W. S. Crozier, Town clerk.

Twenty-nine thousand dollars of the balance on hand April 1, 1918, is one that the Commissioners of the Township fell heir to several years ago. It is at interest and the interest is being used only on road maintenance work. The principal was supposed to be used for the building of hard roads in the Township. That plan has not been changed.

Team hire is at the rate of \$7.50 per day.

Labor, due to war conditions, rose from last year's level 35 cents per hour to 50 cents. It may be remarked that considerable energy was necessary to complete the work of this year with the cost of labor increased 42 6/7 per cent from previous years.

The tax rate asked for by the Highway Commissioner for 1919 for road and bridge purposes, despite considerable increases in costs of labor and material, is the same as that levied for the preceding year.

The ambition of the Commissioner has been and is to demonstrate that the affairs of New Trier Township insofar as the Highway Commissioner is concerned, may be carried on with vigor with equal regard to the

rights of all and without waste due either to carelessness in the expenditure of moneys in his charge, or to lack of close and constant supervision of the work.

The responsibility of the tax-payer is in bringing to the attention of the Commissioner at the earliest possible moment any information which he, the tax-payer, feels may be of use to the Commissioner in effecting economies or aiding in bettering the work.

Miles of Township road open and to be maintained by the Commissioner, 18 1/2.

Lineal feet of ditches newly dug, reconstructed and cleaned during year, 105,336—19,955 miles.

N. B.—The north side of Willow road from Thalman road to Provident avenue and the east side of Thalman road from Willow road to Winnetka avenue, were ditched by the Township force and paid for by the Village of Winnetka.

That portion of Dundee road lying within the Township has been concreted by the County and State within the year. This gives a concrete pavement from Glencoe to Milwaukee avenue (Wheeling).

Seven-eighths of a mile of Harms timber road from Lake avenue to Glenview road has been graveled during the year by Township forces to a width of 14 feet.

One-eighth of a mile on Locust street north from Wilmette avenue has been similarly treated.

*Miles of road patrolled during the year, 17.

The weeds were cut once on all the Township roads during the year from lot line to lot line. More than 50 per cent of the roads received a second cutting of a 3 1/2 foot width on each side of the road.

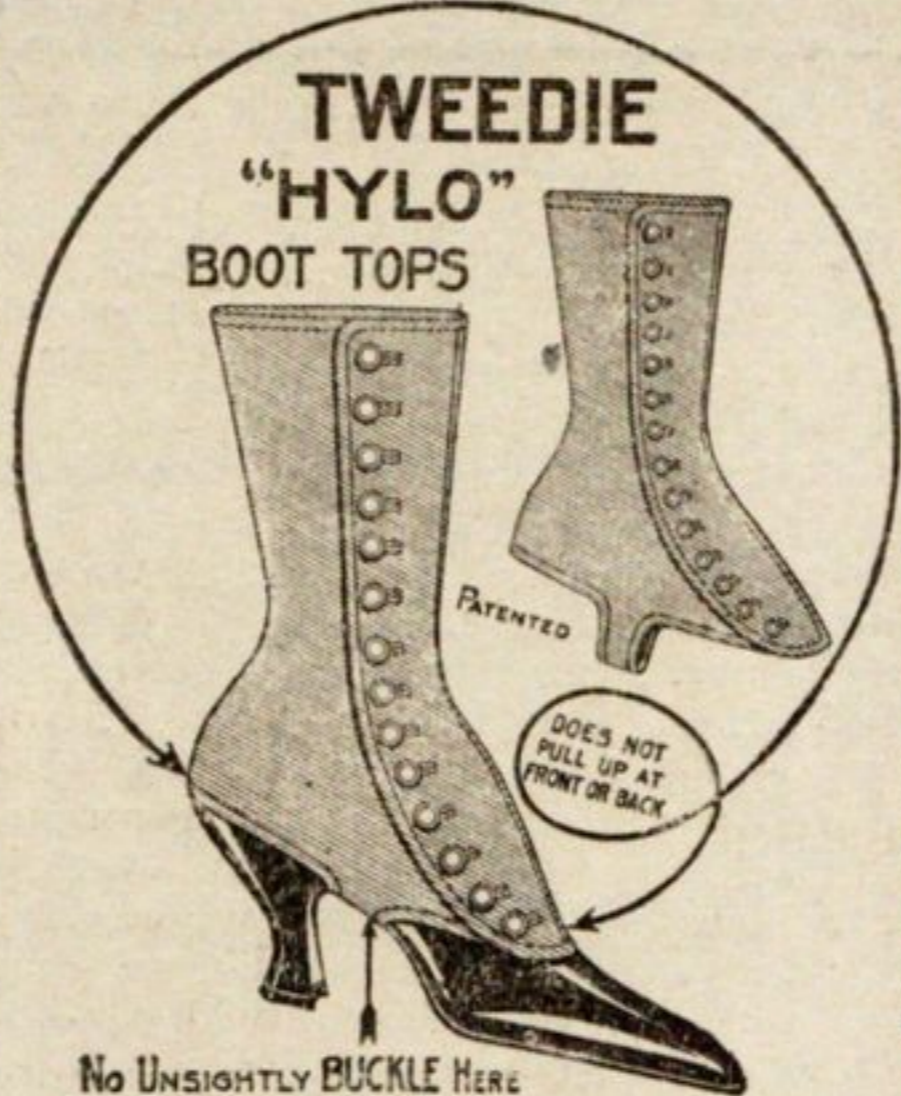

Two thousand and ninety-five yards of gravel and stone were applied where necessary on the 18 1/2 miles of road during the year.

