

## Social Happenings on the North Shore by Ruth Risley

**A** VERY PRETTY WEDDING was solemnized last Tuesday afternoon, when Miss Jean Hopkins became the bride of Robert P. Lamont, Jr., at Christ church, at 4:30 o'clock. The youthful bridegroom wore the uniform of the French army, in whose service he drove an ambulance for a year, and on his breast were fastened the croix de guerre and the French Military medal awarded him before his discharge from the service, which followed the loss of a hand.

The bride wore a girlish frock of white crepe meteor with a tulle veil, and carried a bouquet of lilies of the valley. The maid of honor, Miss Ruth Hopkins, wore orchid color chiffon and the bridesmaids, Miss Sylvia Shaw, Miss Dorothy Lamont, Miss Louise Thorne and Mrs. John Holabird, wore frocks of ciel blue chiffon. Both the bridesmaids and the maid of honor wore mauve velvet hats and carried lavender orchids. The flower girls, Gertrude Lamont and Frances Shaw, wore white georgette dresses and white hats.

Mr. Jack Cowles was best man and the ushers included Russell Kelley, Donald Stewart, Henry Coe, and Richard Mabbatt. The Reverend Dr. Arthur Rogers of Evanston, read the service.

The church was attractively decorated with American flags. Following the ceremony, there was a reception at the residence of the bride's parents, Mr. and Mrs. Louis J. Hopkins, 940 Sheridan road.

Among those at the wedding were Lieutenant Colonel and Mrs. Robert P. Lamont of Evanston, parents of the bridegroom; Miss Lolita Armour of Lake Forest; Mrs. Ira Couch Wood, Mrs. Phelps B. Hoyt, Mrs. Earle Zimmerman, and Mrs. T. Philip Swift.

Mr. and Mrs. Lamont will live on a ranch in Lackspur, Colo.

The opening meeting of the North Shore Catholic Woman's league was held at the Winnetka Woman's club on Thursday, October 24. The board meeting took place at 1 o'clock and plans for the coming year were outlined. The general meeting which was preceded by a reception was one of unusual interest. It was opened by an invocation by Reverend J. J. Haarth. This was followed by the Star Spangled Banner, sung by the assembly. The president of the league, Mrs. H. A. Morin, extended a cordial welcome to the members and their guests and introduced the speakers of the afternoon in her usual gracious manner. Mrs. Marie Cassin, representing the Chap. of the Aid association gave an interesting account of the work that organization is doing at the Great Lakes naval training station. By citing several incidents, she gave her talk, "The Human Touch" and through her sincerity created a real desire to assist in the noble work that is being carried on. Father Haarth, moderator of the league, in a brief address set before the members the important position of an organization as the league and urged that during the coming year a united effort be made to further its work. The speaker of the afternoon, Col. P. E. Holp, official rector of the San Francisco exhibition, gave a most enjoyable address on "War Questions". He displayed a wide range of observation and delivered his material in such an interesting manner that all present felt it indeed was a privilege to have Col. Holp on the program.

On Wednesday, November 6, there will be an all-day meeting of the Woman's society of the Congregational church, opening with a business meeting at 11 o'clock; luncheon at 12 o'clock, and followed by an interesting program at 1:30 o'clock in charge of the W. C. T. U.

The speaker of the afternoon will be Miss Margaret Wintringer, who is a newspaper correspondent, employed by the W. C. T. U., to speak on the ratification of the prohibition amendment. She has recently returned from France and will tell of the condition of women and children and of our boys over there. Luncheon will be served at a small cost. Children will not be served unless their mothers are present.

Mrs. Charles S. Thorne, assisted by her daughters, Mrs. Ellison and Mrs. Windes, entertained the East Willow Street circle on Tuesday afternoon. The members worked for the Red Cross. Mrs. Windes entertained with a pleasing program of solos and patriotic songs. A vote was carried to continue the serving of light refreshments at the meetings. Mrs. Harry Orwig invites the circle for its November meeting.

Kent Tenney Healy, formerly of Winnetka, now of Wellesley Hills, Mass., has entered the freshmen class at Harvard university this fall.

Mr. and Mrs. Edward Page Smith have closed their home in Winnetka, and gone to Washington for the winter.

