

N. U. GRAD HEADS NEW TRIER HIGH

Is Selected from List of 200 Candidates for Position; Has Wide School Experience

In 1905 a young man, a graduate of the Rossville, Illinois, high school, came to Evanston and told the authorities at Northwestern University that he would like to enter the department of liberal arts, but that he was without funds. They told him scores of young men with the right spirit had worked their way through and that there were plenty of jobs to be had if the right person went after them.

Marriage No Bar
Then the young man confessed further and said he was married. He was told a wife makes a big difference, but that one is not necessarily a bar to a higher education. The young man entered, obtained stray jobs, including the janitorship at the Hemenway Methodist church, and in 1909 graduated after majoring in history under Professor James A. James.

Last week Eston V. Tubbs was appointed principal of the New Trier High school, one of the largest high schools in the country.

Eston V. Tubbs is the same man who came to Evanston with a wife in 1905 to obtain an education.

Has Wide Experience
After graduating from Northwestern he was given a scholarship to the University of Illinois, where he obtained his master's degree. He then taught in the high school at Mattoon, Illinois, later becoming principal. Two years ago when the new high school at Tulsa, Oklahoma, was completed, Tubbs was selected as superintendent.

A member of the board of education at New Trier stated this week that Tubbs was chosen after a list of 300 applicants had been considered.

"BIRTH OF A RACE" AT HOYBURN ALL NEXT WEEK

"The Birth of a Race," characterized as the "greatest photo-play on earth," will be shown throughout the week of August 11-16 at the Hoyburn theater, Evanston. Since the production of "Intolerance" and "The Birth of a Nation," this is considered to be the greatest effort on the part of the motion picture industry. Every character in the cast is a star of renown in the silent drama.

A coming attraction at the Hoyburn will be, "The Woman Thou Gavest Me," the picturization of the famous novel of that title by the pen of Hall Caine, leading English novelist, whose "The Eternal City," was recently produced on the screen with such telling effect.

"Stolen Orders," sensation of the speaking stage and one of William A. Brady's masterpieces, will be shown on Friday, August 8, William S. Hart in, "Wagon Tracks," is the attraction for Saturday, August 9.

It means the loss of none of his accustomed pleasures, the sacrifice of no necessities.
