

CHILDREN SCORE HIT IN MUSIC AND PLAYS

Young People of St. Joseph's Parish Delight Audience with Evening of Entertainment

Little Frances Anderson of 178 Myrtle street, Winnetka was the "hit" of the evening at the entertainment given at St. Joseph's school hall Sunday evening by the young people and children of the parish.

She amazed everybody by her excellent piano playing and was greeted with prolonged applause when she played "Lilacs," accompanied by Edward Bruchhauser, boy violinist.

The play itself was a great success. The musical numbers furnished by Miss Pauline DeHaye, Miss Kathryn Anderson, the Psenicka brothers, Raymond Borre and Ralph Ortegel, were received with delight. "Gentlemen Workers," small boys of the primary grades, drew some hearty laughs. "The City Band" was especially entertaining and the boys merit praise for the manner in which they manipulated the instruments and the variety of music they furnished. "Just You Wait 'Til After School" was enjoyed very much and "The Saving of Pug Halley" drew forth applause several times. A solo, featuring Arthur Borre and twenty young "coons" in "Old Black Joe," terminated an evening's enjoyment for everyone.

The program for next Sunday:

2. "You're Welcome If You Keep Right Still" Primary Grades

WILMETTE BOWS TO NILES CENTER IN ONE-SIDED GAME; 9-4

Wilmette suffered its third defeat of the season Sunday at Niles Center when they lost to the Niles Center baseball team 9 to 4.

Up to the eighth inning the game was uninteresting, Niles Center leading 5 to 0. With one down Wilmette then scored 4 runs but in their half of the same inning Niles Center scored, sent four more markers over and Wilmette took the count.

Raap pitched for Wilmette and was nicked for 13 hits although he struck out 12 batters. His support was poor in spots, seven errors being chalked up against Wilmette. Galitz hurled for the opponents and was nicked for seven blows. He struck out 15 local lads, his chief asset being a big, deceptive one-drop which baffled nearly everybody.

The farmer lads scored one in the third and two more in the fourth adding two more in the seventh. In the eighth after Wilmette had nearly tied up the count, Schwartz first batter for Niles Center struck out, and Galitz was out at first. Kimball then fled to center but Estes dropped the ball and the rally was on. Four hits and four runs followed and the game was lost for Wilmette.

A peculiar feature of the game was the fact that A. Braun, catching for Wilmette, made 14 putouts while his brother Ed, playing at first, was credited with the remaining 10.

The field was in poor condition and players on both sides particularly the local boys, had difficulty in judging ground balls. The score:
Niles Center00120024*—9131
Wilmette000000040—71
Batteries—Raap and A. Braun; Galitz and Baumhardt.

