

Social Happenings on the North Shore by Ruth Risley

ON WEDNESDAY evening of this week a large and most interested group of Winnetka citizens, representatives of most every organization in the Village, gathered at Community House to welcome Mr. C. W. Washburne, the new superintendent of schools, and Mrs. Washburne. In honor of this important event, the huge gymnasium was completely transformed into a lovely reception room, scarcely large enough for the many guests.

In the receiving line were Reverend and Mrs. J. W. F. Davies, Mr. Laird Bell, the new president of the Board of Education, and Mrs. Bell, Superintendent and Mrs. Washburne, Mr. John Miller, Jr., president of the Village Council, and Mrs. Miller, Mr. Edwin Fechheimer, Mr. and Mrs. John Olmsted, of the Parent-Teacher association and Mrs. James F. Porter, of the Winnetka Woman's club.

Shortly after 9 o'clock the receiving group led a grand march which rapidly filled the hall, and merged into informal dancing. This delightful affair was given jointly by the Parent-Teacher association, the Winnetka Woman's club, and Community House. These organizations feel that in inviting the residents of the Village to meet Mr. Washburne, they did more than to introduce him to the community, they were pledging him their good wishes and their loyal support of our public schools and the welfare of our nine hundred public school children.

DO YOU KNOW?

The daily output of FORD "Enclosed Cars" is greater than the combined daily production of Open cars, Closed cars and Trucks of any other company.

Notwithstanding that fact, FORD "Closed Cars" are more scarce---orders more plentiful---than any manufacturer ever experienced.

THE REASON?

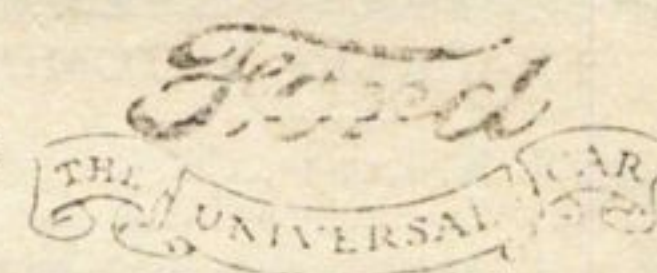

People generally---wealthy families particularly --- those who own large cars, have been quick to see the neatness—the wonderful value—the sensibleness of the FORD Sedan, with "Built-In" Electric Starting and Lighting System.

I can't keep one on hand, but am able to show a car by appointment.
