**THERE WAS A TIME** when people bought certain cars purely on the reputation of the car and its manufacturer.

**NOW,** that most all cars are serviceable, "some more than others" but none absolutely condemned, and the business of each manufacturer so extensive, the wise buyer will solicit the opinion and consider the advice of the **DEALER** at home.

Confidence, well placed in the automobile dealer with whom you live, and from whom valuable information on any car may be had without cost, is worth many dollars to a prospective buyer.

Each dealer has a local reputation—Ask about ours if you are not acquainted with us and when you desire, don't hesitate to ask for our experience. We want your friendship and we can help you.

### OH, ANDY! WE ANNOUNCE RIVAL APARTMENT HUNTER

Jack Patterson, New Trier athletic director, is all "het up" these days. He's not worried about the brand of athletics the high school boys are putting out either. Here's what's the matter.

Patterson and family, early in November must vacate their apartment and seek other abode. Like the famous character in a Chicago Daily cartoon he's having a difficult time locating a place. If you can help him in this regard call the New Trier High school and let him know what you have to offer. There are two kiddies in the family.

### AT HOSPITAL

Mr. B. H. Atwood, 839 Elm street, was taken to the Evanston hospital and operated upon Monday for acute appendicitis. His condition is very favorable, according to his family.

### WIRELESS ARRIVES

The wireless apparatus for the Community House arrived Wednesday and will be in operation shortly. It will be in charge of the Boy Scouts.

### GAME CANCELED
