"ROOSEVELT OF CHINA" SPEAKER HERE SUNDAY

Dr. Ng Poon Chew, Chinese Editor in California and Leader in Missions, Coming to Sunday Evening Club

SPEAKS OF MODERN CHINA

Will Discuss Problems of International Import Affecting Great Nation of the East

China's Struggle for Democracy" will be the subject of the address given at the joint meeting of the Wilmette Sunday Union on Sunday evening, February 23. The speaker will be Dr. Ng Poon Chew, who has frequently been styled "The Roosevelt of China." Dr. Chew is the editor of the first Chinese daily paper to be published in the United States. He is prominent in the Presbyterian church of California, and is a great believer in the efficacy of missions.

Family of Leaders

Dr. Chew's wife was the founder of the first Chinese Y. W. C. A. in the United States. One of his daughters was the first Chinese to teach in the public schools of this country, and another daughter was the first Chinese who, as a music teacher, taught American pupils.

Will Explain Chinese Problems

China at the moment is prominently in the public eye. Its national finances are being supervised by Chicago bankers. The question of nationalizing Chinese and Japanese in America will probably be a question for discussion not only in this country in the near future but in the tribunals of the new League of Nations. In view of these conditions and the part that China has played in the development of democracy, Dr. Chew's address promises to be of great interest.

It is hoped that with him there will be a number of Chinese students who are in this country gaining ideas and being educated with the indemnity funds which this country returned to China after the Boxer uprising.

Returns from Texas

Lieutenant Myron T. Harshaw has returned from Houston, Texas, where he received an honorable discharge from the flying corps. He has been in service practically from the beginning of the war. Mrs. Harshaw is a member of the teaching force of the Horace Mann school.

Receives Discharge

Floyd Voltz, 510 Linden avenue, returned to his home this week after having received an honorable discharge from the United States Marines with whom he served since last June.

"SEVENTEEN" COMING TO VICTORIA THEATER

Stuart Walker's production of "Seventeen", the comedy made from Booth Tarkington's popular "Willie Baxter" stories, comes to the Victoria theater for one week beginning with a matinee Sunday, February 23. Gregory Kelly, who is famous for his sympathetic characterization of Willie Baxter, Lillian Ross as Jane, the ten-year-old villain, Ruth Gordon, as the fluffy "baby-talk-lady," Judith Lowry, who brings a new kind of mother to the stage in the much tried Mrs. Baxter, Neil Martin, Louis Bartels, and half a dozen others bring to life the comic-tragic story of the trials and tribulations of "William Sylvannus," who now that he is seventeen resent being called "Willie" by his family, and "Silly Bill" by his friends.

SERVE 2,800 MEN AT DINNER IN 11 MINUTES

Another record smashed at the Great Lakes naval training station! In one of the new mess halls recently built in one of the camps, 2,800 men were served "chow" in 11 minutes. The men lined up outside the building, marched in company formation to their respective dining rooms, were served cafeteria style and seated at the table eating, all in 11 minutes.

Merchants' Central Delivery

A Great Step Forward!

In order to give our customers a more satisfactory delivery the merchants, whose names appear below, have organized a central delivery system.

The great advantages of such a system are apparent.

It simplifies matters for our customers. If a person makes a purchase from each of the stores, which belong to the CENTRAL DELIVERY, they know that each and every one of the packages will be delivered at the same time.

You are not annoyed with three or four deliveries which may be within a few minutes of each other.

The cost of delivery is one of the large and constantly growing expenses of the retail merchants of Winnetka, and it is with the idea of reducing this excessive and unnecessary expense, together with giving our customers a more satisfactory and prompt delivery, that the CENTRAL DELIVERY has been established.

DELIVERIES WILL BE MADE DAILY AS FOLLOWS

9:30 and 11:30 A. M.
2:30 and 4:45 P. M.
