

Social Happenings on the North Shore by Ruth Risley

ANOTHER real treat is in store for Winnetkans next Thursday evening, January 23, beginning at 8 o'clock, when Professor Ralph Dennis, formerly vice-consul in Moscow, Russia, will speak on, "Russia and the Bolsheviki" at the Winnetka Woman's club.

This address a short time ago met with a very favorably reception when it was delivered before the Chicago Association of Commerce, and the Wilmette Sunday Evening club, and it is said to be the latest and most authoritative word direct from Russia upon conditions which are engaging the most serious thought of the whole world.

Professor Dennis brings to his subject a great fund of first hand information. He went to Russia as an emissary of the American Red Cross. He attracted such favorable attention that he was appointed American vice-consul at Moscow. He was at this post during the Russian revolution and for some time after the downfall of Czar Nicholas and his regime. He saw the rise of the Bolshevik party and knows intimately the history and purposes of its leaders. The meeting is open to everyone in the Village.

THE GIFT SHOP is doing well, and recently several interesting contributions have been received, consisting of a gas stove, a hot water tank, a gold watch, and some handsome and quaint jewelry. The Shop thermometer is steadily rising, and the fund for Dr. Alice Brown and her work abroad is gradually swelling.

There is still on hand several of the 200 pounds of candy, donated by a friend to the Shop at Christmas time, and Villagers are advised to buy their candy here, as it has been pronounced delicious.

Invitations are about to be mailed for the nuptials on February 1, of Miss Margaret Ledyard Field and David C. Thomas. The service will be read at 8:30 o'clock by Reverend George Craig Stewart in the Lady Chapel of St. Luke's church, in Evanston. The bride-elect is a daughter of Mr. and Mrs. Charles E. Field, and her fiance is a son of Mr. and Mrs. Arthur G. Thomas of Winnetka.

Communication

Editor, Winnetka Weekly Talk, Winnetka.

Dear Sir:— In behalf of the War Savings committee for Cook County, I wish to take this opportunity of thanking you for the many favors extended to us by you during our strenuous campaign.

Your devotion to the cause of the United States of America, in the sale of War Savings Stamps has been a true expression of your patriotism and sincere loyalty to your country.

In sacrificing your time and effort in our behalf, you have helped us accomplish one of the things which we believe helped greatly in the winning of the war.

As you know, when the Government presented to us the mammoth task of selling two billions of dollars in War Savings Stamps to the people of the United States, we had no organization. We depended upon volunteers such as you to assist us in making this educational work a success. How greatly you helped is demonstrated in the fact that a large part of the 1914 issue of War Savings Stamps was sold and a new issue has been made for 1919.

Permit me to express my gratitude to you for your untiring effort in this cause, which has demonstrated the genuine Americanism of so many of our citizens.

Very truly yours,
War Savings Committee for Cook County,
By Lloyd D. Waddell,
Chairman.

How Cabinet Has Grown

George Washington had only five cabinet officers—a secretary of state, a secretary of the treasury, a secretary of war, a postmaster general and an attorney general. A secretary of the navy was added under John Adams, a secretary of the interior under Taylor and a secretary of agriculture under Cleveland. The department of commerce and labor was created in 1903, under Roosevelt, and the department of labor was made separate under Wilson in 1913.

Clarence Leis is spending a furlough at his home on Fifteenth street this week.
