

# Social Happenings on the North Shore by Ruth Risley

THE COUNTRY CLUBS were attractively decorated on Memorial Day with flags and spring flowers for the formal openings and the links were dotted with the gayly clad golfers. When it was too dark to distinguish the little white ball in the green turf, the players enjoyed dinner and dancing, and everywhere there was a spirit of gayety and lightheartedness that was lacking last year and the year before.

Indian Hill club, one of the most picturesque spots along the north shore, was a popular mecca for its members. An all day golf tournament attracted many, and at 7:30 o'clock, dinner was served to one hundred and fifty guests, after which there was dancing. Among those entertaining parties were Mr. and Mrs. Harry L. Street, Mr. and Mrs. E. S. Rogers, Mr. and Mrs. Harry A. Gardner, Mr. and Mrs. J. W. Prindiville, Mr. and Mrs. Norman A. Street, Frank O. Magie, Mr. and Mrs. William B. Clarke, Mr. and Mrs. A. Ballard Bradley, Mr. and Mrs. H. E. Dixon, and Mr. and Mrs. Howard W. Fenton.

At Bob O'Link there were more than 200 at the dinner dance, and an excellent number also turned out at Skokie Country club.

Miss Jeannette Walker, daughter of Mr. and Mrs. Lyman T. Walker, 651 Prospect avenue, will become the bride of Horace Kent Tenney, Jr., son of Mr. and Mrs. Horace Kent Tenney, 640 Pine street, on Saturday afternoon of this week, at the residence of the bride's parents.

The wedding of Miss Helen Carson Plate, daughter of Mr. and Mrs. Ferdinand Plate of Akron, Ohio, formerly of Wilmette, to Leonard E. Starkel, son of Mr. and Mrs. Louis T. Starkel, of 925 Oakwood avenue, will take place on Saturday at the home of the bride's parents. Miss Plate attended Northwestern University and is a member of the Pi Beta Phi sorority.

Mrs. Christine Peterson of Custer, Michigan, announces the approaching marriage of her daughter, Nora, to Edwin H. Arnold, son of Mr. and Mrs. G. W. Arnold of 490 Hawthorne lane.

The program for the annual graduation week of Northwestern University has been announced. Governor Lowden is to deliver the farewell address of June 18 after five days of entertainments and celebrations to mark the graduation of a class of 230.

Mrs. Thomas Holgate, wife of the acting president, will give a reception to graduating students June 13 in the library. June 14 is to be given over to "stunts" and on the 15th the Reverend Ernest Tittle will deliver the baccalaureate address at 3:15 p. m. The senior's class day will be held June 16, when a band concert and program will be given on the campus.

The dormitories will be opened for "farewell" parties from 9 to 11 a. m. on June 17 and a reception will be held in the gymnasium. Alumni breakfast will be served at 8 a. m. the 17th, followed by Governor Lowden's speech.

A pretty May party for children was held last Saturday afternoon on the lawn of Mrs. Kriebel's residence, 267 Ridge avenue. Thirty children were present, and enjoyed games and dancing around a May Pole decorated in red, white and blue. A Punch and Judy show was given for their amusement, after which they were served with refreshments, fancy caps, and favors. The list of tiny guests includes: Mary Hoyt, Betty Newhall, Frances Whitman, Sally Kriebel, Esther Kriebel, Annie Sadler, Betty and Monsey Sadler, Alice and Scott Thomas, Hugh Wolff, Fred Kriebel, Jr., Mary, Lucy and Buddy Trumbull, Sally and Stephen Windes, Marjorie McNie, Betty Lloyd Barley, Margaret, Alan and John McClain, Isabel Milton and John Milton.

Mr. and Mrs. Heyliger A. de Windt of 593 Sheridan road, left yesterday to attend the closing exercises of the Farmington and Simsbury schools in Connecticut, where their daughters, the Misses Caroline and Alice de Windt, are in attendance. From Connecticut the family will go to Great Barrington, Mass., to visit Mr. and Mrs. Delano de Windt until June 16, when they will go to Non-quitt, Mass., to visit Mr. and Mrs. John H. Arnold. They will return to Winnetka on July 3.

