

STEPHENS HAS CLEVER LINES WHICH GIVE IT INDIVIDUALITY

By H. A. L.

The body lines of the Stephens Salient six are distinguished by an individuality of style that immediately stamps it the product of expert motor car designs. Lines are lithe and graceful, yet indicative of roominess and comfort.

The six-passenger, which is very popular along the north shore, is particularly attractive, the body is very cleverly fashioned, seating four, five or six passengers in comfort. While it has ample passenger capacity, it is light in weight, which make for economy in maintenance.

Body sides are fashionable low with deep, soft cushions that indicate the body at the angle for maximum comfort.

The finish of the car is characterized by the utmost refinement. The top is artistic, with distinctive plate glass windows at the rear and jiffy curtains. Underneath the double cowl the auxiliary seats fold neatly away. In the rear tonneau is a built-in light, neatly placed in the rear cowl.

Every one who has looked at the Stephens has raved over the handy built-in tool kit placed in the left hand front door and the right hand door has a complete touring kit, with brushes, trench mirror, drinking cup, etc.

It is just little things like this, coupled with the general rigid construction of the car, that is making this car so much in demand.

WINNETKA BASEBALL TEAM WINS TWO GAMES

Winnetka's baseball team won its first two games of the season when it defeated Highwood on Memorial Day by a big score and Glencoe on Sunday in a one-sided affair, 19 to 1. Winnetka's team is not only playing well but has the support of a large number of Winnetka's followers of the national pastime. The boys will play the Wilmette team on Sunday, June 15, at the diamond on Elm street.

Not Likely To Be A Star

"My wife is practicing economy now."
"That so?"
"Yes, but I don't believe she's ever going to become expert at it."

Try to make the dishes served of and no unnecessary table or plate such size that there will be enough waste. Don't be ashamed to plan to satisfy the appetite of the family closely. Thrift in food means providing enough food, neither too little nor too much.

Your New Car

Take care of your car when it is new. Oil it, grease it, keep it clean, but above all take care of your battery.

If you follow the few simple rules of battery care from the first day, your battery will not only serve better but last longer.

One of the first things you ought to do when you get your new car is to bring it in and let us tell you what these rules are. Ask us to register your battery at the same time and get the benefit of the Willard 90-day battery insurance policy.