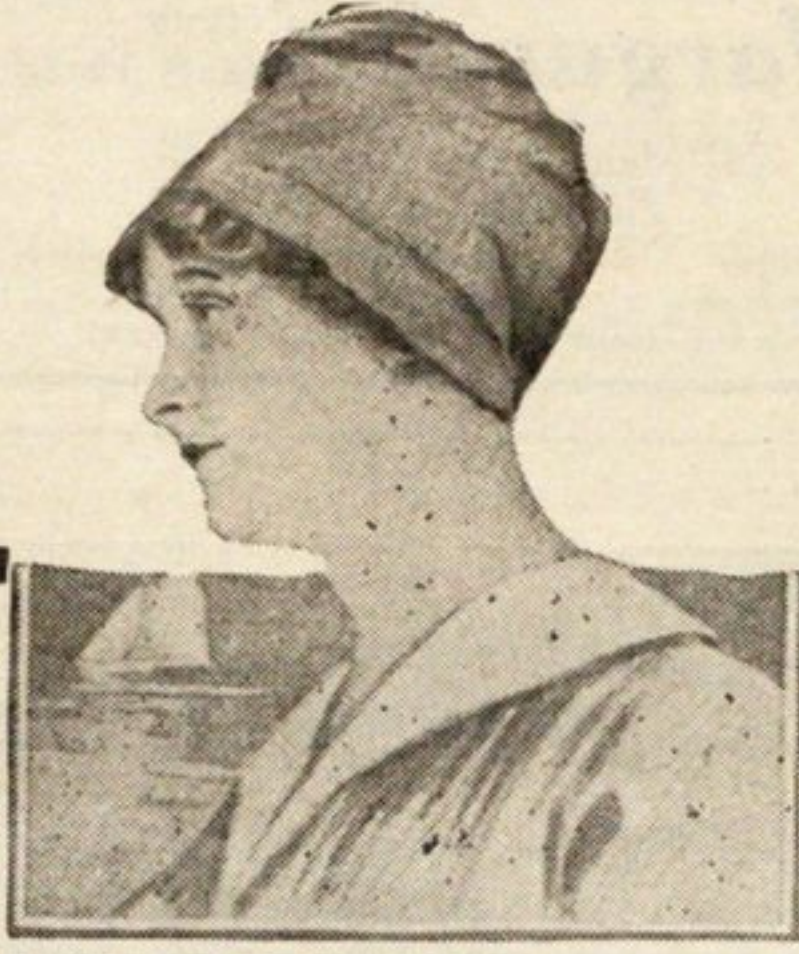

The announcement of a new third baseman to take Leis' place at the far corner was made this week. The newcomer is Joe Lenguardoro, who has played with various teams in Chicago. Lenguardoro is scheduled for the lead-off position on the batting order.

Why "Salient" Six?

"That is salient which is strikingly manifest or which catches the attention at once."—Webster.

"Salient" exactly defines the Stephens Six. It instantly conveys to the mind the many distinct and superlative qualities of the Stephens—a car of beauty, power, idling ability, speed, acceleration, economy, comfort and easy-riding qualities not equaled by any other car at anywhere near its price class. "Salient" combines in one short word just what is embodied in the Stephens overhead-valve engine and in addition describes the Stephens car as a whole. It means prominent, superior, pre-eminent. This one word powerful, outstanding, dominant, perfectly describes the qualities of the Stephens which we are pleased to name "Stephens Salient Six."

In choosing pullets for small back yards very light-colored and white birds should be avoided as their plumage shows dirt too readily. Where the soil of the yard is clayey, pullets with feathers on the legs and those with more than four toes on each foot should be rejected.

Bell System

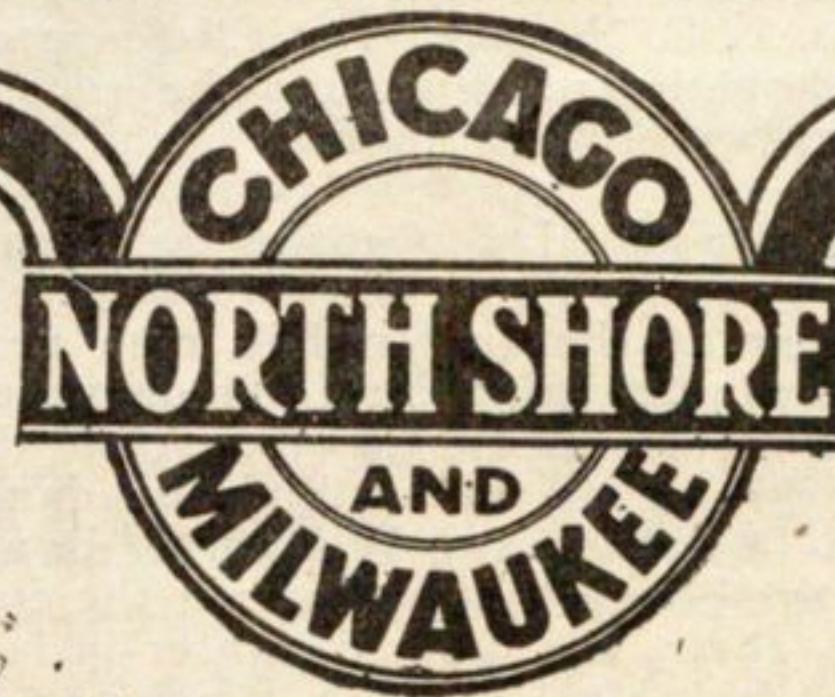

Sometimes a telephone user will guess at a number rather than take the trouble to hunt for the telephone directory, which may be mislaid. If his guess is wrong a useless connection is established, a third person is inconvenienced, time is lost, and the work must be done all over again.

Make it a rule to keep your directory near your telephone and consult it each time you make a call.

The use of handy lists of numbers frequently called is not advisable, unless such lists are corrected each time a new directory is issued. The use of the directory itself is always safer.
