

Social Happenings on the North Shore by Ruth Risley

AN ATTRACTIVE pink and blue wedding was solemnized yesterday afternoon, when Miss Dorothy Quayle Stanhope became the bride of John Tuttle Balkam, of Boston, Mass. The ceremony was performed at 4:30 o'clock by Reverend J. W. F. Davies of the Congregational church, at the home of the bride's parents, Mr. and Mrs. Leon Stanhope, 610 Ash street.

The bride wore a most attractive gown of white satin and georgette, and carried a shower bouquet of bride's roses and swansonia. Her veil of tulle, fell from a tiny cap, and was made with a court train. Miss Grace Thackwell, of Evanston, the maid of honor, wore a handsome frock of pink georgette, and carried pink roses, while the bridesmaids, Miss Hazel Salter, of Chicago, and Miss Marjorie Leaming, of Hubbard Woods, were gowned in pale blue georgette. They carried orchid baby chrysanthemums. Pink organdie dresses were worn by the little ribbon stretchers, the Misses Betty and Virginia McNamee of Hubbard Woods.

Lieutenant Richard H. Leggett, of Fort Sheridan, served the bridegroom as best man. Mr. Balkam is in the Student Army training corps at Ann Arbor, Mich., and will take his bride there for the present.

MR. AND MRS. PETER CONRAD, 556 Chestnut street, announce the marriage of their daughter, Clara Ann, to Ensign Hazen Foster of New York, on Thanksgiving night, at 6 o'clock. Reverend F. J. Haarth of Sacred Heart church read the service at 6 o'clock. Miss Conrad had as her only attendant, her sister, Miss Louise Conrad, and Ensign Frank Murdock, of Oklahoma, served the bridegroom as best man. Ensign Foster is stationed at Great Lakes.

Mr. and Mrs. E. Gunsteens of Cherry street, celebrated their golden wedding anniversary on Sunday, November 17, at the home of their daughter, Mrs. Eric Nelson, 923 Oak street. Thirty-five relatives, including fifteen grandchildren, and one great grandchild were present. Their children, three daughters, Mrs. D. Edstrom and Mrs. B. Robinson, of Chicago, and Mrs. Eric Nelson, and two sons, G. M. Gunsteens and Edward Gunsteens were in attendance. Mr. and Mrs. Gunsteens were the recipients of a number of presents in honor of this occasion.

The MacDowell Musical club and the Winnetka Woman's club held an open meeting on Monday, November 25. Mr. Arthur Frazer, of Chicago, pianist, and Miss Kathryn Greene, accompanied by Mrs. Dwight Orcutt, gave a program of absorbing interest. Mr. Frazer is a musician of wide experience and culture and it is hoped that he will give Winnetka another opportunity to enjoy his delightful art. Miss Greene sang very charmingly two groups of French and English songs.

GRIGGS LECTURES ATTRACTING MUCH ATTENTION HERE

Interest in the Griggs weekly lectures at the Hoyburn theater, Evanston, grows, on the north shore, as the course advances. Sunday's audience was larger than that of the Sunday before and the enjoyment afforded by the talk greater. The clear thinking of the lecturer and his great gift of expression have produced a course of lessons on European conditions that brings realization to his audience in a very remarkable way. One was made to feel that the war that has just been so satisfactorily concluded for the allies was the only logical outcome of the trend of events in Europe for ages.

The lecture dealt with the development of democratic principles of government in France, in England and in America. These conditions and events were then contrasted with the progress of the German government toward the perfect autocracy that it was at the outbreak of the war until the breaking up process began just before defeat came to the armies of the kaiser. The presentation of the consistent progress of the English people toward the democracy that they enjoy today and the outline of the history of France that has led to the establishment of the republic there has made more clear to those who are somewhat vague in their knowledge of the political history of our allies what it is that has really bound the United States of America to France and England against a foe of foreign soil.

A new feature in this lecture was the few minutes for asking questions suggested by the talk. There was a gratifying response to the invitation to ask questions, a response that will no doubt be more general next week.

Next Sunday we may look for a bringing up to date of the political development of the allied nations in the lecture whose title is "Democracy and International Relations."

Communication

Winnetka, Ill., Nov. 26, 1918. To the Winnetka post office patrons: Winnetka is to be congratulated upon the splendid manner in which it has lent its assistance in all war work, and everyone is proud of the patriotic record. I wish, however, to call your attention to just one more vital and necessary duty which confronts us, and that is the success of the War Savings campaign for the year 1918. We must reach out quota in the sale of these stamps before the end of the year. We have sold \$96,000 worth (maturity value) thus far and in order to reach our quota we are obliged to sell about 5000 additional stamps during November and December. We have about 6000 people living in our postal district, and if but one stamp were purchased by each individual, we would run way over the necessary amount.

The great "over the top" drive begins in Cook county on Thanksgiving day. A survey by the War Savings committee indicates that it is necessary to sell twenty-five million dollars worth of stamps during December to put Cook county "over the top". It should be the patriotic duty of every citizen, to buy not only all he can for himself and for every member of his family, but to see that his employes and other individuals with whom he comes in contact, shall purchase War Savings stamps to the full limit of their ability.

It is suggested that War Savings stamps make a splendid Christmas gift, rather than useless and wasteful articles.

Please arrange with your carrier for your "over the top" share of War Savings stamps, and this last, but not least, of the war campaigns will conclude with success in Winnetka.

Very respectfully,
Arthur M. Klopfer,
Postmaster.

P. S. Stamps sell at \$4.22 in November and \$4.23 in December.

What the W. S. Societies Are Asked to Do

Alfred J. Benson, chairman of War Savings societies, has called on the societies as follows:

1. Arrange at once for the appointment of some one person to handle this drive in your society.
 2. Secure from us such material as will be needed.
 3. See that a sufficient supply of stamps is secured for the drive.
 4. In your immediate vicinity are important firms whose help has never been enlisted in our campaign. Such firms, close by you, as our records show, are unorganized and are herewith listed.
 1. Call on each firm assigned you, and secure the appointments of some one person to handle this drive in that firm.
 2. Leave a copy of our "Over the Top" plan with this person.
 3. Make it your personal business to see that each person appointed is enthused and fully understands what he is asked to do.
 4. Send us the name of the appointed person. (Use enclosed card).
- Ours is the battle ground at home, and you a leader who must urge your forces on, so those "across" may know there is no gap in the lines we're asked to hold.

MERCHANT MARINE STILL NEEDS MEN AT GOOD PAY

The U. S. Shipping Board announces that it will need 2,000 men within the next four weeks for training as firemen. Men between the ages of 19 and 35 are accepted, and their board and room and \$30 a month are paid during the training period. All men recruited for the Merchant Marine are promised deep sea service by spring.

Recruiting in response to the call for manning the boats which will bring the troops back from France is heavy. All records for Illinois were broken last week when 100 men were recruited for training as firemen, oilers and water tenders.

HOW ILLINOIS ANSWERED

(By H. E. Young, Secretary Illinois Farmers' Institute.)

Last year the Government asked farmers to increase their wheat acreage. The American army, and most of her allies, were sorely in need of bread. More wheat had to be produced, and America had to produce it.

Although not a wheat growing state, Illinois was expected to do her part in supplying this much needed war commodity. It was a case of emergency.

Some sermons are eggs "strictly fresh"; some are of authentic antiquity; and some are merely omelets.

MUCH BETTER THAN CASH
is a check drawn on this bank. It is far safer, it is a pure preventer of disputes, it is a much more economical way of remitting money. And a check gives a tone and standing to a business no payments in currency could produce.