Miss Dorothy Magie, daughter of Mr. and Mrs. Frank Ogden Magie, formerly of Winnetka, has returned from the east, where she attended school the last term. The family will leave July 1 for Asquam lake, Holderness, N. H., where they have taken a cottage for the season.

The Chicago Mount Ida association will hold its third annual reunion Saturday. There will be a card party and a dance in the evening, at the La Salle hotel. Miss Eleanor Nichol of 816 Forest avenue, is chairman of the association this year.

Mrs. David Burton of Detroit, Mich., and Mrs. J. Ascheim of New York City, are the guests of their children, Mr. and Mrs. Charles N. Ascheim, 384 Elder lane.

The party and dance held on the afternoon and evening of Saturday, May 24, at the Winnetka Woman's club for the benefit of the Infant Welfare society of Chicago, proved even a greater success than the committee in charge anticipated. From the dance and party approximately \$1,000 was realized and subscriptions up to date have netted \$1,368. However, although as much has been raised this year as last year, more remains to be done, inasmuch as Winnetka's quota for the maintenance of its station at the Chicago Commons has been increased from \$2,200 to \$3,500 on account of taking on children from two to six years of age. With what was left on hand from last year there still remains a deficit of \$500.

Mr. and Mrs. William P. Happ, 826 Spruce street, announce the marriage of their daughter, Helen Marie, to Dr. Claire Hayes of Clinton, S. C. Mrs. Hayes has been spending several days in the Village as the guest of her parents, and left this morning for a stay in New York City, before returning to Clinton. Dr. Hayes is in charge of a hospital there, and Mrs. Hayes will assist him. They both recently received their discharge from the service.

Major Ferdinand E. Bartelme of the 20th Engineers, who was married recently to Miss Gertrude Spaulding of New York, is in southern California with his bride, and expects to go to Honolulu, China and Japan. They will be in the Orient several months.

Woman's events at Westmoreland Country club opened on Tuesday of this week, with a luncheon, and numerous golf events. Mrs. C. R. Morrison is a member of the program committee.

Mr. Buckingham Chandler has returned from France, where he served as a captain in the Red Cross for more than a year, and has joined his family at their residence in Hubbard Woods.

Mr. and Mrs. W. S. Whitman have re-opened their home at 620 Ash street, after spending the past six months at Miami Beach, Florida.

Mr. and Mrs. E. M. Marbles and family of 664 Lincoln avenue, motored to Michigan City, and other Indiana points over last week-end.

### Tight

Johnny—These pants that you bought for me are too tight.  
Mother—Oh no, they aren't.  
Johnny—They are too, Mother. They're tighter'n my own skin.  
Mother—Now, Johnny, you know that isn't so.  
Johnny—It is, too. I can sit down in my skin, but I can't sit down in my pants.—Boys' Life.

### A Coal Bank

"What do you know about checks and drafts?"  
"Why, I've run our furnace for years."—Boys' Life.

### Parent Teacher Activities

The Skokie school held its annual Field Day last Wednesday afternoon. The whole school went to Skokie park to celebrate the event. A committee of sixth grade children were in charge of the program which consisted of races, relay, distance, potato and wheelbarrow, and an interesting ball game, followed by a basket lunch. Everybody said it was the best field day Skokie has ever had.

The teachers of the Skokie school held their monthly meeting this week. The question of school legislation was discussed. All the teachers decided it was their duty to the cause of education and to the general welfare of the teaching profession to write the congressman of this district, Carl R. Chindblom, House of Representatives, Washington, D. C., to use his efforts in having the Towner bill known as H. B. No. 7 passed. This bill proposes to establish a national bureau of education in Washington. It is hoped that all who read this, will do their bit also to help along the progress of the public schools in the United States.

## What a woman told us yesterday

She was telling us why she went out of her way to buy her groceries from us.

"One reason," she said, "is because I'm always so sure of getting things that are good. Besides you people seem to do everything you can to make my shopping easy."

Not all our customers tell us that, but we feel certain that these are the big reasons we have so many patrons and why we've had them so long.

We do try to make buying groceries easy and pleasant and we do try to have the best of everything in the grocery line.

One of the best things we have and recommend is RYZON Baking Powder.

We recommend it because we know it will give our customers perfect results. It's pure and clean, it's always uniform in quality, it's efficient and it's economical. Priced fairly at 40 cents a pound.
