Telephone users are respectfully urged to speak distinctly when asking the operator for numbers.

Numbers are likely to be confused unless spoken clearly. For example, o sounds somewhat like 4, and 5 like 9.

In calling a number speak slowly with lips close to but not touching the mouthpiece. This will reduce greatly the number of "wrong numbers" due to indistinct speaking by calling party.

The New Light Six Price Delivered, \$1695.00

In appearance the New Studebaker Light Six is one of the handsomest cars on the road. The lines are clean cut and aristrocratic. The fenders, radiator, slanting windshield and the arrangement in detail of the seats all blend harmoniously and symmetrically. It is "the ideal five-passenger car."

Let us give you a demonstration.
