

## WILMETTE NINE COPS AN UPHILL BALL GAME

Locals Take Glenview Athletes In  
Tow For Third Straight Victory;  
Final Score Is 11-8

Wilmette came from behind in the fourth and fifth innings, Sunday, and overcame a seven-run lead, held by Glenview, and went home with the long end of an 11 to 8 battle.

The game started at 3 o'clock and fifteen minutes later it looked as though Glenview had the pastime on the ice. In the first inning the farmer lads scored five times on a hit, three free tickets, and four local errors. Those were the only errors charged against the locals but they all proved costly. Nel Rich, the Wilmette hurler who hadn't pitched for several years was in the box and in the third inning was again nipped for three hits, one a double, scoring two men. The fracas stopped right there. Borre, who defeated Glencoe Friday, stepped into the box in Rich's place and held Glenview to five hits during the remainder of the battle.

After Wilmette rallies had been neatly squelched in the second and third innings, Dews, the opposing hurler, eased up a bit and was met with a rush. Schaefer, first up, reached first on an error but was forced at second by Braun. De Long was hit by a pitched ball and both he and Braun scored on Leis' double. Robinson singled, scoring Leis, Eber singled and Estes walked filling the sacks. Dews handed Borre a free ticket forcing Robinson in with a run. Rosberg struck out in the pinch and with two strikes against him Schaefer, coming to bat for the second time in the inning, singled through short, scoring Eber and Estes. The next inning was a repetition of the fourth. A howling mob rattled Dews into pitching them over to De Long and Leis. Both singled. Robinson reached first on an error after De Long and Leis had perpetrated a double steal. De Long scoring on the error. Eber struck out but Estes reached first on an error. Borre scored Leis by singling and with the bases loaded Rosberg whiffed the air again. "Joe Jackson," as Schaefer is called, came up to bat and with two strikes against him singled to center scoring two more runs. Braun walked but De Long fled to left retiring the side. From then on the game proceeded nicely. Good support behind Borre, especially by Leis, prevented Glenview from becoming too dangerous until the ninth when two singles scored Fahgmeir. Wilmette had annexed another marker in the seventh when Schaefer drove in Estes, who had previously singled, with his third consecutive hit.

The game marked Wilmette's third consecutive victory and the seventh victory of the season.

### Glencoe Defeated

Wilmette defeated Glencoe for the second time this season on Independence Day, this time 11 to 9. Glencoe tried hard to overcome a ten-run lead held against them and were materially aided by umpire Sticken. After Steffens had vacated the pitcher's box "Jimmy" Holmes went to the rubber and held Wilmette to one run. A poor outfield allowed Wilmette to make one homer, while Glencoe annexed five. Borre pitched for the locals and received a glad hand when he struck out "Home Run Fay" in the ninth with a runner on third.

### SALVATION ARMY PLANS CLUB HOUSE AT WAUKEGAN

Immediate construction of a \$100,000 hotel and clubhouse is to be started by the Salvation Army in Waukegan.

The hotel and clubhouse will be for the use of bluejackets from Great Lakes while on shore leave in Waukegan. The site is 139 feet in length on Sheridan road and 156 feet deep and in addition to a building site there is enough room for a tennis court.

The committee had originally planned upon a \$60,000 building but a few days after conferring with officers of the Chicago district, decided upon a \$100,000 clubhouse.

The clubhouse will include a canteen and sleeping accommodations for about 200 men.

### DEDICATE FOUNTAIN TO BOY SCOUTS AT GLENVIEW

Edwin H. Jackman of Chicago has erected a \$30,000 bronze drinking fountain at the Glen View Golf club in honor of the Boy Scouts of America. The fountain is the work of O'Connor, the famous artist, who made the Lincoln statue in Lincoln park, and has done many other masterpieces which are in various parts of the country. This work of art is the most elaborate thing with which the Boy Scouts of America have been honored.

The dedication took place Wednesday, July 2, at 3:30 o'clock. Evanston and north shore scouts were invited to the club by Agnes Hibbard, chair-

# FRANKLIN

**BREAKS ECONOMY RECORDS**

**LOS ANGELES TO YOSEMITE**

The six-cylinder, light-weight air-cooled FRANKLIN in open competition again has proved superior to all water-cooled cars that contested in the Los Angeles Camp Curry Economy run.

This time a five-passenger car wins. In a previous run under the same rules a FRANKLIN enclosed model won.

This result simply helps to prove our arguments on economy. Not only did the Franklin win in its class, but also defeated all cars regardless of weight, size or power, winning three cups:

**FIRST---Best showing for its class.**

**SECOND---Cup Sweepstakes for making best showing regardless of classification.**

**THIRD---Special Cup presented by Fred L. Baker, Automobile Club of Southern California, for car using least amount of gasoline, oil and water.**
