A meeting of the Winnetka branch of the Infant Welfare society was held Friday morning, April 25, at 1124 Pine street. It was announced that plans had been formulated to establish a Thrift House in Edgewater for the benefit of the Infant Welfare society as a whole. The president appealed especially to the members of the committee to send any usable or saleable articles they might wish to give away to Mrs. Philip Smith, 5426 Sheridan road, who is collecting the articles for this purpose. Mrs. D. Dallas resigned from the presidency and Mrs. Robert Stevenson, Jr., was elected to fill her place. The plans of the finance committee were later discussed. Several people of Winnetka responded to the appeal for funds recently sent out by the society, but only a small portion of the amount needed has been received and it is hoped the public will keep in mind the very special need for money this year to do the work planned. The society hopes to raise the required amount of \$3,500 within the next few weeks.

WE THANK YOU

BUSINESS RELATION with the people of Wilmette, Kenilworth and Winnetka has translated our early impression of the North Shore into a conviction that its equal can rarely be found. The citizens have all treated us with great courtesy. Our customers have dealt with us in a manner to make us feel they were friends whom we liked to serve to the best of our ability. The business people (including our competitors) were men who have won our respect and admiration because of what they are and their fair dealing towards us. The village authorities have always dealt with us in the kindest spirit. To one and all we express our sincerest gratitude. We wish for everyone prosperity and true happiness.

All persons employed by us (with very few exception) during these years have tried to serve customers and employers in a manner that merits approval. To these former employes (our friends) wherever they are to-day in the country's service or employed by us or others, we feel greatly thankful.