Mr. and Mrs. Frank O. Magie of Winnetka, who are making their home in Chicago this winter, are expecting their daughter, Mrs. Chester Alan Wardwell and her baby, of Brookline, Mass., to come some time this week to spend the winter with them. Mrs. Wardwell had planned to come sometime ago, but both she and her baby have been ill with influenza. The Magie's eldest son, Lieutenant Frank Ogden Magie, Jr., is in France; the second son, John Q., is at home on leave from the Great Lakes, recuperating from an attack of mumps, which was preceded by influenza-pneumonia; and the youngest son, William, is at Mercy hospital, where he was operated on for appendicitis last week.

The regular meeting of the Catholic Woman's league will be held on November 7, at 2:30 o'clock at the Winnetka Woman's club. The program will consist of a lecture by Professor Henry Walter Graham, musical selections by Professor Bourget, musical director of the Archdiocese of Chicago; selections by Mrs. Napoleon Picard, soloist; and an address on "Catholic Women of Illinois" by Miss Sally Gaynor.

As is customary at the opening meeting, "Bundle Day" was observed and the chairman of the Philanthropy department received many contributions. These will be distributed to the needy forms and are a small beginning to the work which this branch of the league has planned.

Mr. and Mrs. Charles McCue of 631 Washington avenue, were among the guests at the wedding of Miss Winifred Sheldon and Lieutenant Eugene S. Thornton of the medical reserve corps of the United States army, which took place last Saturday evening at the Congregational church in Muskegon, Mich. Mrs. Thornton, daughter of Mr. and Mrs. E. H. Sheldon, formerly made her home in Wilmette. Lieutenant Thornton will report for duty at Camp Custer the first of next week, and the young people will reside there until he is called for overseas service.

## Conservation Needs

Reports coming daily from all over the world are giving definite shape to the program of the United States Food Administration for victualing the armies of Europe the people of the Allied countries and the hungry nations behind the battle lines.

It is imperative that each household should remember these facts as its members gather around the dining table. In 20,000,000 homes there will soon be new Home Cards from the United States Food Administration, showing how food may be systematically saved for our boys and our allies.

There must be more than a million tons additional shipping to Europe this year. The largest item in the program of food exports is 100,000,000 tons of bread-making flour and grains, more than 400,000,000 bushels. A substantial part of this saving will come from the conscious, deliberate effort of one hundred million American citizens men, women and children.

Concretely, this means that each individual must allow himself four bushels of grain instead of the five he consumed last year for bread. Consumption of substitutes for wheat flour is not enough, saving grain means saving of substitute flours as well. Finally each person must eat his bread "on his conscience."

### How Dangerous Insects Are Watched

The extent to which the principal crops of this country are attacked by injurious insects is known almost from day to day for the entire United States by the Department or Agriculture's Bureau of Entomology through its "war emergency entomological intelligence service." Co-operative arrangements have been made with the entomologists of the State agricultural colleges and experiment stations.

## WELFARE STATION NOW RECOGNIZED THROUGHOUT STATE

State-wide recognition of the establishment of the Infant Welfare station in the Zeuschel building in Gross Point is insured by the following laudatory article which recently appeared in an issue of the "State Council News", official bulletin of the State Council of Defense.

### Gross Point's Good Example

"Gross Point, Ill., is following up its baby weighing and measuring campaign by maintaining an infant welfare station where the children may receive regular medical attention. Mothers are requested to bring the government weighing and measuring cards, and the record of the child's gain is the evidence which is used to impress the importance of the work upon the mothers. Mrs. V. C. Sanborn, New Trier chairman, started the station."

### BRASSARDS FOR WOMEN WORKERS

A distinguishing mark for the woman or girl who is a worker for the Woman's Committee of the State Council of Defense, is the arm band which has just been adopted by the committees. It is of golden brown embroidered in a device from the Illinois state seal around which is the name of the organization.

The brassard may be worn only by those who have satisfactorily qualified as workers in the organization, the qualifications to be passed on by the local representatives of the Woman's committee.

William Dupee Sidley, who has been a student at Williams College is now in the officers' training school at Camp Zachary Taylor.