*Patrolling means the filling up of holes, ruts and depressions dragging the earth, gravel and macadam roads and the filling up of the cracks and building up of the shoulders of concrete roads.

Respectfully submitted,
H. H. Sherer,
New Trier Township
Highway Commissioner.

War Emergency Union Activities

**Interesting Pictures to be Shown at
Community House Sunday Evening
Meeting. Edwin S. Feh-
heimer as Speaker**

At a Community Sunday Evening meeting, on March 16, in the Gymnasium of Community House, Winnetka will have an opportunity of viewing a film showing in detail the making of the large six inch shells for the United States Government, and the conversion of a peaceful industry into an instrument of war. The film to be shown represents the work done in machining high explosive shells for the government at the plant of Winslow Brothers company, Chicago. Now that the war is over and such pictures can be shown they bring a realization of some of the stupendous things our government did on short notice. Mr. Edwin S. Fehheimer of Winnetka, who has been in this work, will speak and explain the pictures in detail.

There will be community singing under the leadership of Mrs. Philemon B. Kohlsaat. All are welcome. Coming next week, March 23, at a Sunday Evening Community meeting, Colonel Dan Morgan Smith, commander in France of the "Battalion of Death."

STORY OF GIRLHOOD IS "LITTLE WOMEN"

Louisa M. Alcott's wonderful story of girlhood, "Little Women," recently pictured, will be displayed at Community House, Friday, March 21. There will be two shows, matinee at 4 o'clock and evening show at 8 o'clock. Admission will be 15 cents. It brings to life the four little women and many of the other characters all of which are well remembered by those who have read this novel.

The story is acted most sympathetically and wherever shown, the production created an impression that few motion pictures have done in a long time. The adventures of the four little women, Meg, Jo, Beth and Amy are attractively pictured the result being a photoplay of irresistible charm and beauty. The picture was photographed in the old home of Miss Alcott where the immortal story was written, so that all who have read the story will appreciate the cradle in which their favorite heroines were born and reared to splendid young womanhood.

The various roles of this superb story are portrayed by players of repute. Label Lamon is seen as Meg, Dorothy Bernard as Jo, Lillian

Hall as Beth and Florence Flinn as Amy. Kate Lester is "Marmee," George Kelson, Mr. March, Henry Hull is Brooke and Conrad Nagle plays the role of Laurie. In addition to this feature the Kinogram Screen News of the world will be shown.

WAR PERSONALS

Ensign James W. Harris Jr., is in the merchant marine service on the S. S. "Roepat." He has been on coastwise duty between Norfolk and New Orleans. He is now on his way to France in this service and later will go to Mediterranean ports.

Harry Willis, who has been at the Naval Rifle Range at San Pedro, California, has received his release on inactive service.

John L. Magie of the 15th Regiment Company Aviation, Great Lakes, has been released on inactive service.

Second Lieutenant Frank O. Magie is a member of the Military Police in the Army of Occupation.

Second Lieutenant Y. Wildman has received his honorable discharge.

Lieutenant Myron T. Harshaw, who has recently received his honorable discharge from the army, has enlisted in the American Red Cross Convoy service and recently left Winnetka to take up his duties at sea.

Request To the Families of Men In Service

Will the families of men returned from service kindly notify the office of the War Emergency Union (Phone Winnetka 1000) as soon as possible, in order that the records may be completed there without unnecessary delay. Also: Please send to the Union a photograph of the man in service for the service album if you have not already done so.

Furniture Sale, March 21

The furniture sale at Economy shop scheduled to begin on April 18, will be opened on Friday, March 21, at Economy shop. The early sale was made necessary because the furniture storage room of the shop must be relinquished by the Economy shop, as it has been leased for private use.

The Cemetery Beautiful

PLANTED amidst nature's own beauty, man has created a beautiful park cemetery. The sunken gardens, the winding paths, and the imposing chapel makes this spot a vision of beauty. It is indeed a fitting final resting place for our beloved ones.

Conditions under which Food Products are distributed affect both their value and price.

Opportunity to purchase quality merchandise becomes more appreciated when compared with conditions where such opportunity is absent.

Customers' gratification and satisfaction is not alone desired by themselves, but also an ideal to which reliable merchants strive. A business institution that can always succeed in reaching this ideal is in a class by itself.

The customers' confidence in the merchant's sincere desire to serve their patrons truly and efficiently makes business an increased pleasure and a great impetus to maintain a high standard.
