

Stephens Car Bodies Of Finest Materials

"In constructing Stephens bodies," says the manager of the General Motors company, "we have taken account of the fact that a well finished body adds greatly to the pleasure of ownership as well as value of the car. Stephens bodies are designed and built complete in the Stephens factory and are constructed in every way exactly like the best grade of custom-built bodies which command very high prices. Quality is always the keynote in Stephens construction. Beneath the metal body is a rigid hardwood frame, every joint of which is screwed and glued and where strains occur the frame is reinforced by drop forge body irons. Because of this strong construction Stephens bodies are free from squeaks and rattles. The body finish is beautiful and lasting as the paint is all applied by hand. First the body is sand blasted to remove all foreign substances and then coat after coat of paint is applied and rubbed by hand until a lasting mirror-like surface results.

"The top and curtains of Stephens cars are individually fitted to each body. The top is made to carry the curtains in neat pockets attached to the bows, so that the curtains are ready instantly to button into place. Door opening curtain attachments are fitted to each door. The top is so constructed that it is easily folded into small space when down and with little or no change of damage to goods."

BIG SOCIETY FILM AT HOYBURN LABOR DAY

"The Thirteenth Chair," featuring Yvonne Delva and Creighton Hale will be shown at the Hoyburn theater, Evanston, Friday of this week. The film is built upon the successful play of that title which experienced a long run at a leading Chicago theater last winter. It is a great mystery play by Bayard Veiller.

Saturday's leading attraction at the Hoyburn will be the first National

production entitled, "Choosing a Wife," taken from the society novel, "The Elder Miss Blossom."

"Fires of Faith," characterized as an Aircraft Super-Special, will appear at the Hoyburn Monday and Tuesday, September 1 and 2.

Louise Glauum will be the headliner on Wednesday in her latest success, "Sahara."

On Thursday and Friday Olive Thomas, the Hoyburn favorite, will be seen in "The Spite Bride," and Saturday's bill will be led by Lila Lee in, "Cock O' the Walk."

ROOSEVELT SPEAKS FOR MEMBERSHIP OF AMERICAN LEGION

Theodore Roosevelt of New York, one of the founders of the American legion at both the Paris and St. Louis caucuses and now a member of the joint national executive committee, started on a four weeks' speaking tour through the middle west and far west under the direction of the legion's national speakers' bureau. His tour will be one of the features of the national membership drive to be undertaken by state branches and local posts during September to bring the legion's enrollment of veterans up to the million mark prior to the national convention in Minneapolis on November 10, 11 and 12.

The purpose of the Roosevelt tour as well as the speaking tours of J. F. J. Herbert of Massachusetts, head of the speakers' bureau, and John W. Inzer of Alabama, will be to co-ordinate the work being done by state organizations, to assist state officials of the legion on behalf of the national executive committee and to tell the country at large about the inception, organization, aims and ideals of the legion and its present accomplishments.

Mr. Roosevelt will cover the states of Michigan, Indiana, Illinois, Wisconsin, Minnesota, Nebraska, Iowa, Kansas, Colorado, California, Oregon, Washington, Montana and Idaho. In each of these states he will deliver addresses and attend conferences with American legion officials in one or more of the large cities where it will be possible for him to meet the

largest possible number of ex-service men. Several states have arranged to hold their first annual conventions on dates when he will be able to attend the opening sessions.

Mr. Herbert, chairman of the national speakers' bureau, announces that it will be impossible for Mr. Roosevelt to accept more than 10 per cent of the hundreds of requests which have poured into national headquarters from American legion posts and state branches. Invitations to attend agricultural fairs, to hunt big game in the Rockies and to deliver a speech at cattle roundups

have been declined, through the speakers' bureau, so that Mr. Roosevelt may give all his time to American legion affairs.

PLEASANT TRIPS FOR OVER LABOR DAY

The three day holiday over Labor Day will give many folks an opportunity for their last real vacation trip of the summer. Why not spend the week end in the beautiful resort districts of Wisconsin and Michigan?

Many of the ideal vacation spots of Wisconsin can easily be reached by electric lines from Milwaukee. Resorts like Oconomowoc, Cedar Lake, Beaver Lake, Waukesha, Watertown, Plymouth, Crystal Lake, etc., give splendid opportunities for a short vacation.

At Milwaukee convenient connections can be made with Lake Steamers, affording short but direct and pleasant routes to points in Michigan and Northern Wisconsin.

Splendid Service of the North Shore Line

To reach Milwaukee and make connections for Wisconsin or Michigan resorts, travel over the North Shore Line. All-steel limited trains for Milwaukee leave Winnetka every hour daily, beginning at 6:29 A. M. No delays. Fast, clean, cool and comfortable. No dirt, no dust, no cinders. Dining car service is maintained.
