

Social Happenings on the North Shore by Ruth Risley

IN THE PRESENCE of a large number of relatives and friends, Miss Virginia Cannon Le Seure and Captain William Houghteling, U. S. A. of Winnetka, were married last Saturday afternoon at 5 o'clock in the First Presbyterian church at Danville. The Reverend Dr. George Hawk Siminon, pastor, read the service. The bride, who is the daughter of Mr. and Mrs. Ernest X. Le Seure of Danville, and the grand-daughter of the Hon. Joseph G. Cannon, wore a gown of ivory satin made with a court train. The train and corsage were heavily embroidered with pearls. Her tulle veil was held in place by a wreath of orange blossoms and she carried a bouquet of lilies of the valley.

Miss Helen Le Seure, who was her sister's maid of honor, wore a gown of silver net over pink satin, and a large picture hat of brown maline, and carried orchids. The bridesmaids, Miss Leila Houghteling, a sister of the bridegroom, and Miss Camilla Hegeler of Danville, wore frocks of orchid color satin with picture hats and muffs of brown maline.

Captain Houghteling was attended by his brother Francis S. Houghteling, as best man. Captain Houghteling, who before the war, was secretary and treasurer of a large lumber firm in San Francisco, is now stationed in Washington, D. C.

The bridal couple expected to leave immediately after the reception for Washington, but unfortunately Captain Houghteling became ill with Spanish influenza. The following day, his bride became a victim. At present they are at the home of the bride's parents in Danville.

Among the out-of-town guests were Mrs. James L. Houghteling of Winnetka, mother of the bridegroom, and Miss Harriot Houghteling, his sister, who expects to leave the first of next week for overseas duty in Y. M. C. A. canteen work.

The North Shore Catholic Woman's league will begin its season of activities with a reception at the Winnetka Woman's club on Thursday, October 24, at 2:30 o'clock. A splendid program has been prepared for the occasion, as also for each succeeding meeting. A list of prominent public speakers has been secured for the coming season, among whom is Colonel P. E. Holp. He was the official lecturer at the San Francisco exposition and will be present at the opening meeting. Other features are an address by Reverend F. J. Haarh, moderator; and an original interpretation of Madame Butterfly (in costume) by Miss Bue Hilderth.

The officers for the coming year, the hostesses of the day, include Mrs. H. A. Morin, president; Mrs. J. J. Hartnett, first vice-president; Mrs. Harry Wilson, second vice-president; Mrs. A. Tilroe, third vice-president; Mrs. S. L. Maloney, recording secretary; Mrs. H. F. Jones, corresponding secretary; Mrs. J. H. Martin, financial secretary; and Mrs. B. T. McGivern, treasurer.

Henry R. Rathbone of Kenilworth, former president of the Hamilton club, Chicago, has returned only recently from a two week's tour of Illinois in the interest of the Liberty loan. Mr. Rathbone was one of the committee of speakers, including Randall Parrish, the author, and Judge Everett Connely of Marshall, Ill., who went through the state with the war exhibit train, under the auspices of the Liberty Loan committee. A guard of twenty soldiers and sailors and two French fighters—Lieutenant Landix, who wears the Croix de Guerre, and has killed twenty Huns, and Private Labourot of the Foreign Legion, who has killed seventeen and wears the military medal—were in the party.

The W. C. T. U. meeting which was to have been held with Mrs. Ira Sipes at 518 Park avenue, Wilmette, on Monday, October 21, has been postponed one week. The State W. C. T. U. convention which was to meet in Aurora, October 22-25, is also cancelled.

Word has been received of the recovery of Miss Genevieve Rudolph, from Spanish influenza. Miss Rudolph left Winnetka about two months ago to become a yeowoman at Washington, D. C.

Ensign Ayres Boal, U. S. N. has arrived for a visit with his family in Winnetka. Ensign Boal has been in service on a U. S. destroyer and was granted a month's leave of absence before he is given command of a mine sweeper.

Mrs. M. H. Lieber, 988 Elm street, left yesterday morning for Detroit, Mich. where she was called by the illness of her daughter, Ruth. She will probably return the latter part of the week.

Red Cross Wants Tin

The Red Cross wants more tin and platinum for government uses, and urges everyone to save and turn in articles of these metals. Tin-foil of every kind is wanted, old tin cans

are not wanted, for they contain very little tin. Old laboratory instruments of platinum are especially requested, but platinum jewelry which has a sentimental value is not desired at this time.

HELP MERCHANTS KEEP PROMISES

The Illinois State Council News Urges Everybody To Promote Co-operation Between Retailers and Customers On Christmas Shopping

There will be Christmas shopping by grace of an agreement made by the retail merchants of America with the War Industries Board of the U. S. Government.

It was the original intention of the government virtually to prohibit the giving of all Christmas presents this year by refusing priority shipment orders on Christmas merchandise. In behalf of the public and of themselves, the retail merchants appealed to the Board. The appeal was granted upon the express condition that the merchants everywhere do everything possible to induce the public to observe the following rules:

Buy only useful gifts, except toys for children.

Begin buying early, to distribute Christmas shopping over October and November, which will enable all merchants to get along without extra help.

Send presents by mail or express early to avoid congesting transportation.

Carry their own parcels home whenever possible.

The whole purpose of these rules is to conserve man power, transportation and other war necessities. The merchants must keep faith with the government. Everyone else should help them do it.

Christmas Parcels For Men in Service Overseas

The Winnetka Red Cross auxiliary will send all Christmas packages to Winnetka men in the army.

1. The War department wishes each man in the American Expeditionary forces to receive only one parcel of standard size and weight.

2. To carry out this plan, army authorities under General Pershing are distributing Christmas Parcel labels or coupons to men abroad who will mail them to relatives and friends. No parcel will be accepted for mailing without label received from abroad.

3. Containers of specified dimensions (9x4x3inches) and weight (3 pounds) will be sent from Chapter headquarters to each organization for distribution late in October.

4. The Red Cross will not only supply cartons, but will wrap and deliver inspected parcels to post office authorities.

5. Christmas packets must be ready for transmission previous to November 15, 1918.

These packages will be received at Winnetka headquarters between November 1 and November 15.

Further instructions will appear next week.

Mabel C. Boyden, Chairman, Winnetka Branch, American Red Cross.

The ruling concerning Christmas boxes for the Navy is entirely different from that for the army. Packages are not sent through the Red Cross to the navy.

1. Number. Any number of boxes.

2. Size and weight. By parcels post to comply with postal regulations; by express, two cubic feet volume or twenty pounds in weight.

Mr. Bruning was sick only a short while and Thursday morning was thought to be improving. He suffered a relapse, however, and his death occurred at 3:30 o'clock. He is survived by his parents, wife and two children.
