

## W. G. McAdoo Challenges Mothers, Fathers and Friends of Boy Scouts to Boost Fund

A nation-wide campaign to enlist 1,000,000 associate members into the Boy Scouts of America, will be conducted during the week of June 8-14, dates inclusive. Former Secretary of Treasury and Director General of Railroads, William G. McAdoo, who is chairman of the Citizens' National committee, has issued the following appeal to the mothers and fathers of American boys which embodies the purpose of Boy Scout Week. The communication reads:

To the Mothers and Fathers of American Boys:

The Congress of the United States, recognizing the value of proper training of American boyhood, granted a special charter for the organization of the Boy Scouts of America. This organization now embraces 375,000 splendid boys; but this is a very small proportion of the 10,000,000 American boys between the ages of twelve and twenty-one who ought to be given the benefit of Boy Scout discipline, training and practice.

The future of the Nation depends, of course, upon its youth. The fathers and mothers of American boys will be gravely derelict in parental duty and in National obligation if they fail to give their hearty support, moral and financial, to this great American Boy Scout movement. Not only is every Boy Scout given useful knowledge and training which equips him better for the battle of life, but there are inculcated in him the duties, obligations, ideals and higher conceptions of American citizenship.

Each year the Boy Scout movement is turning out thousands of better boys and creating the finest types of future American patriots. No cause should appeal more strongly to the

mothers and fathers of America than the Boy Scout cause.

The Boy Scouts raised several hundred million dollars in the Liberty Loan and War Savings Stamp campaigns. They did splendid work for the Red Cross in its several national campaigns. They served the Government in many other effective ways during the great world war. It is an organization of gallant patriots and deserves the encouragement and support of the nation.

The week beginning June 8 and ending June 14 has been set apart as Boy Scout week for the purpose of enlarging and strengthening the Boy Scout organization. Associate memberships in the Boy Scout organization will be offered to the mothers and fathers of American boys and to other adult American citizens. This, if successful, will provide a supporting adult organization to the Boy Scouts of America which will assure the enlarged usefulness and effectiveness of the Boy Scout movement. Surely there are five million American men and women who are willing to help the boys of America to become the best of all American citizens. Surely there are millions of other American citizens who are willing to contribute a small sum to put the Boy Scout organization on a strong and permanent basis which will assure the continuous training of the youth of America in the finer ideals and conceptions of citizenship in the greatest democracy of the earth.

This worthy cause stands alongside the Red Cross and other humanitarian organizations which have had the generous support of the American people. In the name of America's best boyhood, I beg America's manhood and womanhood to help.

W. G. McAdoo.

## CAMP ROOSEVELT OPEN TO NORTH SHORE BOYS

R. O. T. C. Camp at Muskegon, Michigan, Will Accomodate 15,000 High School Students

Boys from the North Shore will be invited to a Reserve Officers' Training Camp at Lake Michigan this summer. The encampment has been named Camp Roosevelt, as a living memorial to the dead statesman, and 15,000 men and boys will be given a period of intensive military-physical-educational training there between July 6 and August 31. Captain F. L. Beals of the United States army will be the commanding officer.

### Train High School Boys

Camp Roosevelt is being established at Muskegon, Michigan, as a training place for the Chicago High school boys who are in the Reserve Officers' training corps, but it is not necessary to be from Chicago or to have had previous military training to be a Camp Roosevelter. It will be an all-age, all-American camp, open to recruits between the ages of 12 and 45.

The military training will include drills, machine gun practice, ground aviation, radio instruction and other military features. The physical training will include calisthenics, baseball, tennis, golf, swimming, rowing and hiking. The educational training will be under the direction of Chicago High school instructors and will cover all high school subjects. This feature is optional with the recruit.

### Non-Profit Making

Camp Roosevelt is not a profit-making institution. It is being financed by a committee of patriotic Chicago citizens who believe that it may pave the way to a program of national preparedness at all times. The charge, as far as the recruit is concerned, is only \$1 per day to cover subsistence and equipment, and an enrollment fee of \$1. This will pay for all expenses at the camp, including board, necessary equipment, instruction and a tent to sleep in. Recruits can arrange for two, four, six or eight weeks of training as desired.

### Military Discipline

Camp Roosevelt will be under strict military discipline and the commanding officer will have complete charge of all added features of training.

So many inquiries are coming in regarding the camp that it has become necessary to establish executive headquarters at 21 North La Salle street, Chicago, from which full information may be secured upon request.

### SEEK MEN TO FILL U. S. VACANT CIVILIAN JOBS

The United States Civil Service Commission announces that vacancies which must be filled are constantly occurring in the vast civilian force of the government, and that at this time examinations of not less than 125 different kinds are open, most of them to women as well as to men. The positions cover all

grades from mere routine work to the highest grades of professional, technical and scientific positions. Stenographers, typists, and bookkeepers are especially needed. Many of the positions carry good salaries, such as the following:

- Cost accountants, \$2,200 to \$4,200 a year.
- Office managers, \$1,800 to \$3,600 a year.
- Mining accountants, \$2,400 to \$6,000 a year.
- Superintendent of heat treatment, Naval Ordnance Plant, \$5,000 a year.
- Production engineer, Naval Ordnance Plant, \$9.28 a day.

Assistant designing engineer, Naval Ordnance Plant, \$9.20 a day.

For these high grade positions, of course, special training and experience is required. Any representative of the Civil Service commission is prepared to furnish full information concerning these and other positions.

Discharged soldiers, sailors and marines seeking positions are particularly invited to seek information concerning government positions.

## DEVOE SCREEN PAINT

The Guaranteed

Be sure to get this special Screen Paint. It is made of exactly the right "body" so it cannot clog the finest mesh. Use it on both frames and wire. You have your choice of a lustrous green or a brilliant black.

Anyone can apply Devoe Screen Paint. Simply have the screen dry and clean. Stir the paint before and while using. A coating on one side is usually sufficient. It will dry to a hard gloss in a few hours. We especially recommend this paint.

Don't forget that a coat of Devoe Screen Paint next fall will prevent rusting next winter.
