S. J. DUNCAN CLARK SPEAKER IN COMMUNITY HOUSE

S. J. Duncan Clark gave a keen and masterly address on "The League of Nations" in Community House, Sunday evening, April 6. He was very enthusiastically received and frequently interrupted by applause.

"League of Nations" and showed them to be unjust and unfounded. Even if the covenant is an imperfect instrument," said the speaker.

Mr. Roswell Mason was chairman of the meeting.

Victory Gardens

Rally 'Round the Hoe

Rally 'round the hoe, girls, Give it to the soil, That's the banner we love, In the fields of toil.

We are all aware of the great need of gardens this summer, knowing as we do the chaotic conditions in practically all the countries of Europe and the great cry for food.

Most of us need no urging to plant a garden; for we know the joy of it and how beyond all comparison are vegetables of our own raising.

The time for "slumping" is not here. If the thought "We have won, our work is over!" present itself, drive it out as you would a pest in your garden, for just so long as there are little children with gaunt and pinched faces, faces turned to us, just so long is "slumping" a positive sin.

So let us plant and can with renewed enthusiasm and energy, remembering that every bit of food raised in our own needs is helping to meet the needs "over there."

We know we have the workers, those who gave so unstintingly of their time and labor the last two summers, and we hope to have many new workers, who have just come to Winnetka. We also feel assured that those owning idle land will give it for the "Victory Gardens" with the same generous spirit of co-operation as they have in the past.

"Victory Gardens!" Hasn't it a triumphant sound and a thrilling one? So we shall thrill to this garden work. This duty of ours, not feeling

a burden but a joy; another privilege of proving in a small way that we believe in the principle of the League of Nations, which principle is brotherly love.

Mabel Wallace, Assistant chairman, Victory Garden committee. —SAY YES—

FEAR KIDNAPING AS NORTH SHORE GIRL VANISHES

Fifteen year old Marjorie Hartzell of 792 Scott avenue, Hubbard Woods, has disappeared and the police are investigating.

She is the daughter of Mr. and Mrs. Samuel H. Hartzell. Mr. Hartzell is contracting engineer for the Aetna Fire Extinguisher company.

Wearing no hat because the day was warm, Marjorie at 8:30 Wednesday morning left home to attend her classes at New Trier High school. Two of her classmates accompanied her.

They were within a few hundred feet of the Hubbard Woods station when they saw a southbound electric car, which they were to take to go to the school. The two girls started to run and called to Marjorie: "Come on, or we'll miss the car."

"I'm too tired," she replied. They boarded the car. The last they saw of Marjorie she was walking towards the station. She never reached the school. And no word has since been received from her. She had but 18 cents in her pocket and an electric car ticket for Evanston.

Mrs. Hartzell said last night that while her daughter was fond of the movies and dancing she cared nothing for the companionship of boys.

H. J. Smith, a friend of the family, told the police he believed Marjorie might have been kidnaped. The road in which she was walking is much used by automobiles. It is possible that some one might have lured her into a car on the pretext of giving her a ride to Indian Hill, he said.

Police of towns between Hubbard Woods and Milwaukee have been asked to watch all automobiles and have been supplied with a description of the girl. She is described as of slender build, brown eyes, light brown hair, and olive complexion. She wore a black and white checked dress and tan oxfords.

NINE REELS OF REAL FUN WITH BOY SCOUTS

The people of Winnetka are to have a real motion picture treat. The treat which is in store for the "movie fans" is really two treats. One better than the other but as both of them are among the best pictures ever presented in Winnetka, this is a supertreat.

The Boy Scouts are the sponsors and the program is Saturday afternoon at Community House.

"The Cross Bearer" is a World picture Brady-made, featuring Montague Love. The cast is composed of a Cardinal of Belgium, his beautiful ward, Liane, her rival suitors, Lieutenant Maurice Lambeaux, and Gaston Van Leys, who is secretly in sympathy with the Germans. "When the Germans destroy Belgium the city is surrendered to the enemy through the Cardinal's advice. The cardinal pays a visit to the Pope who counsels faith and patience. In the mean time the military governor seeks to gain possession of Liane.
