

Social Happenings on the North Shore by Ruth Risley

ACTIVITIES in the Village this week and for the coming week, if the quarantine is not lifted are indeed, exceedingly quiet. All of the club meetings, missionary circles, and various small luncheon clubs and social gatherings have been ordered discontinued until the Village is considered safe from the epidemic.

If the restriction is lifted, a delightful meeting, open to women and children, has been arranged at the Winnetka Woman's club on Thursday, October 17. At this time, Mrs. Gudrun Thorne-Thomsen, a story-teller of renown, will be the speaker of the day, and we are assured that this will be one of the most interesting meetings of the year.

A NUMBER of Winnetka Liberty Loan workers are planning to take part in the parade to be held in Chicago on Saturday, in behalf of the Liberty loan. The banner, which it is expected will be credited with 100 per cent by that time, will be borne by two Boy scouts of the Village. Mrs. Alan I. Wolff, is chairman of this committee.

Mrs. Ashley M. Ballou of 5348 Winthrop avenue, Chicago, was hostess at the Edgewater Beach hotel Monday at what was to have been a prenuptial luncheon and "shower" for Miss Zella Mickey of Barrington. The affair developed into an impromptu wedding breakfast, however, when the guest of honor made the unexpected announcement that her wedding to Edwin G. Fisher of Winnetka had taken place in the morning at her home. Mr. and Mrs. Fisher will devote two weeks to a honeymoon in Wisconsin after which they will be at home at 638 Ash street.

RED TRIANGLE HAS HEADQUARTERS IN PATTEN GYMNASIUM

The thousand men who have just come to Evanston for training in Northwestern university S. A. T. C. are to be in good hands. The community is being well organized along all lines of welfare work. The men will be kept, in true military fashion within the camp most of the time. Just now they are confined to the bounds of the campus by order of the special period of detention.

The army Y. M. C. A. in co-operation with the university, has made provision for the comfort of the men at all times when within the camp. Two special secretaries have been appointed to this work. The general secretary, C. E. Pettit, has had experience at Great Lakes, and his associate, W. F. Bostick, comes from Camp Grant. A third secretary will be provided by the time the five hundred new men arrive October 15. The complete direction of the Y. M. C. A. work in the camp will be in the hands of Mr. Pettit and the university board, composed of professors Eiselein, Schaub, Philbrick, Ray and Gault.

At the present time the work of the Red Triangle is considerably restricted by quarantine conditions and the natural confusion of a new camp. The Y. M. C. A. headquarters will be in the lounging room of Patten gymnasium but just now this room is occupied by the military for physical examinations. Within a few days the lounging room will become a typical army hut bringing its comforts to the men of the camp.

The secretaries have been distributing stationery to the men and providing them with stamps, getting fruit for the men in the hospital, and perfecting their organization for the real program ahead.
