EVANSTON MOTOR CAR CO. IS GIVEN AGENCY FOR THE PAIGE AUTO

The Evanston Motor Car company was tendered the north shore agency for the Paige car and the offer was accepted by Manager Watts. The agency carries with it considerable prestige. Manager Watts and his

corps of salesmen have gained a name for themselves by the manner in which they have brought the Holmes air-cooled car to the front. A new model four-passenger Paige car was put on display in the company's showrooms at Grove street and Sherman avenue one afternoon last week and before 9 o'clock that night a deal for its sale was practically closed.

Health Clubs Are Organized

The fact that 33 per cent of candidates were rejected by Army physical examinations because of under-

weight is being used by promoters of the national health campaign, which is being boosted in Iowa. Home demonstration agents are co-operating with teachers, food clubs, and parent-

teacher associations. It is planned to organize health clubs, to prepare menus, and send out literature relating to such subjects as food, exercise, and health.
