Ziesing, of 175 Beach road, have returned from a summer spent at Vancouver, B. C.

Mr. Frank Sturgis is attending the University of Arizona this year. Mrs. Sturgis accompanied her son to Tuscon for a short visit.

Raymond Cazel, an employe at the post office, is suffering from Spanish Influenza.

Harold J. Bohnen, Company F, 37th Engineers, is now overseas with the American Expeditionary forces.

Mrs. Ira Couch Woods of Winnetka will be in an apartment at 150 E. Superior street, Chicago, this winter.

Word has been received of the safe arrival overseas of Captain H. W. Snell of the 341st Infantry.

Miss Marha Budd, 594 Glencoe road, has been appointed Dietitian at the Flower hospital, New York.

Word has been received of the safe arrival of Major Fred P. Patton, overseas.

The dancing party for the soldiers and sailors, held each Saturday evening at Brown's Hall, was discontinued last week, owing to the epidemic of Influenza. Plans are not definite yet as to whether there will be any entertainment this week-end.

A cordial invitation is extended to the friends and patrons of the Dr. Alice Brown Gift Shop to attend the fall opening, Saturday afternoon, October 5, from 3 to 5 o'clock, Community House. Tea will be served at 4 o'clock.

MEASURE LIBERTY BONDS WITH THIS YARD STICK

"It got my goat," the ambulance driver said shakily. "I had four couches in the buss, three guys with a shattered hip—and the fellow that was bleeding from the mouth a little when they put him in. But he thought he'd be all right, so I came along. The three fracture cases were yelling when they were put into the ambulance, and whenever we'd go over any kind of a bump they'd scream, so I was just easing along as slow as I could go. I'd been crawling along like that for nearly an hour when I heard a knock on the window behind me. I opened it and found the fellow who'd been bleeding from the mouth in horrible shape. 'I'm bleeding to death, buddy,' he said. 'Get me to a doctor quick.' 'The nearest doctor's Paris,' I told him. 'And if I open her up these fellows with the fractured legs—What about it, fellows?' I asked them. 'This boy's got to get to a doctor.' 'Let 'er go,' the three of them said. 'We'll get by.' So I threw her wide open and came into Paris hell-bent.

"I left the fellow who was bleeding at one hospital and had to take the other three to another. After I left the fellow who'd been bleeding so bad it struck me all in a heap all that awful ride not one of those three fellows with the fractured legs had as much as uttered a moan. As soon
