Paint is a necessity —not a luxury

After your house needs painting, every year you wait it will require more paint and more labor to put it in good condition. And every year you wait your house is worth less. Good-paint money is good paint insurance. And it's pretty good insurance on the value of your property, too.

DEVVOE *The Guaranteed* **Lead and Zinc Paint**
Fewer Gallons—Wears Longer

If your house needs painting, come in and let us tell you what it will cost you to use Devvoe.

We say "Devvoe" because it's absolutely pure.

That's why Devvoe takes fewer gallons, wears longer—and costs less by the job or by the year. And that's why we guarantee Devvoe without reserve.

Ask us for helpful illustrated booklet—"Keep Appearances Up and Expenses Down."
