

**Out-Hit by Opponents  
Locals Win on Errors**

Wilmette won its second game of the season Memorial Day when it trimmed Glencoe 9 to 2 in a game featured by good pitching by Raap and poor support for the Glencoe hurler.

Raap struck out 13 men and was invincible in the pinches. Steffens and Clavey pitched for the opponents and together struck out nine men. Robinson was taken from left field in the sixth inning and placed behind the bat while Schwall, the team's temporary catcher, went to left field. Robinson demonstrated that he was the better catcher of the two, not only in hanging on to every ball but in getting high fouls, a department where Schwall was weak. Schaefer, of Wilmette batted 1.000 with three hits, a walk and first on error. He also pilfered two bases.

Glencoe opened the game with a hit by Moeller who slammed the ball to Leis, the third baseman, who took his time about throwing the ball leaving the batter reach first. The next man struck out while Moeller took second and third when Schwall tried to get him stealing second but threw to the centerfielder. He scored on Schroeder's single. Schroeder stole second but was caught going to third. Clavey reached first on an error and stayed there while Steffens struck out.

Wilmette retaliated when Leis opened with a single and went to second on Schaefer's single. Eber struck out. Both runners scored when Braun reached first on an error. He went to second on the throw home and scored on Estes' single. Estes stole second and came home when De Long walked and Robinson was given a life at first on the shortstop's error. With two men on Schwall struck out and Raap was out at first.

Nobody scored in the second inning but Wilmette crossed the plate twice in the third when Estes and De Long were passed. Estes scored when De Long was forced at second, on Robinson's hit. Robinson stole second and came home when Raap reached first on an error after Schwall struck out for the second time.

Glencoe scored another in the fourth and Wilmette added two more to their score on Schaefer's third single, two errors and a hit by De Long. After striking out nine men in the first four innings Raap let up. Schwall struck out for the third time in Wilmette's fifth and then went to the outfield in Robinson's place.

Robinson played a sterling game behind the bat and aided in stopping a rally in the seventh inning when Glencoe filled the sacks with nobody out on a costly error by Lies after Steffens had been hit by Raap. Gelhart singled and filled the bases after which Lane struck out. Rudolph skied one to Raap and Moeller was thrown out at first.

Glencoe threatened again in the eighth when he put two men on second and third with none out but again Wilmette demonstrated their ability in tightening up in a pinch. Clavey fouled to Robinson, Steffens struck out and Beck was out at first.

Wilmette scored a run in their half of the eighth and in the ninth Elmer Burns, a 12-year old youngster batted for Lane of Glencoe. The latter went to second on Moeller's single but Wieder knocked a high one to Eber.

**Evanston Team Loses**

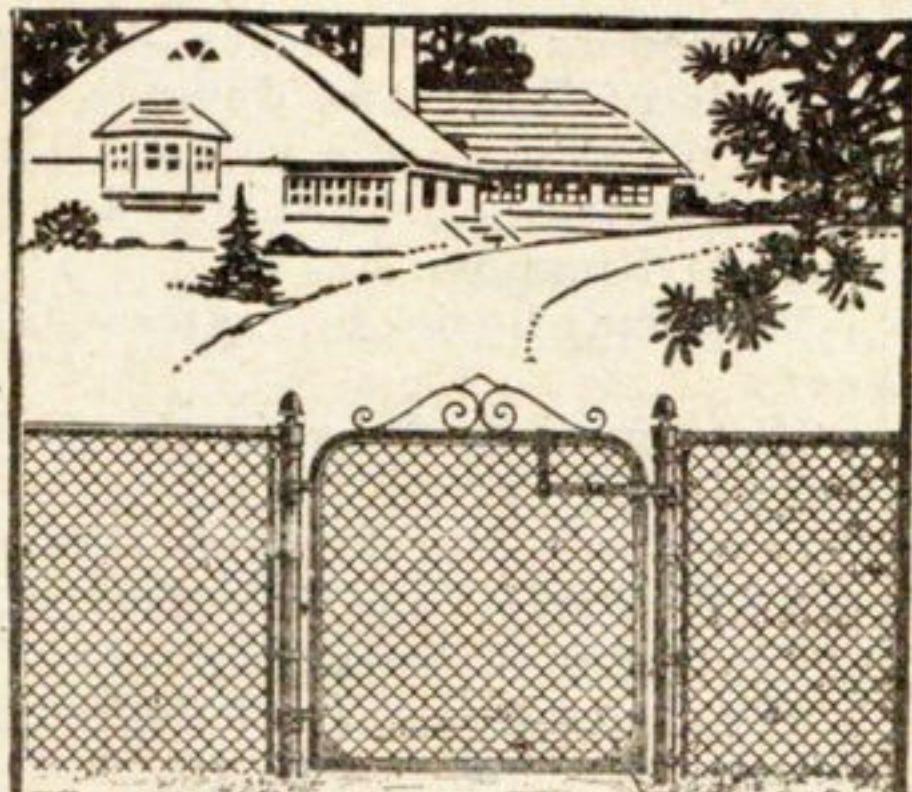

After having their opponents beaten 16 to 4 in eight innings Wilmette eased up in the ninth and

allowed the Ramblers of Evanston to score 6 runs.

Raap pitched until the fourth inning when with the game in their hands Wilmette sent Borre to the mound. It was his first game in two years but he held the opponents until the last inning when he tossed the ball to the batters letting them hit it at will.

Wilmette now has three victories to their credit and one defeat. They will play the Oaktons of Evanston Sunday afternoon at the Evanston diamond.

**Put this House on  
Your Vacant Lot**

*you'll have a market for it*

OVER 20,000 families are hunting for a place to live in Chicago—if you had a house or apartment in course of construction on your vacant lot, you could have sold at a handsome profit before it could be finished.

It's easy to finance such a building project. Chicago Builders require a cash payment of only 10% or 15%—Building and Loan Associations and Banks will loan you approximately 60% of the value of your house and lot.

Don't hesitate because of prices—they're at a steady level that will hold

for years. Build while the demand for houses is keen.
